Wives of the Same School Deji Badiru, 2019-06-18 This is a fun cartoon-based book that is dedicated to showering praises and tributes on wives for their unflinching support, commitment, and personal sacrifice. Both commercial and personal cartoon products are used as the basis for communicating the messages in the book. The versatility of wives cannot be overstated. The premise of this book is that women are biologically wired to be caretakers of all. Mothers and wives, in particular, are the ultimate caretakers. Wives have a natural instinct and disposition to be caring and nurturing. This book is not prejudicial against husbands, but it points out comical and adorable facts about husband and wife pairs. All wives are mothers too, even if they do not biologically have children of their own. In this respect, husbands are like adopted and loved sons. The book takes a humorous look at husband-wife relationships. While there are facts and fictions in the contents, the overall theme and premise of the book is to have fun with everyday observations in marital scenarios and man and woman social relationships.

Naked and Unashamed Gerry Root, Claudia Root, 2018-06-15 Happy marriages don't just happen. Despite the abundance of magazines and self-help books available, people continue to struggle with marriage. *Naked and Unashamed* describes the diligent, necessary work to maintain marriage as well as its holistic character. That the nakedness asked of each individual extends from how we communicate to how we grow spiritually to how we manage our finances and to how we make love. Every marriage is a snapshot of and testimony to God's covenant relationship with His Church. Without mincing words, Dr. Jerry and Claudia offer real help through practical and spiritual advice on these topics and more. Undressing for Intimacy, Unpacking Communication, Exploring Expectations, Undressing for Sex. *Naked and Unashamed* challenges couples to embrace a holistic, lifelong undressing for marriage. Throughout the book, it presents a picture of marriage in which relational and spiritual intimacy may be found in every aspect of the relationship. The book should enrich both marriages and the Christian life of the individuals within marriage. I have performed scores of weddings over the years, and my wife and I have done the premarital counseling. I wish this insightful book had been available for us.

LYLE W. DORSETT, PhD, Billy Graham Professor of Evangelism, Beeson Divinity School. *Naked and Unashamed* is a must-read for any couple seeking to do Christian marriage in a way that is glorifying to God. Part master class, part playbook, this frank and easy-to-understand guide is packed with critical insights and practical wisdom that can be applied immediately. This book leaves its readers equipped to engage in their marriage relationship in a truly transformational way. I cannot recommend it highly enough.

MICHELLE MOUJAES, Founder and Executive Director, Faithtree Resources. This is the premarital resource I have been waiting for. Incredibly rich with wisdom and insight, *Naked and Unashamed* is for every couple who are more interested in staying married than they are in getting married. I highly recommend this book for anyone seeking a deeper

fuller richer understanding of biblical marriage JIMMY DODD Founder and President of PastorServe author of Survive or Thrive Six Relationships Every Pastor Needs **Preaching and the Human Condition** Prof O. Wesley Allen

JR.,2016-10-18 In the wake of Enlightenment emphasis on the individual and confidence in human progress ability sermons often suffer from a lack of adequate analysis and presentation of the human condition The result is that preachers either 1 intentionally or unintentionally offer self help type messages or 2 fail to help hearers experience the breadth of the good news of Jesus Christ because the bad news of the world is not presented with weight In this work the author proposes to use the pericope in which Jesus is asked about the greatest commandment Mk 12 28 31 as a lens for preachers exploring the human condition cumulatively from three different perspectives across the course of their preaching week in and week out Love God suggests a perspective in which the human condition is seen in relation to a broken relationship between humanity and God vertical Love neighbor suggests a perspective in which the broken relationship is between humans and others horizontal And as yourself suggests a brokenness in relationship to one s self inner While different theological schools have emphasized these perspectives differently as the starting points for their anthropology views of sin etc all schools include all three perspectives In individual chapters the author will unpack these three perspectives theologically move to suggest practical homiletical approaches to preaching in relation to each perspective and provide a sample sermon dealing with that perspective **Leadership at the Crossroads** Bruce Tucker PhD,2013-08-30 Leadership makes a difference Leaders

directly impact the success or failure of any group or church Excellent leaders direct churches to successfully accomplish their goals fulfill their missions and create a vibrant fellowship of believers who significantly influence their communities for Christ Poor leaders can undermine the mission of a church devastate the reputation of a fellowship and sometimes dissolve the ministries of a congregation The effects of average leaders are variable They often allow churches to limp along to become routine even stale or to just survive from week to week Many factors challenge churches already and ineffective leadership can make those challenges even more difficult to conquer A primary reason why leaders struggle so often is a lack of understanding and training in the basic principles of genuine leadership Further confounding this lack of understanding is the promotion of contemporary philosophies about leadership that can distort those basic concepts of leadership This ignorance is not the fault of pastors who have a sincere desire to lead effectively but the training in leadership at many seminaries is often limited Leadership at the Crossroads addresses some of those concerns What is leadership What leadership style works best How can ministers more effectively motivate their congregations How can pastors direct the planning process promote decision making properly delegate responsibilities and initiate change What methods are effective in conflict resolution These questions as well as others are addressed in Leadership at the Crossroads *PROOF* Daniel Montgomery,Timothy Paul Jones,2014-05-27 It s time to open your eyes to the freeing power of authentic grace grace that releases us from trying to earn God s favor grace that enables us to rest in the finished work of Christ grace that liberates

from the tyranny of trying to please others That's what the theology of Martin Luther and John Calvin did in their own day for the people around them Time magazine recently dubbed Calvinism as one of the top ten ideas changing the world right now And yet most of these discussions center on the issue of predestination or on whether particular people agree with the five points of Calvinism Daniel Montgomery and Timothy Paul Jones think it's time to rescue the theology of the Reformers from such stale scholasticizing and to declare anew the dangerous and intoxicating joy of the gospel that they proclaimed PROOF stands for planned grace resurrecting grace outrageous grace overcoming grace and forever grace The authors offer proof of God's grace upon which people can stand against the attacks of legalism that have led many of God's people to lose sight of the freedom and joy of the gospel And this proof is intoxicating it's like a 200 proof drink that will leave you spiritually staggering at its effect on your life God's grace not only declares us not guilty in his presence it changes our relationship with God forever
