Skimpy Coverage Bonnie M. Hagerman, 2023-05-15 *Skimpy Coverage* explores Sports Illustrated's treatment of female athletes since the iconic magazine's founding in 1954 The first book length study of its kind this accessible account charts the ways in which Sports Illustrated arguably the leading sports publication in postwar America engaged with the social and cultural changes affecting women's athletics and the conversations about gender and identity they spawned Bonnie Hagerman examines the emergence of the magazine's archetypal female athlete good looking straight and white and argues that such qualities were the same ones the magazine prized in the women who appeared in its wildly successful Swimsuit Issue As Hagerman shows the female athlete and the swimsuit model at least for the magazine were essentially one and the same Despite this conflation and the challenges it poses Hagerman also tracks the distance that sportswomen including Wilma Rudolph Billie Jean King Serena Williams and Megan Rapinoe have traveled both within Sports Illustrated's pages and without Blending sports with gender history *Skimpy Coverage* profiles numerous sportswomen who have used athletics and the platform sport offers to push for empowerment freedom equality and acceptance in ways that have complemented and inspired broader feminist agendas

Keith Urban Jeff Apter, 2023-09-26 In this definitive biography of Keith Urban music biographer Jeff Apter presents the legendary Australian country star turned international superstar whose career spans the Nashville music scene *American Idol* *The Voice* and much more including the highs and lows along the way Keith Urban came from humble origins His father worked at the local landfill and Keith was a high school dropout But Keith had a plan conquer Nashville It's my destiny he said And

Keith was hell bent on scaling that musical Everest Whatever it took It didn't come easy Keith served his apprenticeship in the beer barns of Australia and his early trips to America were disastrous But he never gave up settling in Nashville in the 1990s and forming The Ranch When the band fell apart so did Keith ending up in rehab not for the last time But Keith did eventually reach the top through a combination of talent charisma sex appeal dogged perseverance and skin thick enough for a rhino And along the way he married Nicole Kidman As Keith has said All those detours the really dark ones got me to where I am now I would not want to change one leaf on any tree in the whole journey Keith Urban is the definitive biography of an international superstar *Warrior's Rage* Douglas MacGregor, 2009-09-01 On 26 February 1991 cavalry troops of Cougar Squadron the 2nd Squadron of the 2nd Armored Cavalry Regiment charged out of a sandstorm during Operation Desert Storm and caught Iraq's Republican Guard Corps in the open desert along the North-South grid line of a military map referred to as the 73 Easting Taken by surprise the defending Iraqi armor brigade was swept away in salvos of American tank and missile fire in what became the U.S. Army's largest tank battle since World War II Douglas Macgregor the man who trained and led Cougar Squadron into battle recounts two stories One is the inspiring tale of the valiant American soldiers sergeants lieutenants and captains who fought and won the battle The other is a story of failed generalship one that explains why Iraq's Republican Guard escaped ensuring that Saddam Hussein's regime survived and America's war with Iraq dragged on Certain to provoke debate this is the latest book from the controversial and influential military veteran whose two previous books *Breaking the Phalanx* and *Transformation Under Fire* are credited with influencing thinking and organization inside America's ground forces and figure prominently in current discussions about military strategy and defense policies Its fast-moving battle narrative told from the vantage point of Macgregor's Abrams tank and its detailed portraits of American soldiers along with vivid descriptions of the devastating technology of mounted warfare will captivate anyone with a taste for adventure as well as an interest in contemporary military history **Feminist Legal Theory** Nancy Levit, Robert R.
