*No One to Meet* Raphael Falco, 2025-09-15 A groundbreaking appreciation of Dylan as a literary practitioner WINNER OF THE ELIZABETH AGEE PRIZE IN AMERICAN LITERATURE The literary establishment tends to regard Bob Dylan as an intriguing if baffling outsider That changed overnight when Dylan was awarded the 2016 Nobel Prize in Literature challenging us to think of him as an integral part of our national and international literary heritage *No One to Meet* Imitation and Originality in the Songs of Bob Dylan places Dylan the artist within a long tradition of literary production and offers an innovative way to understand his unique and often controversial methods of composition Dylan expert Raphael Falco traces the similarities between the way Dylan borrows digests and transforms traditional songs and what Renaissance writers called *imitatio* Although Dylan's lyrical postures may suggest an avant garde consciousness *No One to Meet* shows that Dylan's creative process creatively expands methods used by classical and Renaissance authors Drawing on numerous examples including Dylan's previously unseen manuscript excerpts and archival materials Raphael Falco illuminates how the ancient process of poetic imitation handed down from Greco-Roman antiquity allows us to make sense of Dylan's musical and lyrical technique By placing Dylan firmly in the context of an age-old poetic practice *No One to Meet* deepens our appreciation of Dylan's songs and allows us to celebrate him as what he truly is a great writer

**Allen Ginsberg's Buddhist Poetics** Tony Trigilio, 2007 Publisher description

**The Mourning After** John Ibson, 2018-11-01 On the battlefields of World War II with their fellow soldiers as the only shield between life and death a generation of American men found themselves connecting with each other in new and profound ways Back home after the war however these intimacies faced both scorn and vicious homophobia The Mourning After makes sense of this cruel irony telling the story of the unmeasured toll exacted upon generations of male friendships John Ibson draws evidence from the contrasting views of male closeness depicted in WWII era fiction by Gore Vidal and John Horne Burns as well as from such wide ranging sources as psychiatry texts child development books the memoirs of veterans children and a slew of vernacular snapshots of happy male couples In this sweeping reinterpretation of the postwar years Ibson argues that a prolonged mourning for tenderness lost lay at the core of midcentury American masculinity leaving far too many men with an unspoken ache that continued long after the fighting stopped forever damaging their relationships with their wives their children and each other

**The Nirvana Express** Mick Brown, 2023 In 1897 an Indian yogi named Bava Lachman Dass exhibited himself at the Westminster Aquarium in London demonstrating forty eight yoga positions to a bemused audience Four years earlier Hindu philosopher Swami Vivekananda had spoken at the first World Parliament of Religions in Chicago where theosophist Annie Besant rhapsodized about his inborn sense of worth and the exquisite beauty of his spiritual message The Victorians had conflicted views on the religious beliefs and practices of the Indian sub continent blending fascination and suspicion But within two generations legions of young Westerners would be following the hippie trail to India and the Beatles would be meditating at the feet of the guru Maharishi Mahesh Yogi Journalist Mick Brown s vivid account charts the eccentric history of the West s evolving love affair with Indian religion through a curious cast of scholars seekers charlatans and saints From Edwin Arnold whose epic poem about the life of the Buddha became a best seller in Victorian Britain to the occultist and magician Aleister Crowley and from spiritual teachers Jiddu Krishnamurti Meher Baba and Ramana Maharshi to the controversial guru Rajneesh The Nirvana Express is an exhilarating sometimes troubling journey through the West s search for enlightenment

**Postmodern Belief** Amy Hungerford, 2010-07-01 How can intense religious beliefs coexist with pluralism in America today Examining the role of the religious imagination in contemporary religious practice and in some of the best known works of American literature from the past fifty years Postmodern Belief shows how belief for its own sake a belief absent of doctrine has become an answer to pluralism in a secular age Amy Hungerford reveals how imaginative literature and religious practices together allow novelists poets and critics to express the formal elements of language in transcendent terms conferring upon words a religious value independent of meaning Hungerford explores the work of major American writers including Allen Ginsberg Don DeLillo Cormac McCarthy Toni Morrison and Marilynne Robinson and links their unique visions to the religious worlds they touch She illustrates how Ginsberg s chant infused 1960s poetry echoes the tongue speaking of Charismatic Christians how DeLillo reimagines the novel and the Latin Mass why McCarthy s prose imitates the Bible and why Morrison s fiction needs the supernatural Uncovering how literature and religion conceive of a world where religious belief can escape confrontations with other worldviews Hungerford corrects recent efforts to discard the importance of belief in understanding religious life and argues that belief in belief itself can transform secular reading and writing into a religious act Honoring the ways in which people talk about and practice religion Postmodern Belief highlights the claims of the religious imagination in twentieth century American culture
