

A scenic view of a mountain stream flowing over rocks, with a bright light source in the distance. The water is clear and turbulent, creating white foam as it cascades over the dark, jagged rocks. The surrounding landscape is rugged and mountainous, with patches of green vegetation. The sky is filled with soft, white clouds, and a bright light source, possibly the sun, is visible in the distance, creating a lens flare effect. The overall mood is serene and majestic.

Springs of Living Water Karen Lawrence,1991 **Rivers of Love** Ren Royal,2021-05-14 Through the depths of my soul God s love imparts Through rivers of stone like hardened hearts God s light shines right through My soul is quenched my soul anew My soul is quenched with rivers of God s love Shining with heaven s light beaming from above Shining through the river s hard rock and stone To rivers of love in God s heavenly throne Ren Royal is a Christian who is passionate about sharing insight from her heart and soul through poetry In a spiritual devotional that includes original artwork by retired pastor John Braulick Mrs Royal shares poems that each tell an inspirational story and include relatable scriptures and prayers Her poetry explores diverse topics such as the streams of life that constantly flow the catastrophic storms that God leads us through the divine treasure found on a walk the awesome power of the Lord and the constant reminders that God is always here Rivers of Love shares poetry prayers scripture and artwork that leads believers on an incredible spiritual journey to reawaken and strengthen their faith in Jesus Christ **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986** ,1987 **Publication** ,1991 *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954* United States. Internal Revenue Service,2002 **The Jewish Popes** Leon G. Van Wert,2009-10 Will we ever see peace in the Middle East If so how will it come about Currently negotiations are in the works for the creation of an independent Palestinian State However it will be located in part of the land which Orthodox Jews believe was set aside by God exclusively for the Jews They contend that the Israelites under Moses covenanted with God never to let non Jews live in any part of the Promised Land They further believe that a breach of this sacred Covenant will lead to divine curses for the disobedient Jews including the conquest of Israel by her enemies and the deportation of the surviving Jews to foreign lands Dr Leon G van Wert now has written a new and exciting eschatological work which clearly shows that the creation of a new non Jewish Palestinian State within the boundaries of the Promised Land will bring us one pivotal step closer towards the End Times Using the Old Testament as his guide to interpreting the book of Revelation Dr van Wert has unlocked this mysterious book of the Bible When is the end The end is near says the author when after the creation of an independent State of Palestine the Cardinals elect two successive Jewish Popes **YESHUA, THE CRUCIFIED SERPENT** Rowland Stenrud,2012-11-29 It was the atheist Jean Paul Sartre who once said that Hell is other people Rowland Stenrud s Yeshua the Crucified Serpent is about how mankind s savior Jesus of Nazareth has saved men and women from this hell by making it possible and indeed inevitable for human beings to love one another and their Creator Father Yahweh God This book is about the concept and practice of human and divine love The words of Paul in 1 Corinthians 13 1 13 the Bible as a whole and the reader s life experience will help in defining this The author reviews what he knows about the concept and its related precepts and brings them to bear in this book God himself is love which should tell us how mysterious a thing love is To acquire this ability to love one must suffer in union with the suffering Christ Salvation pure and

simple is God delivering each one from the inability to love other human beings and the Creator Himself The obstacle to this perfect love is the serpent of human wisdom and pride that existed even in Jesus In his loving obedience to the Father Jesus nailed this serpent to the cross Yeshua the Crucified Serpent attempts to show that the question of evil and suffering in the world is answered by Yahweh s eventual success in saving all of mankind The majority of Christians believe in a number of key doctrines that the biblical authors do not unequivocally teach A few verses may support these unbiblical doctrines but a greater number of verses whose meaning is clearer contradict the standard interpretation of these few verses Other doctrines that Christians mistakenly believe in find support in this or that section of the Bible but are denied by the general thrust of the Bible as a whole These unbiblical doctrines followed by the correct biblical teaching are 1 Sometime in the distant past a large number of God s angels rebelled against Him becoming what are called devils or demons whose leader is known as Satan or Lucifer The Bible teaches that the only agent of evil in the universe is man s heart 2 Adam and Eve possessed the perfection of Jesus Christ before they sinned If they had not sinned they would not have needed to be healed of any weakness The Bible teaches that Adam and Eve could not have had eternal life even before they sinned without the work of Jesus of Nazareth 3 Faith is an act of the free will of man The Bible teaches that faith does involve man putting his trust in God s promises and revelation but it is primarily a power given to man by God in order to enable him to see spiritual truth the natural man cannot see Without this gift of the Holy Spirit no human being can know God and be saved 4 Ultimately speaking we are saved by our faith On the contrary it is through Jesus s faith in and love for the Father that is the instrument of our salvation 5 Jesus saved us by paying the penalty due our sins and therefore saving us from the just wrath of God This is false No one had to pay any penalty for God to forgive the sins of the human race God relates to sinners on the basis of mercy and mercy is not mercy if the penalty for sin is paid By going to the cross Jesus healed our brokenness which forgiveness alone could not accomplish 6 Satan and the sins of men are ultimately responsible for human suffering False God is ultimately responsible for human suffering as it is a necessary part of God s work of saving human beings God Himself shares in all of our suffering physical emotional and spiritual even though He does not have a body or nervous system 7 Salvation is about our eternal destiny This is not correct Salvation is about being saved from the idolatries addictions corruption hatreds evil deeds that afflict the unsav

Revelation Grant R. Osborne, 2023-10-17 The Book of Revelation contains some of the most difficult passages in Scripture Grant Osborne's commentary on Revelation interprets the text while also introducing readers to the perspectives of contemporary scholarship in a clear and accessible manner Osborne begins with a thorough introduction to Revelation and the many difficulties involved in its interpretation He discusses authorship date of writing and the social and cultural setting of the work He also examines elements that complicate the interpretation of apocalyptic literature including the use of symbols and figures of speech Old Testament allusions and the role of prophetic prediction Osborne surveys various approaches commentators have taken on whether Revelation refers primarily to the past or to events that are yet future Rather than exegeting the text narrowly in a verse by verse manner Osborne examines larger sections in order to locate and emphasize the writer's central message and the theology found therein Throughout he presents his conclusions in an accessible manner When dealing with particularly problematic sections he considers the full range of suggested interpretations and introduces the reader to a broad spectrum of commentators Revelation seeks to reach a broad audience with scholarly research from a decidedly evangelical perspective

Rivers of Inspiration Bob E. McGlothlin,2014-02-17 Dear reader It is my sincere prayer and desire that as you read Rivers of Inspiration God will use these words of prose to inspire and encourage you to view life from a completely different perspective than what you are used to You see so many of us go through life experiencing difficulties trials tests temptations and troubles of all kinds and many times we only focus on the negative aspects of each situation When we do this it makes it so very hard for us to see God s light in the midst of all the darkness around us It also makes it hard for us to understand God s wisdom and purpose in allowing us to go through each situation unless of course we can find enough grace to change our focus So I hope that God will use these words to encourage someone to look beyond the way things appear and at least seek to view life s situations as God sees them As you prayerfully read the following pages may you receive an impartation of God s grace and power to overcome in the midst of the troubles of your life Sincerely Poet and Author Bob E McGlothlin **He Is The Potter, I Am The Clay** Thomas Richardson,2020 **Reading Revelation** C. Marvin Pate,2009-05-01 Intriguing and endlessly contentious ideas and images of apocalyptic measure come together in the book of Revelation It is a rich and hermeneutically complicated Scripture that unsurprisingly has no universally accepted interpretation Reading Revelation compares these four major approaches to Revelation by laying out the different interpretive translations provided by each school of thought in parallel columns **The Holy Bible, in the Authorized Version** ,1876
