Rider Haggard, 2018-08-11 King Solomon's Mines Large print by H Rider Haggard I suppose they the flights and flourishes are desirable and I regret not being able to supply them but at the same time I cannot help thinking that simple things are always the most impressive and that books are easier to understand when they are written in plain language though perhaps I have no right to set up an opinion on such a matter A sharp spear runs the Kukuana saying needs no polish and on the same principle I venture to hope that a true story however strange it may be does not require to be decked out in fine words We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
