Sociology Of Giving

**Kansas City Public Library (Kansas
City, Mo.)**

Sociology Of Giving:

Sociology of Giving Helmuth Berking, 1999-09-20 We all give and receive gifts But few of us reflect on the risks and uncertainties inherent to this form For example to give means to acquire power to effect a symbolic exchange to initiate ties and alliances to convey social messages to others and to classify our own status Gift giving is also a device to register honour and shame to show solidarity to equalize and to create intimacy This fascinating volume looks at the ambivalence of gift giving contemporary gift giving its motives occasions and its rules examines sacrifice food sharing and gift giving as those basic institutions upon which symbolic orders of traditional society rely and considers the historical invention of hospitality paving the

Gift Giving Cele Otnes, Richard Francis Beltramini, 1996 Gift Giving brings together 21 scholars from a variety of disciplines including consumer behavior communications and sociology who are dedicated to the understanding of what motivates gift selection presentation and incorporation of a gift into a person's life The text explores the role of values in gift exchange the influence of ethnic generational and subcultural differences in gift exchange how gifts to the self are manifested and new directions and topics in gift giving In these essays gift giving occasions are probed for the meanings that can be illuminated with respect to this pervasive yet not always positive phenomenon For anyone interested in gift giving behavior this volume should prove both enlightening and provocative

Moral Economy : Gift Giving in an Urban Society Cheal, David J, University of Manitoba. Department of Sociology, Winnipeg Area Study, 1985 *The Kansas City Public Library Quarterly* Kansas City Public Library (Kansas City, Mo.), 1901 Publication of the American Sociological Society American Sociological Association, 1929 List of members in v 1 5 25 28 supplemental list in v 26 27 **The Journal of Social Forces** , 1924 **The School Review** , 1926 *Annual Catalog* Missouri Valley College, Marshall, Mo, 1925

Beyond Sociology's Tower of Babel Bernard S. Phillips, 2001 To look outside the discipline of sociology is to find little credibility given to the field as science Bernard Phillips argues that we are learning to see ever more clearly the contradiction between scientific standards and what in fact has been achieved by sociology Instead of knowledge based on the full range of our findings we have separate pieces of knowledge located within the diverse areas of the discipline and fads and fashions in the ideas and terms we use with relatively little cumulative development This has led many to question whether any scientific method can be applied to human behavior If the arguments and alternative interpretations in this book on the problematic nature of sociology's use of scientific method prove to be credible and fruitful then the implications are profound For example the conclusions drawn for every single social science study that has ever been conducted would be open to reinterpretation because they fail to take into account systematically the enormous complexity involved within any given instance of human behavior Our present approach assumes implicitly that the pieces of the human jigsaw puzzle can at some point be put together so as to yield a coherent picture Yet as Phillips shows if each piece is itself deficient then no coherent picture emerges when we attempt to put the pieces together Refusing to take the current fragmentation of

sociology as inevitable Phillips offers a clear vision through a series of heuristic web images of how sociologists might achieve the cumulative development and credibility that are the hallmarks of any science His research draws heavily on the works of classical and contemporary theorists philosophers and historians of science as well as on postmodernist critiques and responses to postmodernism This reconstruction will be useful for courses in method in the study of the classical tradition of sociology Bernard Phillips was introduced to sociology at Columbia University by C Wright Mills A former professor of sociology at Boston University cofounder of the ASA Section on Sociological Practice and founder of the Sociological Imagination Group his publications emphasize methodology and theory *Living Sociologically* Ronald N. Jacobs, Eleanor Townsley, 2025-02-15 *Living Sociologically* is built around a contemporary applied framework that is designed to help students find their place in a complex and contradictory social world Students who enroll in today's introductory sociology courses are already familiar with concepts such as inequality privilege conflict power and structure yet they do not realize how a sociological understanding of these concepts can help them to make sense of and enact change in their diverse social worlds *Living Sociologically* pairs central sociological concepts together Power and Resistance Inequality and Privilege Solidarity and Conflict Structure and Contingency and Global and Local giving students a framework and a set of tools to help them develop their sociological imaginations For example to understand the sociological and cultural meaning of wealth you also need to understand the sociological and cultural meaning of poverty These pairings illustrated and reinforced through abundant contemporary examples and case studies offer students relevant opportunities for thinking intersectionally and discovering the many ways in which sociological forces are at play in their lives **Routledge Library Editions: British Sociological Association** Various, 2021-07-14 The volumes in this set originally published between 1969 and 2001 is comprised of original books published in conjunction with the British Sociological Association The set draws together original research by leading academics based on study groups and conference papers in the areas of youth race the sociology of work gender social research urban studies class deviance and social control law development and health Each volume provides a rigorous examination of related key issues This set will be of particular interest to students and academics in the field of sociology health and social care gender studies and criminology respectively *Encyclopedia of the Social and Cultural Foundations of Education* Eugene F. Provenzo, Jr., 2008-10-29 More than any other field in education the social and cultural foundations of education reflect many of the conflicts tensions and forces in American society This is hardly surprising since the area focuses on issues such as race gender socioeconomic class the impact of technology on learning what it means to be educated and the role of teaching and learning in a societal context The *Encyclopedia of the Social and Cultural Foundations of Education* provides a comprehensive introduction to the social and cultural foundations of education With more than 400 entries the three volumes of this indispensable resource offer a thorough and interdisciplinary view of the field for all those interested in issues involving schools and society **Key Features** Provides an interdisciplinary perspective

from areas such as comparative education educational anthropology educational sociology the history of education and the philosophy of education Presents essays on major movements in the field including the Free School and Visual Instruction movements Includes more than 130 biographical entries on important men and women in education Offers interpretations of legal material including Brown v Board of Education 1954 and the GI Bill of Rights Explores theoretical debates fundamental to the field such as religion in the public school curriculum rights of students and teachers surveillance in schools tracking and detracking and many more Contains a visual history of American education with nearly 350 images and an accompanying narrative Key Themes Arts Media and Technology Curriculum Economic Issues Equality and Social Stratification Evaluation Testing and Research Methods History of Education Law and Public Policy Literacy Multiculturalism and Special Populations Organizations Schools and Institutions Religion and Social Values School Governance Sexuality and Gender Teachers Theories Models and Philosophical Perspectives A Visual History of American Education **University of North Carolina Extension Bulletin** University of North Carolina (1793-1962). University Extension Division, 1926 **Popular Science** , 1894-07 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better *Publication of the American Sociological Society* , 1917 Gifts Richard Hyland, 2009 Over the past two thousand years Western legal systems have had to alter some of their most basic principles in order to regulate the giving of gifts This is a study of how legal concepts from the marketplace have been reshaped to accommodate a fundamentally different type of social practice Richard Hyland examines the law of gifts in England India and the United States and in Belgium France Germany Italy and Spain Gifts also surveys the extensive discussion about gift giving in anthropology history economics philosophy and sociology In addition Hyland offers a critique of the functionalist method in comparative law and demonstrates the benefits of an interpretive approach *From Anthropology to Social Theory* Arpad Szakolczai, Bjørn Thomassen, 2019-01-17 Presenting a ground breaking revitalization of contemporary social theory this book revisits the rise of the modern world to reopen the dialogue between anthropology and sociology Using concepts developed by a series of maverick anthropologists who were systematically marginalised as their ideas fell outside the standard academic canon such as Arnold van Gennep Marcel Mauss Paul Radin Lucien Lévy-Bruhl and Gregory Bateson the authors argue that such concepts are necessary for understanding better the rise and dynamics of the modern world including the development of the social sciences in particular sociology and anthropology Concepts discussed include liminality imitation schismogenesis and trickster which provide an anthropological toolkit for readers to develop innovative understandings of the underlying power mechanisms of globalized modernity Aimed at graduate students and researchers the book is clearly structured Part I introduces the maverick anthropologists while Part II applies the maverick tool kit to revisit the history of sociological thought and the question of modernity *Quantitative Psychological Research* David Clark-Carter, 2024-01-25

Quantitative Psychological Research The Complete Student's Companion expertly guides the reader through all the stages involved in undertaking quantitative psychological research designing a study choosing a sample of people undertaking the study analysing the data and reporting the research Accessibly written and clearly presented the book is designed for anyone learning to conduct quantitative psychological research as well being a reference work for professional psychologists It covers the full research process from the original idea to reporting the completed study emphasizing the importance of looking beyond statistical significance in evaluating data The book provides step by step guidance on choosing interpreting and reporting the appropriate analysis featuring worked examples and extended calculations as appendices for readers who wish to delve further This edition features a new chapter examining ideas on how causality might be identified when data is not obtained from an experiment and has been thoroughly updated throughout to reflect latest research practices Care has been taken to avoid tying the book to any specific statistical software providing readers with a thorough grounding in the basics no matter which package they go on to use This is a must read for professional psychologists as well as students and researchers of Psychology Statistics and Research Methods This book is also invaluable for anyone interested in conducting quantitative psychological research

Readers' Guide to Periodical Literature Anna Lorraine Guthrie, 1904 An author subject index to selected general interest periodicals of reference value in libraries

Austro-Marxism: The Ideology of Unity Mark E. Blum, William T. Smaldone, 2015-09-29 This volume offers the essential theoretical thought of the Austro Marxist thinkers Otto Bauer Max Adler Karl Renner Friedrich Adler Rudolf Hilferding and Otto Neurath over the span of their Austrian Social Democratic careers from the decades before World War I until the mid 1930s Austro Marxist theoretical perspectives were conceived as social scientific tools for the issues that faced the development of socialism in their time The relevance of their thought for the contemporary world inheres in this understanding

Sociology Of Giving Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Sociology Of Giving PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while

accessing free Sociology Of Giving PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Sociology Of Giving free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
