Springwater Wedding Linda Lael Miller, 2003-01-01      Letters of a Family During the Civil War (Abridged, Annotated) Georgeanna Woolsey Bacon, Eliza Woolsey Howland, 2001-01-01 One of the most remarkable collections of letters to come out of the American Civil War is this compilation by the Woolsey family. Educated, aware, and closely affectionate, the family exchanged and kept letters throughout the war. Included in the set are those from family members serving in hospitals, taking collections for soldiers at home, and a soldier serving on the front lines with Grant, Sheridan, and Meade. What was life like for those who watched their country rent by war? The desperate anxiety and despair of the early war and the hopeful expressions later on give a vivid and very human face to an event that though long past is still apart of who we are as Americans today. There is also humor and gossip and an incredible awareness of what was going on in battles far from home. That the collection includes letters from various family members provides a view into Civil War life as no other. For less than you'd spend on gas going to the library, this long out of print volume is available as an affordable, well formatted book for e-readers and smartphones. It also features poetic genres such as waka, haiku, senryu, and kyoka, and plays ranging from Chikamatsu's puppet plays to nineteenth century kabuki. Readers will continue to benefit from the anthology's selection of significant essays, treatises, literary criticism, folk stories, and other noncanonical works, as well as the numerous prints that accompanied these works.
