[The Culture of Sports in the Harlem Renaissance](#) Daniel Anderson, 2017-04-11

During the African American cultural resurgence of the 1920s and 1930s professional athletes shared the spotlight with artists and intellectuals Negro League baseball teams played in New York City's major league stadiums and basketball clubs shared the bill with jazz bands at late night casinos Yet sports rarely appear in the literature on the Harlem Renaissance Although the black intelligentsia largely dismissed the popularity of sports the press celebrated athletics as a means to participate in the debates of the day A few prominent writers such as Claude McKay and James Weldon Johnson used sports in distinctive ways to communicate their vision of the Renaissance Meanwhile the writers of the Harlem press promoted sports with community consciousness insightful analysis and a playful love of language and argued for their importance in the fight for racial equality

The Negro Leagues Were Major Leagues Todd

Peterson,2019-12-11 How good was Negro League Baseball 1920 1948 Some experts maintain that the quality of play was equal to that of the American and National Leagues Some believe the Negro Leagues should be part of Major League Baseball s official record and that more Negro League players should be in the Hall of Fame Skeptics contend that while many players could be rated highly NL organizations were minor league at best Drawing on the most comprehensive data available including stats from more than 2 000 interracial games this study finds that black baseball was very good indeed Negro leaguers beat the big leaguers more than half the time in head to head contests demonstrated stronger metrics within their own leagues and excelled when finally allowed into the majors The authors document the often duplicitous manner in which MLB has dealt with the legacy of the Negro Leagues and an appendix includes the scores and statistics from every known contest between Negro League and Major League teams **Routledge Companion to Sports History** S.
