hinted at the extent of the activities conducted by Canaris's Abwehr against the Hitler regime and in 1945 Canaris was executed as a national traitor. But Canaris left little in the way of personal documents and to this day he remains a figure shrouded in mystery. Agent Fifi and the Wartime Honeytrap Spies Bernard O'Connor, 2015-08-15 The true story of the Agent Fifi whose mere identity was only disclosed in September 2014 as Marie Chilver. **Pearl Harbor** Craig Nelson, 2017-08 A valuable reexamination. Booklist starred review of the event that changed twentieth century America. Pearl Harbor based on years of research and new information uncovered by a New York Times bestselling author. The America we live in today was born not on July 4, 1776 but on December 7, 1941 when an armada of 354 Japanese warplanes supported by aircraft carriers, destroyers and midget submarines suddenly and savagely attacked the United States, killing 2,403 men and forcing America's entry into World War II. *Pearl Harbor: From Infamy to Greatness* follows the sailors, soldiers, pilots, diplomats, admirals, generals, emperor and president as they engineer, fight and react to this stunningly dramatic moment in world history. Beginning in 1914, bestselling author Craig Nelson maps the road to war when Franklin D. Roosevelt, then the Assistant Secretary of the Navy, attended the laying of the keel of the USS Arizona at the Brooklyn Navy Yard. Writing with vivid intimacy, Nelson traces Japan's leaders as they lurch into ultranationalist fascism which culminates in their scheme to terrify America with one of the boldest attacks ever waged. Within seconds the country would never be the same. Backed by a research team's five years of work as well as Nelson's thorough re-examination of the original evidence assembled by federal investigators, this page-turning and definitive work weaves archival research, interviews and personal experiences from both sides into a blow-by-blow narrative of destruction liberally sprinkled with individual heroism, bizarre escapes and equally bizarre tragedies. Kirkus Reviews: Nelson delivers all the terror, chaos, violence, tragedy and heroism of the attack in stunning detail and offers surprising conclusions about the tragedy's unforeseen and resonant consequences that linger even today. *Classified!* Nigel West, 2024-02-29 Over the past fifty years, Nigel West has been involved in almost every espionage-related investigation, breakthrough or revelation that you can think of. His molehunts have led to the unmasking of spies within MI5, MI6 and the CIA and the identification of numerous others, some of whom were crucial to the Allied victory in the Second World War and would have died without any public recognition if not for him. His first encounter with the intelligence community was a lecture given at his school by John le Carr, the guest of a Benedictine monk who had recently retired from MI6. Later, West worked as a researcher for SOE agent Ronnie Seth, who was sentenced to death by the Nazis after being captured during Operation Blunderhead and exposed two of the Cambridge spies recruited by Anthony Blunt. For the fortieth anniversary of the D-Day landings, West traced the double agent codenamed Garbo and brought him to London so he could be decorated at Buckingham Palace. As action-packed as the lives of the spies he has written about, this is the story of the most enthralling

and significant post war intelligence revelations as told by Britain's most authoritative writer on espionage and the secret services

The Tango War Mary Jo McConahay, 2024-03-26 One of WW2 Reads Top 20 Must Read WWII Books of 2018 A Christian Science Monitor Best Book of September One of The Progressive's Favorite Books of 2018 The gripping and little known story of the fight for the allegiance of Latin America during World War II The Tango War by Mary Jo McConahay fills an important gap in WWII history Beginning in the thirties both sides were well aware of the need to control not just the hearts and minds but also the resources of Latin America The fight was often dirty residents were captured to exchange for U S prisoners of war and rival spy networks shadowed each other across the continent At all times it was a Tango War in which each side closely shadowed the other's steps Though the Allies triumphed at the war's inception it looked like the Axis would win A flow of raw materials in the Southern Hemisphere at a high cost in lives was key to ensuring Allied victory as were military bases supporting the North African campaign the Battle of the Atlantic and the invasion of Sicily and fending off attacks on the Panama Canal Allies secured loyalty through espionage and diplomacy including help from Hollywood and Mickey Mouse while Jews and innocents among ethnic groups Japanese Germans paid an unconscionable price Mexican pilots flew in the Philippines and twenty five thousand Brazilians breached the Gothic Line in Italy The Tango War also describes the machinations behind the greatest mass flight of criminals of the century fascists with blood on their hands who escaped to the Americas A true shocking account that reads like a thriller The Tango War shows in a new way how WWII was truly a global war
