Hollywood and its place in the history of film radio and television **Making the White Man's Indian** Angela Aleiss,2005-05-30 The image in Hollywood movies of savage Indians attacking white settlers represents only one side of a very complicated picture In fact sympathetic portrayals of Native Americans stood alongside those of hostile Indians in the silent films of D W Griffith and Cecil B DeMille and flourished during the early 1930s with Hollywood s cycle of pro Indian adventures Decades later the stereotype became even more complicated as films depicted the savagery of whites The Searchers in contrast to the more peaceful Indian Broken Arrow By 1990 the release of Dances with Wolves appeared to have recycled the romantic and savage portrayals embedded in early cinema In this new study author Angela Aleiss traces the history of Native Americans on the silver screen and breaks new ground by drawing on primary sources such as studio correspondence script treatments trade newspapers industry censorship files and filmmakers interviews to reveal how and why Hollywood created its Indian characters Behind the scenes anecdotes of filmmakers and Native Americans as well as rare archival photographs supplement the discussion which often shows a stark contrast between depiction and reality The book traces chronologically the development of the Native American s screen image while also examining many forgotten or lost Western films Each chapter will feature black and white stills from the films discussed **The Squaw Man** Edwin Milton Royle,2016 *Cecil B. DeMille's Hollywood* Robert S. Wattenberg,2011-05-23 Frontier dramas were among the most popular and successful of early twentieth century Broadway type plays The long runs of contemporary dramas not only indicate the popularity of these plays but also tell us that these plays offered views about the frontier that original audiences could and did embrace **The Throwback** Alfred Henry

Lewis,1906 *Empire of Dreams* Scott Eyman,2010-09-07 BEST KNOWN AS THE DIRECTOR of such spectacular films as *The Ten Commandments* and *King of Kings* Cecil B DeMille lived a life as epic as any of his cinematic masterpieces As a child DeMille learned the Bible from his father a theology student and playwright who introduced Cecil and his older brother William to the theater Tutored by impresario David Belasco DeMille discovered how audiences responded to showmanship sets lights costumes etc He took this knowledge with him to Los Angeles in 1913 where he became one of the movie pioneers in partnership with Jesse Lasky and Lasky s brother in law Samuel Goldfish later Goldwyn Working out of a barn on streets fragrant with orange blossom and pepper trees the Lasky company turned out a string of successful silents most of them directed by DeMille who became one of the biggest names of the silent era With films such as *The Squaw Man* *Brewster s Millions* *Joan the Woman* and *Don t Change Your Husband* he was the creative backbone of what would become Paramount Studios In 1923 he filmed his first version of *The Ten Commandments* and later a second biblical epic *King of Kings* both enormous box office successes Although his reputation rests largely on the biblical epics he made DeMille s personal life was no morality tale He remained married to his wife Constance for more than fifty years but for most of the marriage he had three mistresses simultaneously all of whom worked for him He showed great loyalty to a small group of actors who knew his style but he also discovered some major stars among them Gloria Swanson Claudette Colbert and later Charlton Heston DeMille was one of the few silent era directors who made a completely successful transition to sound In 1952 he won the Academy Award for Best Picture with *The Greatest Show on Earth* When he remade *The Ten Commandments* in 1956 it was an even bigger hit than the silent version He could act too in Billy Wilder s classic film *Sunset Boulevard* DeMille memorably played himself In the 1930s and 1940s DeMille became a household name thanks to the Lux Radio Theater which he hosted But after falling out with a union he gave up the program and his politics shifted to the right as he championed loyalty oaths and Sen Joseph McCarthy s anticommunist witch hunts As Scott Eyman brilliantly demonstrates in this superbly researched biography which draws on a massive cache of DeMille family papers not available to previous biographers DeMille was much more than his clich d image A gifted director who worked in many genres a devoted family man and loyal friend with a highly unconventional personal life a pioneering filmmaker DeMille comes alive in these pages a legend whose spectacular career defined an era *The Snowy Range Gang* Mike Blakely,2025-08-22 Claude Duval thought he was through with rustlers and killers when he left Texas for Wyoming But the retired livestock detective soon finds ranch hands turning up dead and cattle missing It looks like the work of Lone Wolf Wolverton who murdered Duval s partner years ago But Lone Wolf who s done his time and gone straight rides to Duval s ranch looking for a chance to prove he s being framed Out of leads the lawman reluctantly accepts help from the man he s sworn to kill and the unlikely pair teams up to track down the real rustlers and killers the Snowy Range Gang At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **The Frontier Challenge** John G. Clark,2021-10-29 The story of the westward expansion of this country

does not stop with the hardships encountered by travelers on the Mormon Trail the discomforts endured by early settlers in sod houses the bravery of the Pony Express riders the romantic solitude of the cowboys or the sufferings of the Indians forced to abandon their homes bleak and alien country Much has been written about these colorful episodes and through the courtesy of Hollywood and TV has been brought into millions of homes in living color But what happened to the people including the Indians who survived the great raid on Fort X the bitter winters and scorching summers spent in primitive housing the terrible loneliness and lack of communication with eastern kin What did migrants do when they reached the end of the Mormon Trail And did the Cherokee Trail of tears become a never ending journey from one relocation to another How did people develop and accommodate themselves to an environment which was itself constantly altered by an ever changing society In these essays we find that tragedy and joy victory and defeat human fulfillment and human degradation are visible in roughly equal proportions in the story of the Americanization of the West that the goals both realistic and unrealistic of one group society or culture are frequently pursued only at the expense of other groups and that the skeletons in the closet of American history abound to a greater extent than a nation convinced of its own virtue is willing to admit Racism has plagued the nation since its inception and exploitation of one group by another was sadly a part of the Western frontier However there was a freshness and vigor in the history of the West Young railroads continued to grow linking productive farms with brawling cities New businesses and new political parties emerged all contributing to the growth of the region that Stephen A Douglas called the adhesive of the Union These essays do not add up to a complete history of the Trans Mississippi West rather each historian has pursued his own particular research interest and various topics and settings are presented in this volume The result is a fascinating collection that serves to illuminate both the tragedies and accomplishments of the westward movement

From Movie City to Music City, USA Randall Rutledge, 2008-12 If you're interested in working in movies or making music and you were not privileged to be born the son or daughter of an already established named actor writer or musician that can open the door for you then this book is your guide Should you decide to take that leap from the normal to what everyone else considers the abnormal career choice the advice in this book can not only save you months and years of getting that first background artist job but can also save you hundreds and thousands of dollars that you do not need to spend in pursuit of the entertainment industry as a career Consider this book a basic training manual a no punches pulled guide to the obstacles that you are guaranteed to face while pursuing entertainment as the industry of your choice The main focus of this book is to educate those that wish to pursue show business regardless of one's area of interest within the performing arts whether one wants to be an actor or writer producer or director songwriter or recording artist They all have one ugly thing in common and that is the con artist They will promise you the world just to empty the contents of your wallet and bank account They will prey upon your dreams so that their gain is your nightmare Let this book be your shield for those that will use unscrupulous and unethical tactics against you While pursuing the entertainment industry as a career you will

also be confronted with more obstacles walls and closed doors that will be just as disappointing as getting ripped off One thing you will find is that if you can't handle rejection and do not have thick skin then the entertainment industry definitely isn't for you However if you can keep getting back on that horse no matter how many times it throws you then this book will help you keep dusting yourself off and staying in the saddle Consider me as your wagon master guiding you through dangerous territory with all of its unpleasantness and uncertainties although I can't guarantee the success of your journey through show business as can no one I can at least point you in the right direction so you won't be lured off the beaten path by the bandits that hide and wait for you There will be those that will tell you that you will not succeed but in my opinion if your only goal is to work in movies and you only work as a movie extra then you have succeeded as success itself has many levels and one has to start somewhere Trust me some of today's big names were also once told go home you'll never make it and now they have a net worth of over 600 000 000 00 You may never become the 600 000 000 00 man or woman but no matter follow your heart do what you love and love what you do Everybody's Magazine ,1910 Race in American Film Daniel Bernardi,Michael Green,2017-07-07 This expansive three volume set investigates racial representation in film providing an authoritative cross section of the most racially significant films actors directors and movements in American cinematic history Hollywood has always reflected current American cultural norms and ideas As such film provides a window into attitudes about race and ethnicity over the last century This comprehensive set provides information on hundreds of films chosen based on scholarly consensus of their importance regarding the subject examining aspects of race and ethnicity in American film through the historical context themes and people involved This three volume set highlights the most important films and artists of the era identifying films actors or characterizations that were considered racist were tremendously popular or hugely influential attempted to be progressive or some combination thereof Readers will not only learn basic information about each subject but also be able to contextualize it culturally historically and in terms of its reception to understand what average moviegoers thought about the subject at the time of its popularity and grasp how the subject is perceived now through the lens of history **The Snowy Range Gang and Vendetta Gold** Mike Blakely,2017-01-03 Two memorable Western novels from Spur Award winning author Mike Blakely A retired detective pairs up with a sworn enemy to solve a series of countryside murders in Snowy Range Gang and an atoning criminal goes on a dangerous adventure seeking lost treasure in Vendetta Gold The Snowy Range Gang Claude Duval thought he was through with rustlers and killers when he left Texas for Wyoming But the retired livestock detective soon finds ranch hands turning up dead and cattle missing It looks like the work of Lone Wolf Wolverton who murdered Duval's partner years ago But Lone Wolf who's done his time and gone straight rides to Duval's ranch looking for a chance to prove he's being framed Out of leads the lawman reluctantly accepts help from the man he's sworn to kill and the unlikely pair teams up to track down the real rustlers and killers the Snowy Range Gang Vendetta Gold A bloody family feud sent Roy Huckaby to a dusty Texas prison

for three years Now that he s out he vows to follow the straight and narrow and to ride alone into a solid new life But when a dying vaquero gives him a treasure map the opportunity is too exciting to pass up Roy starts out on a path he hopes will lead to incalculable wealth only to find it s bordered with dangerous pitfalls and unexpected romance At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **Outing and the Wheelman** ,1906
