Spon's Mechanical And Electrical Services Price 2004:

Spon's Mechanical and Electrical Services Price Davis Langdon, 2004-08-26 Spon's Mechanical and Electrical Services Price Book 2005 is still the only annual services engineering price book available anywhere. This annual guide to pricing electrical and mechanical services installation contains material prices, labour elements and measured works prices for mechanical contracts from pipework to ductwork and heating systems to air conditioning. Electrical contracts are also covered from power supply through to light switches. Updates to the 2005 edition will provide a general review of all sections, include pipe in pipe plastic piping for chilled and heating water and give an expanded coverage of heat exchangers and condensing boilers. Its free CD **Spon's Mechanical and Electrical Services Price** Davis Langdon Mott Green Wall, 2014 Spon's Mechanical and Electrical Services Price Book 2004 is still the only annual services engineering price book available anywhere. This annual guide to pricing electrical and mechanical HEVAC services installation contains material prices, labour elements and measured works prices for mechanical contracts from pipework to ductwork and heating systems to air conditioning. Electrical contracts are also covered from power supply through to light switches. The M and E comes with a free CDROM that enables the reader to view the entire book on screen, cut and paste prices into other tender documents, export to other major packages, perform simple calculations, index search, produce estimate and tender documents, adjust rates and data. The new easier to read 2004 edition includes a complete revision of the Approximate Estimating section with more detail on a wider range of building types and more all-in rates for both Mechanical and Electrical services. The Measured Works section has also been updated to include information on water oil storage and sprinkler tanks, water treatment equipment and air and dirt separators, booster pumps and plate heat exchangers, energy meters, twin and earth cable, power factor correction equipment and harmonic filters, dado and skirting, trunking, LV switchboards, lighting control systems, nurse call and disabled toilet alarm systems and electric underfloor heating. Provided by publisher **Spon's Mechanical and Electrical Services Price** AECOM, 2014-10-01 Coming out of recession so how is this affecting the construction market? Spon's Mechanical and Electrical Services Price Book 2015 continues to be the most comprehensive and best annual services engineering price book currently available, providing detailed pricing information across the full range of mechanical and electrical services together with higher level costs for a diverse range of systems and different building applications. Use the access code inside the front cover of the book to get set up with internet access to this 2015 edition until the end of December 2015. Spon's Online delivers a versatile and powerful online data viewing package. The book now uses a combination of NRM1 and NRM2 as the measurement standards. This year we provide a new detailed engineering feature on RICS Ska ratings and add cost sections for LED lighting, PV panels and solar thermal energy. The book also gives the usual market update of labour rates and daywork rates, material costs and prices for measured works and all-in rates and elemental rates in the Approximate Estimating section **Spon's Landscape and External Works Price** Davis Langdon &

Everest,2003-08-28 Spon's Landscape and External Works Price Book 2004 offers the only comprehensive source of information for detailed external works and landscape costs. It covers all the items to be found in hard and soft landscape contracts and is therefore an indispensable reference book for quantity surveyors, landscape architects and contractors. Essential for compiling estimates, specifications, bills of quantities and works schedules. A full index and list of manufacturers and suppliers gives easy reference to all items. The L and E comes with a free CDROM that enables the reader to view the entire book on screen, cut and paste prices into other tender documents, export to other major packages, perform simple calculations, index search, produce estimate and tender documents, adjust rates and data. This complete package means that Spon's Landscape and External Works Price Book 2004 is now better than ever and is a resource that no building firm, surveyor or architect should be without. New features for the easier to read 2004 edition include information on and incorporating the new CIJC three year age agreement effective from Monday 30th June 2003, additional plant items to reflect the increased mechanisation of site handling of materials, new paving and kerb items, additional measured rate items for work in small gardens, non rigid constructions, pumps and rocks associated with water features.
