Spy Who Came In From The Cold And The Looking Glass War:

Understanding John Le Carré John L. Cobbs, 1998 John Cobbs establishes that contemporary English novelist John le Carré's fiction transcends the genre of espionage and that le Carré is preeminently a social commentator who writes novels of manners Cobbs analyzes each of le Carré's novels and offers a biographical sketch describing le Carré's often overlooked academic success and reputation as a once member of British Intelligence

The Looking Glass War John le Carré, 2013-03-05 From the New York Times bestselling author of *A Legacy of Spies* You are either good or bad and both are dangerous It would have been an easy job for the Circus a can of film couriered from Helsinki to London In the past the Circus handled all things political while the Department dealt with matters military But the Department has been moribund since the War its resources siphoned away Now one of their agents is dead and vital evidence verifying the presence of Soviet missiles near the West German border is gone John Avery is the Department's younger member and its last hope Charged with handling Fred Leiser a German speaking Pole left over from the War Avery must infiltrate the East and restore his masters former glory John le Carré's *The Looking Glass War* is a scorching portrayal of misplaced loyalties and innocence lost With an introduction by the author

Looking-Glass Wars: Spies on British Screens since 1960 Alan Burton, 2018-01-31 *Looking Glass Wars Spies on British Screens since 1960* is a detailed historical and critical overview of espionage in British film and television in the important period since 1960 From that date the British spy screen was transformed under the influence of the tremendous success of James Bond in the cinema the spy thriller and of the new style spy writing of John le Carré and Len Deighton the espionage story In the 1960s there developed a popular cycle of spy thrillers in the cinema and on television The new study looks in detail at the cycle which in previous work has been largely neglected in favour of the James Bond films The study also brings new attention to espionage on British television and popular secret agent series such as *Spy Trap* *Quiller* and *The Sandbaggers* It also gives attention to the more realistic representation of spying in the film and television adaptations of le Carré and Deighton and other dramas with a more serious intent In addition there is wholly original attention given to nostalgic spy fictions on screen adaptations of classic stories of espionage which were popular in the late 1970s and through the 1980s and to historical spy fiction dramas which treated real cases of espionage and their characters most notably the notorious Cambridge Spies Detailed attention is also given to the secret state thriller a cycle of paranoid screen dramas in the 1980s which portrayed the intelligence services in a conspiratorial light best understood as a reaction to excessive official secrecy and anxieties about an unregulated security service The study is brought up to date with an examination of screen espionage in Britain since the end of the Cold War The approach is empirical and historical The study examines the production and reception literary and historical contexts of the films and dramas It is the first detailed overview of the British spy screen in its crucial period since the 1960s and provides fresh attention to spy films series and serials never previously considered

The Spy Who Came in From the Cold John le

Carr♦,2005-09-01 Secret agent Alec Leamas is on a dangerous mission in East Berlin but he has doubts about the organization he serves **The Special Branch** LeRoy Panek,1981 The author has chosen seventeen of the most important or representative British spy novelists to write about He presents some basic literary analysis and criticism trying both to place them in historical perspective and to describe and analyze the content and form of their fiction **Cinemas of the World** James Chapman,2004-06-03 The cinema has been the pre eminent popular art form of the 20th century In *Cinemas of the World* James Chapman examines the relationship between film and society in the modern world film as entertainment medium film as a reflection of national cultures and preoccupations film as an instrument of propaganda He also explores two interrelated issues that have recurred throughout the history of cinema the economic and cultural hegemony of Hollywood on the one hand and on the other the attempts of film makers elsewhere to establish indigenous national cinemas drawing on their own cultures and societies Chapman examines the rise to dominance of Hollywood cinema in the silent and early sound periods He discusses the characteristic themes of American movies from the Depression to the end of the Cold War especially those found in the western and film noir genres that are often used as vehicles for exploring issues central to us society and politics He looks at national cinemas in various European countries in the period between the end of the First World War and the end of the Second which all exhibit the formal and aesthetic properties of modernism The emergence of the so called new cinemas of Europe and the wider world since 1960 are also explored Chapman is a tough thinking original writer an engaging excellent piece of work David Lancaster *Film and History* *The Bondian Cold War* Martin D. Brown,Ronald J. Granieri,Muriel Blaive,2023-09-01 James Bond Ian Fleming s irrepressible and ubiquitous spy is often understood as a Cold Warrior but James Bond s Cold War diverged from the actual global conflict in subtle but significant ways That tension between the real and fictional provides perspectives into Cold War culture transcending ideological and geopolitical divides The Bondiverse is complex and multi textual including novels films video games and even a comic strip and has also inspired an array of homages copies and competitors Awareness of its rich possibilities only becomes apparent through a multi disciplinary lens The desire to consider current trends in Bondian studies inspired a conference entitled *The Bondian Cold War* convened at Tallinn University Estonia in June 2019 Conference participants drawn from three continents and multiple disciplines film studies history intelligence studies and literature as well as intelligence practitioners offered papers on the literary and cinematic aspects of the spy discussed fact versus fiction in the Bond canon went in search of a global Bond and pondered gender and sexuality across the Bondiverse This volume of essays inspired by that conference suitable for students researchers and anyone interested in Cold War culture makes vital contributions to understanding Bond as a global phenomenon across traditional divisions of East and West and beyond the end of the Cold War from which he emerged *John le Carré and the Cold War* Toby Manning,2018-01-25 John le Carré and the Cold War explores the historical contexts and political implications of le Carré s major Cold War novels The first in depth study of le Carré this century this book

analyses his work in light of key topics in 20th century history including containment of Communism decolonization the Berlin Wall the Cuban missile crisis the Cambridge spy ring the Vietnam War the 70s oil crisis and Thatcherism Examining The Spy Who Came in from the Cold 1963 Tinker Tailor Soldier Spy 1974 Smiley's People 1979 and other novels this book offers an illuminating picture of Cold War Britain while situating le Carr's work alongside that of George Orwell Graham Greene and Ian Fleming Providing a valuable contribution to contemporary understandings of both British spy fiction and post war fiction Toby Manning challenges the critical consensus to reveal a considerably less radical writer than is conventionally presented

The History of British Literature on Film, 1895-2015 Greg M. Colón Semenza,Bob Hasenfratz,Robert J. Hasenfratz,2017-01-26 From The Death of Nancy Sykes 1897 to The Hobbit The Battle of the Five Armies 2014 and beyond cinematic adaptations of British literature participate in a complex and fascinating history The History of British Literature on Film 1895 2015 is the only comprehensive narration of cinema s 100 year old love affair with British literature Unlike previous studies of literature and film which tend to privilege particular authors such as Shakespeare and Jane Austen or particular texts such as Frankenstein or particular literary periods such as Medieval this volume considers the multiple functions of filmed British literature as a cinematic subject in its own right one reflecting the specific political and aesthetic priorities of different national and historical cinemas In what ways has the British literary canon authorized and influenced the history and aesthetics of film and in what ways has filmed British literature both affirmed and challenged the very idea of literary canonicity Seeking to answer these and other key questions this indispensable study shows how these adaptations emerged from and continue to shape the social artistic and commercial aspects of film history

The Spy who Came in from the Cold John Le Carré,1964 From the author of THE HONOURABLE SCHOOLBOY TINKER TAILOR SOLDIER SPY and SMILEY S PEOPLE a thriller about an intelligence agent who has decided to put his life of espionage behind him but first there is one more dangerous assignment to accomplish

The Looking Glass War John Le Carré,2009 The Department has faded since the war effectively mothballed without agents or resources But now with intelligence of a possible missile threat it again has a mission This is a chance to prove its influence to those at the Circus like George Smiley who think the Department s time has passed The opportunity to reclaim former glory cannot be missed even though it means putting men s lives at desperate risk on foreign soil THE LOOKING GLASS WAR ia a gripping story of the amorality of espionage unflinching in its depiction of the men involved who are as much full of vanity and fear as of selflessness and courage

Diplomacy in Postwar British Literature and Culture Caroline Zoe Krzakowski,2023-05-16 In Diplomacy in Postwar British Literature and Culture Krzakowski examines how representations of British envoys diplomats officials and spies in fiction and non fiction by Rebecca West Lawrence Durrell Olivia Manning and John le Carr as well as in the films of Alfred Hitchcock respond to the political instability of the postwar period This study argues that the rise of international relations in the twentieth century shaped modern British fiction and film and offers a new way to trace the continuities between geopolitics and British cultural production in the aftermath of the Second World War

Image and Ideology in Modern/Postmodern Discourse David B. Downing,Susan Bazargan,1991-01-01 This book addresses the function and status of the visual and verbal image as it relates to social political and ideological issues The authors first articulate some of the lost connections between image and ideology then locate their argument within the modernist postmodernist debates The book addresses the multiple trans disciplinary problems arising from the ways cultures

authors and texts mobilize particular images in order to confront conceal work through or resolve contradictory ideological conditions
