Love on a Spring Morning Zoe York, 1900 Her simple friendship helps pull him out of grief But he doesn't know she's a movie star and she knows he can't expose his family to the spotlight of fame Single father and widower Ryan Howard has zero interest in the movie being filmed in Pine Harbour or the high maintenance stars staying in the cottages at the end of his lane He's just barely holding on to the raw remains of his life and the fantasy world being concocted around him is as far as he's concerned a complete waste of time and energy The one bright light in his life is an intern on the set and their quiet conversations at the end of the day on his back porch Hope Creswell hates her life too which is entirely unfair because she's blessed beyond measure She's at the top of her acting career a Hollywood A list star and surrounded by people that mean well But Ryan makes her laugh and cry and before she can explain her double life he kisses her Book 3 in the Pine Harbour series of standalone small town military romances

A Forever Love James Qualls, G.A. Sarna, 2026-05-26 Trying to picture my life without you is like trying to imagine the sky without blue Could not be anymore true You have come to be my every thought I wake to you I sleep I dream I live for you I can no longer remember my life without you Every thought and memory of my life now has you in it It used to be that I wanted to show you my life and the things that I got to see and do but now I find you in them all You are so deep within my heart and my mind and soul that I have been rewritten I think it is the soulmate bond It's like everything we are has merged I can't look in a mirror anymore and not see you Your song was absolutely perfect trying to picture my life without you I cannot even picture the past anymore because you have updated my software and it is amazing And not being able to give me a card welcome to my world I learned to take advantage of certain things I have some really pretty loving cards that I gathered for you when Hallmark offered a BOGO deal and that is the only reason I was able to send you one I happened to have some extra cash and found a dozen cards that spoke to me about you I knew then that we would be together forever and took advantage of the moment I left a Jolly Roger green apple stix next to my bed and have it in my mouth as I write this I was organizing things the other day and came across a comic Neil Gaiman wrote 20 years ago I hadn't read Stardust since then and I wanted to revisit his writing So essentially this Valentine's you have given me my third grade again I have a favorite candy in my mouth there is the song you sent still playing in my head I am reading a comic book in bed and dreaming of the little girl I am in love with So thank you for the best Valentine's Day ever

important relation to each other and to his Journal the document whose twenty four year composition encompasses their development In a brilliant new book H Daniel Peck shows how these three works engage one another dialectically and how all of them participate in a larger project of imagination Morning work a phrase from Walden is the name Peck gives to this larger project by it he means the work done by memory and perception as they act to shape Thoreau s emerging vision of a harmonious universe Peck argues that the changing balance of memory and perception in the three works defines the unique literary character of each of them He offers a major reevaluation of Walden which he sees neither as the epitome of Thoreau s career the traditional view nor as an anomaly the recent revisionary view Rather he sees Walden as a pivotal work reflecting the issues of loss and remembrance that earlier had found prominent expression in A Week and prefiguring the late Journal s vision of natural order Focusing on the two million word Journal Peck provides the first critical analysis that defines the essential forces and the imaginative coherence in its vast discursiveness The consideration of memory and perception in Thoreau also leads peck to the issue of the writer s modernity and he explores the ways in which Thoreau anticipates twentieth century thought especially in the works of such great objectivist philosophers as William James and Alfred North Whitehead Treatise Concerning Heaven and Its Wonders, and Also Concerning Hell ...
