Practice of Godliness Jerry Bridges, 2016 Over 500 000 copies in print Godliness has value for all things 1 Timothy 4 8 NIV How can you develop godly character Bestselling author Jerry Bridges says that godliness is more than a character trait It is a foundational spiritual quality that makes the entire Christian life dynamic effective and pleasing to God Growing in godliness is a twofold process It involves an ever deepening devotion to God and developing character that is steadily transformed into His likeness In *The Practice of Godliness* the sequel to the popular book *The Pursuit of Holiness* readers will learn how laying an inward foundation of God centeredness will permit them to build an outward structure of godliness Character formation will never be the same Discussion guide included **Seeking God** Michael H. Mitias, 2012-09-14

Seeking God is a Platonic dialogue on the nature of the religious experience and the conditions under which this experience is possible The dialogue takes place between three characters a philosopher a Sufi and a Christian monk They meet in the Syrian Desert and share their views and experiences on what it takes to have a union with God The main premise that is presented and analyzed in the dialogue is that God reveals himself in nature human civilization and the human heart Love is the beginning and end of the path that leads to the quest for God and the light that illumines this path Living from the standpoint of the Divine is the basis of the good life This book presents a vivid picture of the beauty and sublimity of the Divine the joy of the religious experience and the joy of life *Plato, Utilitarianism and Education (International Library of the Philosophy of Education Volume 3)* Robin Barrow, 2010-02-25 Three lines of argument are central to this book that Plato's views as expounded in the Republic indicate that he was a utilitarian that utilitarianism is the only acceptable ethical theory that these conclusions have significant repercussions for education Throughout the book the exposition of utilitarianism and the interpretation of the Republic are closely linked The author assesses the nature of recent Platonic criticism and provides a critical summary of the Republic He expounds and defends utilitarianism and examines in greater depth the consequences for education of accepting a utilitarian position showing how for example from this standpoint such key terms in educational debate as autonomy and self development must be reassessed as educational objectives **Effective Leadership in**
