Based on six years of interviews with more than three hundred of Young's associates and on more than fifty hours of interviews with Young himself, *Shakey* is a fascinating, prodigious account of the singer's life and career. Jimmy McDonough follows Young from his childhood in Canada to his cofounding of Buffalo Springfield to the huge success of Crosby, Stills, Nash, and Young to his comeback in the nineties. Filled with never-before-published words directly from the artist himself, *Shakey* is an essential addition to the top shelf of rock biographies. **Transactions of the Illinois State Historical Society for the Year**, 1921
