the Western front there are 7 500 000 heroes who are suffering for Belgium behind the German lines in the close prison of guarded frontiers cut off from the whole world separated alike from those who are fighting for their deliverance and from those who have sought refuge abroad This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world s bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context
