Children's Biographies of African American Women Sara C. VanderHaagen,2018-11-15 A study of how rhetoric has shaped the life stories of African American role models in children s literature In *Children s Biographies of African American Women Rhetoric Public Memory and Agency* Sara C VanderHaagen examines how these biographies encourage young readers to think about themselves as agents in a public world Specifically VanderHaagen illustrates how these works use traditional means to serve progressive ends and thereby examines the rhetorical power of biography in shaping identity and promoting public action Drawing on scholarship in rhetoric memory studies and children s literature VanderHaagen presents rhetorical analyses of biographies of three African American women poet Phillis Wheatley activist Sojourner Truth and educator turned politician Shirley Chisholm

published in the United States during the twentieth and twenty first centuries VanderHaagen begins by analyzing how biographical sketches in books for black children published during the 1920s represent Wheatley and Truth The study then shifts to books published between 1949 and 2015 VanderHaagen uses a concept adapted from philosopher Paul Ricoeur the idea of the agential spiral to chart the ways that biographies have used rhetoric to shape the life stories of Wheatley Truth and Chisholm By bringing a critical rhetorical perspective to the study of biographies for children this book advances the understanding of how lives of the past are used persuasively to shape identity and encourage action in the contemporary public world VanderHaagen contributes to the study of rhetoric and African American children s literature and refocuses the field of memory studies on children s biographies a significant but often overlooked genre through which public memories first take shape

Fennessey, 1996 A play about the ex slave who became an abolitionist activist **Ain't Nothing Like Freedom** Cynthia McKinney, 2013-03-26 Elected six times to the House from the state of Georgia Cynthia McKinney cut a trail through Congressional deceit like a hot ember through ash She discovered legislators who passed laws without reading them Party leaders who colluded across party lines against their constituents interests Black skinned individuals shilling for the white status quo She excoriated government lassitude over Hurricane Katrina uncovering dark secrets She held the only critical Congressional briefing on 9 11 introducing counter testimony of scholars investigators former intelligence agents As a member of the House Armed Services Committee she held Rumsfeld to account for malfeasance by military contractors and missing billions in the Pentagon s budget Then she hammered him on the reasons for the failure of NORAD air defenses on 9 11 She read truth into the Congressional Record held town halls and hearings led protests showed up while others played along to get along took the side of the people against the will of the Party And when she got too truth seeking and speaking the Republicans rigged the Democratic primaries to boot her out leaving behind a trail of achievements mostly won singlehandedly as a result of her service on the House International Relations House Agriculture House Armed Services and Budget Committees and the Select Committee on Hurricanes Katrina and Rita But McKinney rose again like a Phoenix answering the call to run as 2008 Green Party candidate for President challenging the corrupt two party stranglehold on American democracy Then it was on to the Freedom Flotilla to Gaza to be seized on the high seas and imprisoned in Israel On

to Tripoli to serve as witness to the NATO terror bombing of Libya On to Malaysia to serve on the War Crimes Commission Often introduced as the Sojourner Truth the Harriet Tubman of our age McKinney reflects here on the Biblical figures of Esther Deborah and Naomi This is the Cynthia McKinney saga as it stands to date what she saw what she learned and how she fought for change **Freedom on My Mind** Manning Marable, 2003-07-10 *Freedom on My Mind* reveals the richly diverse and complex experience of black people in America in their own words from the Colonial era of Benjamin Banneker to the present world of Kweisi Mfume and Clarence Thomas Personal correspondence excerpts from slave narratives and autobiographies leaflets significant addresses and speeches oral histories and interviews political manifestos and important statements of black institutions and organizations are brought together to form a volume that testifies to the boundless creative potential of black Americans in indefatigable pursuit of the dream of freedom Arranged thematically the selections illustrate the politics of resistance as reflected through gender and sexuality kinship and community work and leisure faith and spirituality They also highlight the contributions of women to black identity history and consciousness and offer excerpts from the work of some of the finest stylists in the African American canon A general introduction as well as short introductions and bibliographies for each document further enhance the usefulness of the book for students and researchers

Force and Freedom Kellie Carter Jackson, 2020-08-14 From its origins in the 1750s the white led American abolitionist movement adhered to principles of moral suasion and nonviolent resistance as both religious tenet and political strategy But by the 1850s the population of enslaved Americans had increased exponentially and such legislative efforts as the Fugitive Slave Act and the Supreme Court's 1857 ruling in the Dred Scott case effectively voided any rights black Americans held as enslaved or free people As conditions deteriorated for African Americans black abolitionist leaders embraced violence as the only means of shocking Northerners out of their apathy and instigating an antislavery war In *Force and Freedom* Kellie Carter Jackson provides the first historical analysis exclusively focused on the tactical use of violence among antebellum black activists Through rousing public speeches the burgeoning black press and the formation of militia groups black abolitionist leaders mobilized their communities compelled national action and drew international attention Drawing on the precedent and pathos of the American and Haitian Revolutions African American abolitionists used violence as a political language and a means of provoking social change Through tactical violence argues Carter Jackson black abolitionist leaders accomplished what white nonviolent abolitionists could not creating the conditions that necessitated the Civil War *Force and Freedom* takes readers beyond the honorable politics of moral suasion and the romanticism of the Underground Railroad and into an exploration of the agonizing decisions strategies and actions of the black abolitionists who though lacking an official political voice were nevertheless responsible for instigating monumental social and political change *Civil-Rights Activists* Debbie Foy, 2012-01-15 Briefly surveys the history of people of African origin who worked against racism and injustice and profiles notable figures from Sojourner Truth to the present including Frederick Douglass Marcus Garvey and Martin Luther

King Jr
