## **Spying 101 The Rcmps Secret Activities At Canadian Universities 1917 1997:**

**Spying 101** Steve Hewitt,2002-01-01 Since the end of the First World War members of the RCMP have infiltrated the campuses of Canada s universities and colleges to spy meet informants gather information and on occasion to attend classes

**Snitch!** Steve Hewitt,2010-02-01 Snitch offers a vivid account of how some citizens actively assist state surveillance by informing on others     Building Sanctuary Jessica Squires,2013-09-20 Canada enjoys a reputation as a peaceable kingdom and a refuge from militarism Yet Canadians during the Vietnam War era met American war resisters not with open arms but with political obstacles and public resistance and the border remained closed to what were then called draft dodgers and deserters Between 1965 and 1973 a small but active cadre of Canadian antiwar groups and peace activists launched campaigns to open the border Jessica Squires tells their story often in their own words Interviews and government documents reveal that although these groups ultimately met with success in the process shaping Canadian identity and Canada s relationship with the United States they had to overcome state surveillance and resistance from police politicians and bureaucrats Building Sanctuary not only brings to light overlooked links between the anti draft movement and Canadian immigration policy it challenges cherished notions about Canadian identity and Canada in the 1960s     *Identifying as Arab in Canada* Houda Asal,2020-10-11T00:00:00Z While Arabs now attract considerable attention from media the state and sociological studies their history in Canada remains little known Identifying as Arab in Canada begins to rectify this invisibilization by exploring the migration from Machrek the Middle East to Canada from the late 19th century through the 1970s Houda Asal breathes life into this migratory history and the people who made the journey and examines the public collective existence they created in Canada in order to understand both the identity Arabs have constructed for themselves here and the identity that has been constructed for them by the Canadian state Using archival research media analysis laws and statistics and a series of interviews Asal offers a thorough examination of the institutions these migrants and their descendants built and the various ways they expressed their identity and organized their religious social and political lives Identifying as Arab in Canada offers an impressively researched but accessibly written much needed glimpse into the long history of the Arab population in Canada     *Search for the Unknown* Matthew Hayes,2022-04-15 Beginning in the 1950s alleged sightings of unidentified flying objects in Canadian skies bred tension between the state and its citizens While the public demanded to know more about the phenomenon government officials appeared unconcerned and unresponsive Suspicion of government deepened among certain sectors of Canadian society in the decades that followed leading to demands for greater public transparency and a new kind of citizen activism In Search for the Unknown Matthew Hayes uncovers the history of the Canadian government s investigations into reports of UFOs revealing how these reports were handled deflected and defended from 1950 to the 1990s During this period Canadians filed more than 5 000 reports of UFO sightings many with striking descriptions and illustrations with branches of government and law enforcement Although the

government conducted some exploratory studies officials were unable to solve the mystery of UFOs or provide satisfactory answers about their alleged existence and they soon declared the matter closed Dissatisfied citizens responded by taking matters into their own hands starting UFO clubs and civilian investigation groups and accusing the government of a cover up A mutual mistrust developed between citizens who were suspicious of their government and officials who dismissed their fears and anxieties This provided fertile ground for anti authoritarian attitudes and the cultivation of conspiracy theories In an era of political division and amid heightened awareness of states responsibilities for their citizens Search for the Unknown reveals the challenges that governments face in responding to public anxieties and preserving trust in public institutions

**The Sixties in Canada** M. Athena Palaeologu,2009 An extraordinary work that brings to life the events and trends of the 60s in Canada *Law, Privacy and Surveillance in Canada in the Post-Snowden Era* Michael Geist,2015-05-28 Years of surveillance related leaks from US whistleblower Edward Snowden have fueled an international debate on privacy spying and Internet surveillance Much of the focus has centered on the role of the US National Security Agency yet there is an important Canadian side to the story The Communications Security Establishment the Canadian counterpart to the NSA has played an active role in surveillance activities both at home and abroad raising a host of challenging legal and policy questions With contributions by leading experts in the field *Law Privacy and Surveillance in Canada in the Post Snowden Era* is the right book at the right time From the effectiveness of accountability and oversight programs to the legal issues raised by metadata collection to the privacy challenges surrounding new technologies this book explores current issues torn from the headlines with a uniquely Canadian perspective Published in English Laurentian University Linda McGuire Ambrose,2010 Linda Ambrose Matt Bray Sara Burke Donald Dennie et Guy Gaudreau The fascinating story of Laurentian University s growth and innovations in post secondary education **Riding to the Rescue** Steve Hewitt,2006-12-15 The Mountie may be one of Canada s best known national symbols yet much of the post nineteenth century history of the Royal Canadian Mounted Police remains unexamined particularly the period between 1914 and 1939 when the RCMP underwent enormous transformation The nature of this transformation as it took place in Alberta and Saskatchewan where the Mounties have traditionally dominated policing is the focus of Steve Hewitt s *Riding to the Rescue* During the 1914 to 1939 period the nineteenth century model of the RCMP was evolving into a twentieth century version and the institution that emerged responded to a nation that was being transformed as well Forces such as industrialization mass immigration urbanization and political radicalism compelled the Mounties to look away from the frontier and toward a new era Incorporating previously classified material which explores the RCMP both in the context of its ordinary policing role and in its work as Canada s domestic spy agency Hewitt demonstrates how much of the impetus behind the RCMP s transformation was ensuring its own survival and continued relevance *Riding to the Rescue* is a provocative and incisive look behind one of Canada s most enduring icons at the cusp of the modern era Bucking Conservatism Leon Crane Bear,Larry Hannant ,Karissa Robyn Patton,2021-11-25

With lively informative contributions by both scholars and activists *Bucking Conservatism* highlights the individuals and groups who challenged Alberta's conservative status quo in the 1960s and 70s Drawing on archival records newspaper articles police reports and interviews the contributors examine Alberta's history through the eyes of Indigenous activists protesting discriminatory legislation and unfulfilled treaty obligations women and lesbian and gay persons standing up to the heteropatriarchy student activists seeking to forge a new democracy and anti capitalist environmentalists demanding social change This book uncovers the lasting influence of Alberta's nonconformists those who recognized the need for dissent in a province defined by wealth and right wing politics and poses thought provoking questions for contemporary activists

*An Exceptional Law* Dennis G. Molinaro, 2017-01-01 *An Exceptional Law* showcases how the emergency law used to repress labour activism during the First World War became normalized with the creation of Section 98 of the Criminal Code following the Winnipeg General Strike

*Conversations with Trotsky* Bruce Nesbitt, 2017-05-09 This collection presents all of Earle Birney's known published and unpublished writings on Trotsky and Trotskyism for the very first time It includes their correspondence as well as a selection of Birney's letters and literary writings Before he became one of Canada's most influential and popular twentieth century poets Earle Birney lived a double life To his students and colleagues he was an engaging university lecturer and scholar But for seven years from 1933 to 1940 the great Russian revolutionary Leon Trotsky was the focus of his writing and much of his life During his years as a Trotskyist in Canada the United States and England Birney wrote extensively about Trotsky corresponded with him organized Trotskyist cells in two countries and recruited on behalf of Trotskyism he also lectured on Trotsky and interviewed him over the course of several days One of his two novels is based on some of these activities The collection traces the origins of Trotsky's mistrust of the British to his experiences in Canada shows Birney's influence on a major shift in Trotsky's policy of entrism in British politics includes the largest body of Trotskyist criticism in Canadian literary history and demonstrates the need for a radical re-reading of Birney's poetry in light of his Trotskyism

*Schooling the System* Funké Aladejebi, 2021-03-05 In post World War II Canada black women's positions within the teaching profession served as sites of struggle and conflict as the nation worked to address the needs of its diversifying population From their entry into teachers college through their careers in the classroom and administration black women educators encountered systemic racism and gender barriers at every step So they worked to change the system Using oral narratives to tell the story of black access and education in Ontario between the 1940s and the 1980s *Schooling the System* provides textured insight into how issues of race gender class geographic origin and training shaped women's distinct experiences within the profession By valuing women's voices and lived experiences Funk Aladejebi illustrates that black women as a diverse group made vital contributions to the creation and development of anti racist education in Canada As cultural mediators within Ontario school systems these women circumvented subtle and overt forms of racial and social exclusion to create resistive teaching methods that centred black knowledges and traditions Within their wider communities

and activist circles they fought to change entrenched ideas about what Canadian citizenship should look like As schools continue to grapple with creating diverse educational programs for all Canadians *Schooling the System* is a timely excavation of the meaningful contributions of black women educators who helped create equitable policies and practices in schools and communities

**Stand on Guard** Stephanie Carvin, 2021-06-01 In *Stand on Guard* Stephanie Carvin sets out to explain the range of activities considered national security threats by Canadian security services today As new forms of terrorism and extremism appear especially online we need a responsibly widened view of such threats and how they manifest in the contemporary world Canadians should not be more fearful Carvin explains but a more sophisticated understanding among security services personnel and the general public is needed if we are to anticipate and ameliorate threats to national security As a former security analyst tasked with providing threat assessments to high levels of government Carvin writes with both authority and urgency Her book presents an insider's look at the issues facing the Canadian security and intelligence community Timely and accessible *Stand on Guard* will be required reading for scholars practitioners and any Canadian concerned about national security in the twenty first century

Jensen, 2009-01-01 Kurt F Jensen argues that Canada was a more active intelligence partner in the Second World War alliance than has previously been suggested He describes Canada's contributions to Allied intelligence before the war began as well as the distinctly Canadian activities that started from that point He reveals how the government created an intelligence organization during the war to aid Allied resources This is a convincing portrait of a nation with an active role in Second World War intelligence gathering one that continues to influence the architecture of its current capabilities

**Gender, Sexuality, and the Cold War** Philip E. Muehlenbeck, 2021-04-30 As Marko Duman i writes in his introduction to *Gender Sexuality and the Cold War* despite the centrality of gender and sexuality in human relations their scholarly study has played a secondary role in the history of the Cold War It is not an exaggeration to say that few were left unaffected by Cold War gender politics even those who were in charge of producing disseminating and enforcing cultural norms were called on to live by the gender and sexuality models into which they breathed life This underscores the importance of this volume as here scholars tackle issues ranging from depictions of masculinity during the all consuming space race to the vibrant activism of Indian peasant women during this period to the policing of sexuality inside the militaries

of the world Gender Sexuality and the Cold War brings together a diverse group of scholars whose combined research spans fifteen countries across five continents claiming a place as the first volume to examine how issues of gender and sexuality impacted both the domestic and foreign policies of states far beyond the borders of the United States during the tumult of the Cold War

**Putting the State on Trial** Margaret E. Beare, Nathalie Des Rosiers, Abigail C. Deshman, 2015-04-01 Canada is often lauded as a model democracy that values the constitutional rights of its citizens So when over a thousand people most of whom were peaceful protesters or hapless bystanders were violently arrested and then detained without charge during the G20 Summit in Toronto in 2010 many Canadians felt shock and outrage Putting the State on Trial The Policing of Protest during the G20 Summit examines the political social and economic conditions that allowed the policing of the summit to culminate in human and civil rights violations Written by a multi disciplinary group of scholars and legal practitioners this book contextualizes events before during and after the summit from a range of perspectives Although the G20 protests serve as a point of departure in every chapter the contributing authors engage with larger questions about the control of dissent the impact of the securitization and internationalization of Canadian politics the implications of legal uncertainty and the accountability vacuum
