**Soho** Richard Kostelanetz, 2003      Soho Richard Kostelanetz, 2013-10-23 Soho The Rise and Fall documents how a little known industrial neighborhood in New York became through one of the accidents of history a nexus of creative activity for a brief but intensive period Such an ideal situation entirely unplanned could not last forever the author shows how market forces squeezed out this art utopia to be replaced by a shadow of its former self      **The Lofts of SoHo** Aaron Shkuda, 2024-06-19 A groundbreaking look at the transformation of SoHo American cities entered a new phase when beginning in the 1950s artists and developers looked upon a decaying industrial zone in Lower Manhattan and saw not blight but opportunity cheap rents lax regulation and wide open spaces Thus SoHo was born From 1960 to 1980 residents transformed the industrial neighborhood into an artist district creating the conditions under which it evolved into an upper income gentrified area Introducing the idea still potent in city planning today that art could be harnessed to drive municipal prosperity SoHo was the forerunner of gentrified districts in cities nationwide spawning the notion of the creative class In The Lofts of SoHo Aaron Shkuda studies the transition of the district from industrial space to artists enclave to affluent residential area focusing on the legacy of urban renewal in and around SoHo and the growth of artist led redevelopment Shkuda explores conflicts between residents and property owners and analyzes the city's embrace of the once illegal loft conversion as an urban development strategy As Shkuda explains artists eventually lost control of SoHo's development but over several decades they nonetheless forced scholars policymakers and the general public to take them seriously as critical actors in the twentieth century American city      Artists' SoHo Richard Kostelanetz, 2015-01-02 During the 1960s and 1970s in New York City young artists exploited an industrial wasteland to create spacious studios where they lived and worked redefining the Manhattan area just south of Houston Street Its use fueled not by city planning schemes but by word of mouth recommendations the area soon grew to become a world class center for artistic creation indeed the largest urban artists colony ever in America let alone the world Richard Kostelanetz's Artists SoHo not only examines why the artists came and how they accomplished what they did but also delves into the lives and works of some of the most creative personalities who lived there during that period including Nam June Paik Robert Wilson Meredith Monk Richard Foreman Hannah Wilke George MacGuinnis and Alan Suicini Gallerists followed the artists in fashioning themselves their homes their buildings and even their streets into transiently prominent exhibition and performance spaces SoHo pioneer Richard Kostelanetz's extensively researched intimate history is framed within a personal memoir that unearths myriad perspectives social and cultural history the changing rules for residency and ownership the ethos of the community the physical layouts of the lofts the types of art produced venues that opened and closed the daily rhythm and the gradual invasion of new people Artists SoHo also explores how and why this fertile bohemia couldn't last forever As wealthier people paid higher prices galleries left younger artists settled elsewhere and the neighborhood became a SoHo Mall of trendy stores and restaurants Compelling

and often humorous Artists SoHo provides an analysis of a remarkable neighborhood that transformed the art and culture of New York City over the past five decades      **Soho** Richard Kostelanetz,2003 And New York's one of a kind urban artists colony was born      **Danny Lyon** Julian Cox,Elisabeth Sussman,Alexander Nemerov,Danica Willard Sachs,Ed Halter,Alan Rinzler,2016-01-01 The first comprehensive overview of an influential American photographer and filmmaker whose work is known for its intimacy and social engagement Coming of age in the 1960s the photographer Danny Lyon b 1942 distinguished himself with work that emphasized intimate social engagement In 1962 Lyon traveled to the segregated South to photograph the civil rights movement Subsequent projects on biker culture the demolition and redevelopment of lower Manhattan and the Texas prison system and more recently on the Occupy movement and the vanishing culture in China's booming Shanxi Province share Lyon's signature immersive approach and his commitment to social and political issues that concern those on the margins of society Lyon's photography is paralleled by his work as a filmmaker and a writer Danny Lyon Message to the Future is the first in depth examination of this leading figure in American photography and film and the first publication to present his influential bodies of work in all media in their full context Lead essayists Julian Cox and Elisabeth Sussman provide an account of Lyon's five decade career Alexander Nemerov writes about Lyon's work in Knoxville Tennessee Ed Halter assesses the artist's films Danica Willard Sachs evaluates his photomontages and Julian Cox interviews Alan Rinzler about his role in publishing Lyon's earliest works With extensive back matter and illustrations this publication will be the most comprehensive account of this influential artist's work      **Who Runs the Artworld** Brad Buckley,John Conomos,2017-09-01 Who Runs the Artworld Money Power and Ethics examines the economics and mythologies of today's global artworld It unmaskes the complex web of relationships that now exist among high profile curators collectors museum trustees and corporate sponsors and the historic and ongoing complicity between the art and money markets The book examines alternative models being deployed by curators and artists influenced by the 2008 global financial crisis and the international socio political Occupy movement with a particular focus on a renewed activism by artists This activism is coupled with an institutional and social critique led by groups such as Liberate Tate the Precarious Workers Brigade and Strike Debt Who Runs the Artworld Money Power and Ethics brings together a diverse range of thinkers who draw on the disciplines of art theory social sciences and cultural economics and curatorship and the lived experience of artists The contributors to this book are in their respective contexts working at the forefront of these compelling issues      *Ladies and Gentlemen, the Bronx Is Burning* Jonathan Mahler,2006-03-21 A passionate and dramatic account of a year in the life of a city when baseball and crime reigned supreme and when several remarkable figures emerged to steer New York clear of one of its most harrowing periods By early 1977 the metropolis was in the grip of hysteria caused by a murderer dubbed Son of Sam And on a sweltering night in July a citywide power outage touched off an orgy of looting and arson that led to the largest mass arrest in New York's history As the turbulent year wore on the city became absorbed in two epic battles the fight

between Yankee slugger Reggie Jackson and team manager Billy Martin and the battle between Ed Koch and Mario Cuomo for the city's mayoralty Buried beneath these parallel conflicts one for the soul of baseball the other for the soul of the city was the subtext of race The brash and confident Jackson took every black myth and threw it back in white America's face Meanwhile Koch and Cuomo ran bitterly negative campaigns that played upon urbanites' fears of soaring crime and falling municipal budgets These braided stories tell the history of a year that saw the opening of Studio 54 the evolution of punk rock and the dawning of modern SoHo As the pragmatist Koch defeated the visionary Cuomo and as Reggie Jackson finally rescued a team racked with dissension 1977 became a year of survival but also of hope Ladies and Gentlemen the Bronx Is Burning is a New York Times Notable Book of the Year and the basis of the 2007 ESPN miniseries starring John Turturro as Billy Martin Oliver Platt as George Steinbrenner and Daniel Sunjata as Reggie Jackson **Everything Is Now** J

Hoberman, 2025-05-27 A groundbreaking cultural history of 1960s New York from the legendary writer on art and film Like Paris in the 1920s New York City in the 1960s was a cauldron of avant garde ferment and artistic innovation Boundaries were transgressed and new forms created Drawing on interviews memoirs and the alternative press Everything Is Now chronicles this collective drama as it was played out in coffeehouses bars lofts storefront theaters and ultimately the streets The principals here are penniless filmmakers jazz musicians and performing poets as well as less classifiable artists Most were outsiders at the time They include Amiri Baraka Bob Dylan Allen Ginsberg Yayoi Kusama Yoko Ono Nam June Paik Carolee Schneemann Jack Smith Andy Warhol and many more Some were associated with specific movements Avant Rock Destruction Art Fluxus Free Jazz Guerrilla Theater Happenings Mimeographed Zines Pop Art Protest Folk Ridiculous Theater Stand Up Poetry Underground Comix and Underground Movies But there were also movements of one Their art rooted in the detritus and excitement of urban life was taboo breaking and confrontational As J Hoberman shows in this riveting history these subcultures coalesced into a counterculture that changed the city the country and the world **An Anarchitectural**

**Body of Work** Friederike Schäfer, 2025-05-19 The artist dancer and educator Suzanne Harris 1940-79 was a protagonist of the downtown New York City artists community in the 1970s With her boundary transgressing practice she played a decisive part in avant garde projects such as the Anarchitecture group 112 Greene Street FOOD and the Natural History of the American Dancer Harris furthermore participated in the Heresies editorial collective Nevertheless her own oeuvre fell into abeyance Friederike Schäfer reconstructs Harris's dispersed postminimalist body of work which broke the mold of art categories art practices art spaces and the common notion of space The author draws on post Marxist feminist theory to trace how Harris transcended both sculpture and dance to create site specific ephemeral installations Second revised edition Recipient of the Terra Foundation for American Art International Publication Grant 2021 Look Inside *Performativity and Event in 1960s Japan* P. Eckersall, 2013-09-24 Performativity and Event in 1960s Japan considers the artists and events in 1960s Japan In response to the social upheavals of the 1960s it shows how art interacted with society in unique and

transformational ways interweaving arguments about the critical role of performance as an artistic medium and as a social dramaturgy

**Life and Death on the New York Dance Floor, 1980-1983** Tim Lawrence, 2016-09-15 As the 1970s gave way to the 80s New York's party scene entered a ferociously inventive period characterized by its creativity intensity and hybridity *Life and Death on the New York Dance Floor* chronicles this tumultuous time charting the sonic and social eruptions that took place in the city's subterranean party venues as well as the way they cultivated breakthrough movements in art performance video and film Interviewing DJs party hosts producers musicians artists and dancers Tim Lawrence illustrates how the relatively discrete post disco post punk and hip hop scenes became marked by their level of plurality interaction and convergence He also explains how the shifting urban landscape of New York supported the cultural renaissance before gentrification Reaganomics corporate intrusion and the spread of AIDS brought this gritty and protean time and place in American culture to a troubled denouement
