Railton,Esther Railton-Rice,1972 **Growing California Native Plants** Marjorie G. Schmidt,1980-12-29 This is the first comprehensive book to aid the gardener in making a start with native plants It takes the gardener through the beginning steps of identifying native plants evaluating them in relation to conventional garden materials and learning detailed techniques of propagation and culture Annuals perennials including ferns bulbs shrubs and trees are included with about 350 species treated in detail and many others included in charts and listings for quick reference A few California native plants have been in cultivation for a hundred years or so but widespread consciousness of natives is relatively recent It has arisen partly because of the recent drought which natives survived more readily than exotics and partly because of growing awareness that many natives have become rare or endangered and may be preserved and perpetuated by cultivation for their ornamental qualities The book is in full accord with the new trend in landscaping in which the environment climate and restricted water supplies are taken into account not only for gardens but also for parks

roadside plantings and other large scale landscaping Because propagation and cultural methods for many native plants have never been recorded the author spent years gathering information through correspondence She has also had personal experience in growing natives for more than 30 years The result is the first complete practical convenient guide for growing native plants It will be essential for the experienced gardener and the beginner alike **Moon Bay Area Biking** Ann Marie Brown,2012-04-24 Strap on your helmet fill up your water bottle and head out to discover the best rides in the region with Moon Bay Area Biking A Ride for Everyone Pick the right route for your timeline and experience level from family friendly trails to more challenging overnight treks Best Ride Lists Choose from strategic lists like Best Waterfront Rides Best Rides for Wildlife Viewing Best Single Track Rides and more Essential Planning Details Each route is rated for difficulty and marked with round trip distance elevation gain and riding time Maps and Directions Find easy to use maps driving directions to each trailhead and details on where to park Skip the Crowds Enjoy a solitary ride with Moon Bay Area Biking s many off the radar routes and best kept local secrets Expert Advice Seasoned cyclist and NorCal local Ann Marie Brown offers her experienced insight and honest opinions on each ride Tips and Tools Advice on gear first aid and camping permits plus background information on climate landscape and wildlife Whether you re a veteran or a first time cyclist Moon s comprehensive coverage and solid expertise will have you gearing up for your next ride Exploring more of the Golden State s great outdoors Try Moon California Camping or Moon California Hiking Sticking to the Bay Check out Moon 101 Great Hikes San Francisco Bay Area
