Soft Detective

H. R. F. Keating

Soft Detective:

The Soft Detective H. R. F. Keating, 2011-09-28 DCI Phil Benholme has the reputation for being soft because he tries to see both sides of every story When Professor Unwala Nobel Prize winner of 1945 is found dead Benholme must find the right questions to ask Was it a tragic accident Was he a victim of a violent burglary Or of a racist assault by Britforce troopers Or did he know something about the collection of Celtic coins thought to be buried nearby When all leads point to a member of his own family what will the soft cop do to enforce the concept of innocent until proven guilty **The Soft Detective** Henry Raymond Fitzwalter Keating, 1998 When Detective chief Inspector Phil Benholme investigates the the baffling murder of Nobel Prize winning Professor Unwala he is disturbed to discover that his own teenage son could be the prime suspect in the crime *Soft Landings (1) (Watson's Detective Agency)* Jim Fallon, 2021-03-03 Monty and Jenny are Watson s Detective Agency operating from the heart of the Cotswolds in a sleepy town called Stourgate Although there is a shortage of serious crime there is always plenty of minor crimes and misdemeanours to occupy the minds of the talented duo This time they are searching for lost tigers stolen jewellery and mislaid paintings even an absent carrot cake Will Monty be able to wrap up the case in time for lunch Can anyone outsmart Jenny And why is Monty reciting Macbeth **A Detective's History of Psychology** Diane Mello-Goldner, 2024-07-22 Are you captivated by detective fiction and mystery stories Do you enjoy solving puzzles or explaining other people s behavior Have you ever thought Miss Marple would make a good therapist or Sherlock Holmes an excellent researcher If so you probably have already seen the connection between detective fiction and the field of psychology This book introduces key concepts and theories of psychology through the lens of mystery fiction Designed for curious readers of all backgrounds it explores the crossroads of detective fiction and psychology Thought provoking activities and questions enhance readers inquisitiveness deductive reasoning critical thinking and psychological insights **Soft Targets** Varnado, Detective Michael, Is it hard or soft? Helen Mason, 2018-01-18 Read Along or Enhanced eBook This engaging title introduces readers to materials that are either hard or soft Using familiar examples readers learn what makes hard and soft objects different and why they are suited for different purposes Easy to understand text and colorful photos invite young readers to identify and classify hard and soft things around them **1950s American Style: A Reference Guide (soft cover)** Daniel Niemeyer, 2013 Facets of the Fifties A reference guide to an iconic Decade of Movie Palaces Television Classic Cars Sports Department Stores Trains Music Food Fashion and more **The Soft Cage** Christian Parenti, 2007-10-15 On a typical day you might make a call on a cell phone withdraw money at an ATM visit the mall and make a purchase with a credit card Each of these routine transactions leaves a digital trail for government agencies and businesses to access As cutting edge historian and journalist Christian Parenti points out these everyday intrusions on privacy while harmless in themselves are part of a relentless and clandestine expansion of routine surveillance in American life over the last two centuries from controlling slaves in the old South to implementing early criminal justice and tracking

immigrants Parenti explores the role computers are playing in creating a whole new world of seemingly benign technologies such as credit cards website cookies and electronic toll collection that have expanded this trend in the twenty first century The Soft Cage offers a compelling vitally important history lesson for every American concerned about the expansion of surveillance into our public and private lives

Social Detective Academy Jeffrey E. Jessum, 2022-05-09 A few years ago Johnny Multony transformed from not fitting into a socially savvy kid started the first ever social detective agency He was hired by other students in his school for help with common interpersonal dilemmas such as cliques dealing with disappointments bullying personal space friends body language and much more Now an opportunity of a lifetime Johnny Multony has opened the Social Detective Academy And YOU have been invited During your time at the Social Detective Academy you will learn some of the most important things a social detective needs to be aware of Learning these things will help you become a skilled social detective capable of helping others solve their social mysteries just like Johnny But even more than that you will learn the tools for becoming a social ninja capable of navigating some of the most complicated social mysteries that you might face in your own life The truth is that some of the best social detective training involves learning how to be more socially skilled yourself If you can effectively navigate your own social world you will be much more capable of helping others become successful in their own social journeys This is how Johnny s first students learned to become excellent social detectives themselves by practicing solving their own mysteries Throughout this book you will have the opportunity to test your skills by trying to solve social mysteries alongside some of Johnny s first students These mysteries came directly from these students personal lives and show how they used their social detective skills to make their own social lives better As you read through the chapters see if you can use the tools you are learning to identify social mysteries you might have in your own life Some of the ideas in this book are going to be pretty easy and straightforward You will probably understand them with very little effort But some of the things we will be talking about might seem a little more complicated at first If there is something that you don t quite get right away don t worry about it That is to be expected Just keep going and don t let it hold you back You can always come back to it later on If you don t fully understand something you will still be able to understand later things in the book In fact some of the things in this book will probably make even more sense as you read later parts of the book so if something is not completely clear keep reading on and come back Johnny actually encourages his social detective students to come back and reread things even if they understood them the first time because rereading about important ideas can help you to have a deeper understanding Each chapter will also have a social detective concept summary at the end These summaries are there to help you organize the most important concepts in each chapter They serve as a good reference guide to come back to if you need to refresh your memory later on
