Sport and the Countryside in English Paintings, Watercolours, and Prints David Coombs,1978 British Sport Richard William Cox,2003 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian Sport in Britain Richard William Cox,1991 *British Sport: a Bibliography to 2000* Richard Cox,2013-12-16 Volume one of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian **Robert Seymour and Nineteenth-Century Print Culture** Brian Maidment,2021-04-25 Robert Seymour and Nineteenth Century Print Culture is the first book length study of the original illustrator of Dickens s Pickwick Papers Discussion of the range and importance of Seymour s work as a jobbing illustrator in the 1820s and 1830s is at the centre of the book A bibliographical study of his prolific output of illustrations in many different print genres is combined with a wide ranging account of his major publications Seymour s extended work for The Comic Magazine New Readings of Old Authors and Humorous Sketches all described in detail are of particular importance in locating the dialogue between image and text at the moment when the Victorian illustrated novel was coming into being *Women, Horse Sports and Liberation* Erica Munkwitz,2021-07-13 Shortlisted for the 2022 Lord Aberdare Literary Prize This book is the first full length scholarly examination of British women s involvement in equestrianism from the eighteenth through the twentieth centuries as well as the corresponding transformations of gender class sport and national identity in Britain and its Empire It argues that women s participation in horse sports transcended limitations of class and gender in Britain and highlights the democratic ethos that allowed anyone skilled enough to ride and hunt from chimney sweep to courtesan Furthermore women s involvement in equestrianism reshaped ideals of race and reinforced imperial ideology at the zenith of the British Empire Here British women abandoned the sidesaddle which they had been riding in for almost half a millennium to ride astride like men thus gaining complete equality on horseback Yet female equestrians did not seek further emancipation in the form of political rights This paradox of achieving equality through sport but not through politics shows how liberating sport was for women into the twentieth century It brings into question what emancipation meant in practice to women in Britain from the eighteenth through twentieth centuries This is fascinating reading for scholars of sports history women s history British history and imperial history as well as those interested in the broader social gendered and political histories of the nineteenth and twentieth centuries and for all equestrian enthusiasts *The Invention of the Countryside* Donna Landry,2001-08-20 Today s hunting debate began in the eighteenth century when the idea of the countryside was being invented through the imaginative displacement of agricultural production in favour of country sports and landscape tourism Between the Game Act of 1671

and its repeal in 1831 writers on walking and hunting often held opposed views but contributed equally to the origins of modern ecology while sharing a commitment to trespass that preserved common rights in an era of growing privatization

The New Bath Guide Christopher Anstey, Annick Cossic, 2010 This illustrated edition of The New Bath Guide by Christopher Anstey is based on the Second Issue of the First Edition which was published in 1766 It includes two major additions made by the author the Epilogue and A Charge to the Poets It aims at widening the perspective on the eighteenth century by examining the work of a minor poet and challenges conventional assumptions about the scope of minor poetry This series of satirical letters in verse written by the members of a provincial family staying in Georgian Bath provides an inexhaustible source of fun and has great sociological interest Thanks to the individual and varied voices which are heard in this epistolary poem a whole society in the making comes alive through the distorting mirror of satire The introduction notes and appendices throw new light on a once famous and provocative text and make extensive use of little known material such as significant parts of the author's correspondence They situate Anstey's work in its literary and historical contexts by locating it at the junction of fiction and documentation at a time of emergence when new social codes were defined for a new society

Inventing India R.

Crane, 1992-01-13 Working at the interface of historical and fictional writing Ralph Crane considers the history of India from the Revolt of 1857 to the Emergency of 1975 as it is presented in the works of twentieth century novelists both Indian and British who have written about particular periods of Indian history from within various periods of literary history A constant thread in the book is the exploration of the use of paintings as iconography and allegory used in the novels to reveal aspects

of British Indian relationships *Equestrian Studies* Myron J. Smith, Salem College (Salem, W. Va.), 1981 No descriptive material is available for this title *History of Sport* Richard William Cox, 1994 **The Spectator**, 1879 *Subject Catalog* Library of Congress, 1979 **A Dictionary of Sporting Artists** Mary Ann Wingfield, 1992 This text presents a historical and alphabetical record of painters of sport over the last 300 years It covers a wide subject area over 200 actively played sports throughout the period studied and some 7 000 artists Whitaker's Cumulative Book List, 1978
