## **Springboards For Powerful Preaching:**

*Springboards for Powerful Preaching* Ray Comfort, 1993      **The Unlimited Power Within You** Richard Roberts, 2016-04-29 This book is power packed with Bible teachings about how you can tap into the mighty unlimited supernatural power of God and allow Him to transform your life Jesus said that when the Holy Spirit came He would lead us into all truth and teach us all things John 14 26 John 16 13 He is your Comforter and Helper in times of need and in the days in which we are living as this world becomes darker and filled with chaos and confusion you can call on the power of the Holy Spirit working inside of you to find the clear guidance and direction you need for your life By tapping into this biblical power and understanding you can grasp truths beyond what your natural mind alone can comprehend      The Way Of The Master Ray Comfort, 2006-04-12 Jesus was not afraid to shake people up He spoke openly of their sinful nature and the righteousness of God He forced people to confront their sin head on and He brought them face to face with their need for salvation because He loved them Who do you know who isn't saved If they died tonight where would they spend eternity Do      *The Ultimate Deception* Ray Comfort, 1993-12      **Preach!: The Power and Purpose Behind Our Praise** Otis Moss, 2012-06-01 America's premiere preaching father and son team Otis Moss Jr and Otis Moss III share their preaching insight and inspiration in their first ever book together with sermons on social justice and other progressive Christian topics Each of the six sermons in *Preach The Power and Purpose Behind Our Praise* can be downloaded in audio Includes a reflection guide for study

**Preaching the Rites of Christian Initiation** Jan Michael Joncas, Michael Joncas, 1994 The Forum Essays series is a cooperative effort of The North American Forum on the Catechumenate and Liturgy Training Publications The purpose of the series is to provide a forum for exploring issues emerging from the implementation of the order of Christian initiation They are a great resource for anyone involved in initiation ministry and especially for pastors and RCIA directors      Danger Zone Casey Johnson, 2015-12-09 Christians often focus on the attacks that are being waged from outside their churches while things that happen within the body of Christ that can damage our churches are forgotten You have heard the expression The best way to destroy a country is from within This same principle also applies to the church In *Danger Zone* Falling from Within author and evangelist Casey Johnson discusses the subtle but dangerous trends that harm the church He issues a wakeup call for Christians to open their eyes and notice the subtle dangers within the Church Johnson considers five areas of danger changing the character of God reducing the depth of preaching minimizing the Gospel choosing the wrong church leaders and stealing the Great Commission If there ever was a time for the church to rise up it is now Christians cannot become so self centered that they try to make every part of church about themselves If the local church continues to practice many of these dangers it can slowly become a place where we worship ourselves instead of God You can only lead in the direction you are going Hunter Johnson      *Revival's Golden Key* Ray Comfort, 2003-04-30 Ray Comfort and Kirk Cameron reveal the key to revival Includes spectacular images from *Left Behind II Tribulation Force* alongside a life changing message

Spirit-Filled Preaching in the 21st Century Mark L. Williams, Lee Roy Martin, 2013-06-21      Masters of Preaching Ray E. Atwood, 2013-12-19 Who were Catholicism's greatest orators? What was the key to their effectiveness? Was it mere scholastic ability or spiritual inspiration? The answer is both. In this follow-up work, Father Ray E. Atwood examines the lives, theologies, and preaching examples of the Church's greatest preachers. This book tells the story in biographical form of Catholic preaching from the Old Testament through today, concluding with the homilies of Benedict XVI. *Masters of Preaching* takes the reader around the world in search of homiletic gems. Readers will learn about the stories of familiar figures such as Saint Gregory the Great and less familiar figures such as Monsignor Francis Friedl. Readers will also discover how these men moved their congregations to deeper faith and greater understanding of the mysteries of salvation. Two appendices at the end of the book serve as a terrific resource for those looking for practical illustrations of lectionary themes. This book is an excellent resource for anyone interested in the subjects of public speaking and Church history.

Buerlein, 1986      **Preaching Master Class** Will Willimon, 2010-03-26 Preachers around the globe have come to rely on Will Willimon for insight and advice on the craft of preaching. For over a decade, Willimon has published his reflections in the *Five Minute Preaching Workshop*, a quarterly column he writes as editor of *Pulpit Resource*. Here, the best selections from that column have been brought together into a single volume for the first time. Drawing on years of experience, study, and careful observation of the current state of preaching, Willimon offers candid thoughts on a wide range of homiletical issues from theological to pastoral, cultural, and stylistic. Gibson,2004-08 A challenge to preachers to proclaim the Scriptures with authority and power in a post Christian world **Preaching and Paganism** Albert Parker Fitch,1920 **Preaching and Leading Worship** William H. Willimon,1984-01-01 Worship the central task of the Christian community is the focus of this thought provoking book William Willimon moves from theological understanding to the practical skills needed for preaching and worship leadership He offers useful guidelines for conducting public prayer and for celebrating the Lord s Supper and Baptism Focusing on preaching he describes how to construct a sermon deliver it convincingly and evaluate it He concludes with valuable suggestions for involving the laity in worship
