Spreading Time Remarks On Canadian Writing And Writers 19041949:

Canadian Books in Print. Author and Title Index, 1975 **The Canadian Encyclopedia** James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's

finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada *Who Was Doris Hedges?* Robert Lecker, 2020-11-18 Despite her trailblazing efforts to represent the work of Canadian writers to publishers in North America and abroad Doris Hedges 1896 1972 the Montreal author who started Canada's first literary agency in 1946 is routinely excluded from Canadian literary histories In *Who Was Doris Hedges* Robert Lecker provides a detailed account of her remarkable career Hedges published several novels short stories and books of poetry moved in Montreal literary circles did a stint as a radio broadcaster and provided reports to the Wartime Information Board during the Second World War possibly as an American spy She lived a privileged life in the Golden Square Mile district of downtown Montreal with her husband Geoffrey Hedges a member of the Benson and Hedges tobacco empire The more one uncovers about Hedges's life the more one discovers a courageous figure who was exploring many of the conflicted issues of her day the rise of juvenile delinquency the suppression of female sexuality the place of women in business and finance and the difficulties confronting the publishing industry in the years leading up to and following the war Mixing lively biographical commentary with literary analysis *Who Was Doris Hedges* is a vivid account of a writer's life and concerns during a period when Canada's literature was coming of age

Frank Underhill and the Politics of Ideas Kenneth C. Dewar, 2015-04-01 Frank Underhill 1889 1971 practically invented the role of public intellectual in English Canada through his journalism essays teaching and political activity He became one of the country's most controversial figures in the middle of the twentieth century by confronting the central political issues of his time and by actively working to reform the Canadian political landscape His propagation of socialist ideas during the Great Depression and his criticism of the British Empire and British foreign policy almost cost him his job at the University of Toronto In *Frank Underhill and the Politics of Ideas* Kenneth Dewar demonstrates how Underhill's thought evolved from his days as a student at Toronto and Oxford to his drafting of the Regina Manifesto the founding platform of the leftist Co-operative Commonwealth Federation to his support of his long time friend Lester Pearson's Liberals in the 1960s Not willing to be bound by partisan loyalties his later shift toward the political centre dismayed many of his former allies The various issues Underhill confronted Dewar argues were connected by the pioneering role he played as an intellectual and by his social democratic vision of politics Dewar also reassesses Underhill's historical work focusing on how it differed from the new professional history practised by his younger colleagues Intelligently written and thoroughly researched *Frank Underhill and the Politics of Ideas* delivers important insights into twentieth century political life and innumerable lessons for twenty first century Canada

Comrades and Critics Candida Rifkind, 2009-01-17 While Canadian historians have studied socialism in the 1930s and although there have been many studies of American and British literary leftists from this period Comrades and Critics is the first full length study of Canada s 1930s literary left Challenging dominant perceptions that this decade was a lull between the more celebrated modernist enterprises of the 1920s and 1940s Candida Rifkind argues that the events of the 1930s from mass unemployment to the dustbowl to the Spanish Civil War galvanized a generation of writers leading them to unite artistic practice and political action in provocative and influential ways Analyzing and recovering much neglected poems plays manifestoes and documentaries Rifkind demonstrates how leftist cultural production came to dominate English Canadian literature by the end of the decade She pays particular attention to the significant role that women writers played in this period and examines a diverse group of writers that included Dorothy Livesay Anne Marriott Irene Baird and Toby Gordon Ryan These writers negotiated the struggle to revolutionize both literature and politics while being subject to the gender hierarchies of socialism and literary modernism that continued long after the thirties came to an end A groundbreaking study in Canadian history and literature Comrades and Critics is a much needed examination of an important and still influential literary period

Conversations with Trotsky Bruce Nesbitt, 2017-05-09 This collection presents all of Earle Birney s known published and unpublished writings on Trotsky and Trotskyism for the very first time It includes their correspondence as well as a selection of Birney s letters and literary writings Before he became one of Canada s most influential and popular twentieth century poets Earle Birney lived a double life To his students and colleagues he was an engaging university lecturer and scholar But for seven years from 1933 to 1940 the great Russian revolutionary Leon Trotsky was the focus of his writing and much of his life During his years as a Trotskyist in Canada the United States and England Birney wrote extensively about Trotsky corresponded with him organized Trotskyist cells in two countries and recruited on behalf of Trotskyism he also lectured on Trotsky and interviewed him over the course of several days One of his two novels is based on some of these activities The collection traces the origins of Trotsky s mistrust of the British to his experiences in Canada shows Birney s influence on a major shift in Trotsky s policy of entrism in British politics includes the

largest body of Trotskyist criticism in Canadian literary history and demonstrates the need for a radical re reading of Birney s poetry in light of his Trotskyism

Page, Miriam Waddington, Phyllis Webb Robert Lecker,Jack David,1979 *The Annotated Bibliography of Canada's Major Authors* Robert Lecker,Jack David,1979 *The Ivory Thought* Gerald Lynch,Shoshannah Ganz,Josephene Kealey,2008-02-28 If one poet can be said to be the Canadian poet that poet is Al Purdy 1918 2000 Numerous eminent scholars and writers have attested to this pre eminent status George Bowering described him as the world s most Canadian poet 1970 while Sam Solecki titled his book length study of Purdy *The Last Canadian Poet* 1999 In *The Ivory Thought* Essays on Al Purdy a group of seventeen scholars critics writers and educators appraise and reappraise Purdy s contribution to English literature They explore Purdy s continuing significance to contemporary writers the life he dedicated to literature and the persona he crafted the influences acting on his development as a poet the ongoing scholarly projects of editing and publishing his writing particular poems and individual books of poetry fiction and non fiction and the larger themes in his work such as the Canadian North and the predominant importance of place In addition two contemporary poets pay tribute with original poems Published in English

Poetics of Place Dermot McCarthy,1991 Ralph Gustafson s personal growth as a poet during a career which spans more than half a century in many ways reflects the development of modern Canadian poetry as a whole A *Poetics of Place* provides the only available examination of the career of this pre eminent Canadian poet as well as insightful new readings of almost all his poems

Finding Nothing Gregory Betts,2021-07-30 Experimental literature accelerated dramatically in Vancouver in the 1960s as the influence of New American poetics merged with the ideas of Marshall McLuhan Vancouver poets and artists began thinking about their creative works with new clarity and set about testing and redefining the boundaries of literature As new gardes in Vancouver explored the limits of text and language some writers began incorporating collage and concrete poetics into their work while others delved deeper into unsettling revolutionary and Surrealist imagery There was a presumption across the avant garde communities that radical openness could provoke widespread socio political change In other words the intermedia experimentation and the related destruction of the line between art and society pushed art to the frontlines of a broad socio political battle of the collective imagination of Vancouver *Finding Nothing* traces the rise of the radical avant garde in Vancouver from the initial salvos of the Tish group through *Blewointment* s spatial experiments to radical Surrealisms and new feminisms Incorporating images original texts and interviews Gregory Betts shows how the VanGardes signalled a remarkable consciousness of the globalized forces at play in the city impacting communities orientations races and nations

Toronto Trailblazers Ruth Panofsky,2019-08-22 *Toronto Trailblazers* explores the influence of seven key women who despite pervasive gender bias helped advance a modern literary culture for Canada Publisher Irene Clarke scholarly editors Eleanor Harman and Francess Halpenny trade editors Sybil Hutchinson Claire Pratt and Anna Porter and literary agent Bella

Pomer made the most of their vocational prospects first by securing their respective positions and then by refining their professional methods Individually each woman asserted her agency by adapting orthodox ways of working within Canadian publishing Collectively their overarching approach emerged as a feminist practice Through their vision and method these trailblazing women disrupted the dominant masculine paradigm and helped transform publishing practice in Canada

Essays on Canadian Writing ,1981 *New Brunswick at the Crossroads* Tony Tremblay,2017-10-25 What is the relationship between literature and the society in which it incubates Are there common political social and economic factors that predominate during periods of heightened literary activity *New Brunswick at the Crossroads* Literary Ferment and Social Change in the East considers these questions and explores the relationships between periods of creative ferment in New Brunswick and the socio cultural conditions of those times The province s literature is ideally suited to such a study because of its bicultural character in both English and French periods of intense literary creativity occurred at different times and for different reasons What emerges is a cultural geography in New Brunswick that has existed not in isolation from the rest of Canada but often at the creative forefront of imagined alternatives in identity and citizenship At a time when cultural industries are threatened by forces that seek to negate difference and impose uniformity *New Brunswick at the Crossroads* provides an understanding of the intersection of cultures and social economies contributing to critical discussions about what constitutes the creative in Canadian society especially in rural non central spaces like New Brunswick *Turvey* Earle Birney,2010-12-03 Private Thomas Leadbeater *Turvey* is nobody s idea of a capable recruit Shifted from regimental pillar to post *Turvey* tries and fails at every odd job in the army with a remarkable genius for mishap A casualty before he has a chance to see action *Turvey* watches the maimed and dying return from the front thus Earle Birney s comic masterpiece becomes an unforgettable indictment of war *Turvey* won the Stephen Leacock Medal for Humour in 1949
