She didn't expect him to want her for himself. Marked as a Breeder, Georgia was meant to be trained, broken, and sold to another demon. Kesh was only supposed to prepare her body, awaken her dominance, make her submission absolute, then walk away. But one taste ruined everything. Now he's obsessed. And if he can't give her up, he won't just lose his throne. He'll bring Hell itself to their door. Perfect for fans of dark paranormal romance, possessive alpha males, reluctant obsession, and emotionally wrecked monsters who fall too hard. Book 2 in the Demon's Mark series. House, Committee on Energy and Commerce, Subcommittee on Telecommunications and Finance, 1990. **The Prince and the Delida** **The Prince and the Peasant** Meowstopheles, 2024-06-24. In a mystical world still recovering from a great war where generations of countless species suffered, a very pretty albeit apathetic child prince is haunted by a malicious shadow monster and unable to connect with those around him. As the young prince slowly grows, his eccentric father, the immature king, devises a plan to get his son a friend, and a local festival competition lands a peasant boy the grand prize of the prince himself. The peasant boy, Rar, has struggles of his own, being only half-human in a society of humans. While being constantly surrounded by those who hate him for being a delida halfling, Rar is shocked, disappointed, and angry when he finds out that his marvelous prize is the prince. Rar's worries of being the prince's pet quickly fade after he discovers that the cold-seeming prince cares a lot more than he seems, and the two quickly become best friends. Prince Lucius and Rar have lots of fun together, even with the Shadow Monster clinging to the prince and a mysterious Dark Figure following the two around. The Dark Figure appears everywhere and, although more often than not, is unseen and unheard by the two boys, seems to have

more than a hand involved with the world around them After a massive festering flesh monster attacks Rar starts to accept the fact that even though Prince Lucius is a boy he still has feelings for him But how do you tell your best friend you like them Especially when everyone knows that princes like princesses not peasant boys Then two princes from a neighboring kingdom visit Prince Lucius is Rar being replaced With social structures judgmental jesters worried mothers and an endlessly disappearing reappearing Dark Figure will the two friends manage to stay friends or possibly even find love within their friendship or will the two end up meeting a fate far worse than death [Alien Prince's Son](#) Anna Lewis,2020-04-02 A lost princess or a lost cause Melody Harp is taken by a handsome blue skinned prince who claims she is the key to his planet s liberation In the city that never sleeps Melody Harp has found her boring life to be unfulfilling Her career is relatively normal working for a successful graphic design company that only seems to pass the time But she s distracted A reoccurring dream of flashing lights and humming discs remains in the back of her mind until she finally encounters the source an alien prince from a distant planet The blue skinned prince named Tezod Moss appears to her suddenly during a night out and insists she is a princess of the planet Efloe Their connection is instantaneous and Melody falls for him immediately the puzzle of her dream finally coming together with a passionate kiss But the planet is in disarray The Eflorian people have only one hope and that hope is her Could she really be the lost princess or has her dream seeped into her reality A stand alone story with guaranteed HEA **THE PRINCE'S BABY** Lisa Kaye Laurel,2011-07-15 ROYAL WEDDINGS ROYAL WEDDINGS Three small town women find happily ever after with three irresistible princes A PRINCE OF A DADDY Convinced she was a princess a six year old girl sent Prince Whit Anders a message beseeching him to prove her right Which gave the child s single mom Drew Davis cause for concern After all Drew and the prince had shared a magical summer long ago and her daughter s claim to royalty wasn t as far fetched as everyone thought When His Royal Highness Whit Anders discovered that he and lovely Drew had made more than a sweet teenage memory he was ready to claim their child as his heir But winning the beautiful and independent woman would put his reputation as the Prince of Hearts to the test [Boys' Life](#) ,1983-08 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting [A Bumpy Ate My Homework](#) Eleanor Hudson,1995 [The Awakening of the Light](#) Emma Lamb,2025-07-01 In the Kingdom of Paradisia a thousand years ago a fierce battle raged between The Light and The Darkness shaping the destiny of the entire realm The Chosen vessels The King and his brother fell in battle and the loss marked the end of an era or so they thought Awakening from the ashes The Light and The Darkness resurface in the present day Will the echoes of the past seal the kingdom s fate or can a glimmer of hope emerge from the shadows Victoria an unsuspecting girl from the Kingdom of Beltophia is bound by ancient prophecy Unraveling hidden depths of power within herself she defies the very boundaries of existence Journey alongside Victoria in AWAKENING OF THE LIGHT as she battles the forces of good and evil her every step fraught with danger and challenges [The Last Supper](#)

Paul Elie, 2025-05-27 This enthralling group portrait brings to life a moment when popular culture became the site of religious strife that set the stage for some of the most salient political and cultural clashes of our day. Circa 1980, tradition and authority are in the ascendant both in Catholicism via Pope John Paul II and in American civic life through the Moral Majority and the so-called televangelists. But the public is deeply divided on issues of body and soul, devotion and desire. Enter the figures Paul Elie calls cryptoreligious: Here is Leonard Cohen writing Hallelujah on his knees in a Times Square hotel room; Andy Warhol adapting Leonardo's The Last Supper in response to the AIDS pandemic; Prince making the cross and altar into signs of the times. Through Toni Morrison's spirits speak from the grave, Patti Smith and Bruce Springsteen deepen the tent revival intensity of their work; Wim Wenders offers an angel's-eye view of Berlin; U2, the Neville Brothers, and Sinéad O'Connor reckon with their Christian roots in music of mystic yearning. And Martin Scorsese overcomes fundamentalist ire to make The Last Temptation of Christ a struggle that anticipates Salman Rushdie's struggle with Islam in The Satanic Verses. In Elie's acclaimed first book, The Life You Save May Be Your Own, Catholic writers ventured out into the wilds of postwar America; in this book, creative figures who were raised religious go to the margins of conventional belief, calling forth controversy. Episodes such as the boycott sparked by Madonna's Like a Prayer video and the tearing up of Andres Serrano's Piss Christ in Congress are early skirmishes in the culture wars, but here the creators, not the politicians, are the protagonists, and the work they make speaks to conflicts that remain unsettled. The Last Supper explores the bold and unexpected forms an encounter with belief can take. It traces the beginnings of our postsecular age in which religion is at once surging and in decline. Through a propulsive narrative, it reveals the crypto-religious imagination as complex, credible, daring, and vividly recognizable.

The Management Style of the Supreme Beings Tom Holt, 2017-06-20 When the Supreme Being and his son decide that being supreme isn't for them any more, it's inevitable that things get a bit of a shake-up. It soon becomes apparent that our new owners, the Venturi brothers, have a very different perspective on all sorts of things. Take Good and Evil, for example. For them, it's an outdated concept that never worked particularly well in the first place. Unfortunately, the sudden disappearance of right and wrong, while welcomed by some, raises certain concerns amongst those still attached to the previous team's management style. In particular, there's one of the old gods who didn't move out with the others. A reclusive chap, he lives somewhere up north and only a handful even believe in him. But he's watching. And he really does need to know if you've been naughty or nice.
