Songs Of Songs Interpreted By Early Christian And Medieval Commentators:

The Song of Songs Richard Alfred Norris (Jr.), Jr. Norris, Richard A., 2003-11-18 The Song of Songs traditionally attributed to Solomon is a collection of lyrics that celebrate in earthly terms the love of a bridegroom and a bride Throughout the course of early Christian history the Song of Songs was widely read as an allegory of the love of Christ both for the church and for its individual members In reading the Song this way Christians were following in the steps of Jewish exegetes who saw the Song as celebrating the love of God for Israel In The Song of Songs the inaugural volume of The Church's Bible Richard A Norris Jr uses commentaries and sermons from the church's first millennium to illustrate the original Christian understanding of Solomon's beautiful poem In recent times the Song of Songs has been more a focus of literary than of religious interest but Norris's work shows that for early Christians this text was counted with the Psalms and the Gospels among those Scriptures that touched most deeply on the believer's relation to God All in all Norris's Song of Songs is a masterful work that aptly acquaints contemporary readers with the church's traditional way of discerning in this text a guide to the character of Christian belief and life This volume and the entire Church's Bible series will be welcomed by preachers teachers students and general readers alike

A Companion to the Song of Songs in the History of Spirituality Timothy Robinson, 2021-07-05 As one of the most frequently commentated on biblical books during antiquity and the middle ages the Song of Songs has played a central role in the history of Christian spirituality At a time of heightened interest in the Song of Songs among biblical scholars historians and students of spirituality this Companion to the Song of Songs in the History of Spirituality provides a state of the art overview of its history challenges some conventional wisdom and presents innovative studies of some lesser known aspects of the Song's reception The essays in this volume including a chapter on Jewish interpretation present the diverse forms of spirituality inspired by the Song since the beginning of the Christian era Contributors Ann W Astell Mark S Burrows Emily Cain Catherine Cavadini Rabia Gregory Arthur Holder Jason Kalman Suzanne LaVere Hannah Matis Bernard McGinn Timothy H Robinson and Karl Shuve

Heavenly Sustenance in Patristic Texts and Byzantine Iconography Elena Ene D-Vasilescu, 2018-10-22 This book examines ideas of spiritual nourishment as maintained chiefly by Patristic theologians those who lived in Byzantium It shows how a particular type of Byzantine frescoes and icons illustrated the views of Patristic thinkers on the connections between the heavenly and the earthly worlds The author explores the occurrence and geographical distribution of this new type of iconography that manifested itself in representations concerned with the human body and argues that these were a reaction to docetist ideas The volume also investigates the diffusion of saints cults and demonstrates that this took place on a North South axis as their veneration began in Byzantium and gradually reached the northern part of Europe and eventually the entirety of Christendom

The Hope in Our Scars Aimee Byrd, 2024-05-07 Aimee Byrd peels back the church's underlying and pervasive theology of power to face the shame that lurks there and find

the lasting hope of belonging in Christ Some things happening in the church these days should provoke our anger It s racked with scandals of fraud abuse cover up It s embroiled in racism misogyny marginalization and hatred The truth is that we have to fight to love Christ s church Many of us are left wondering what kind of hope can the church offer if its leaders will not care for its wounds admit their complicity and move toward true reconciliation with God s people From the author of *Recovering from Biblical Manhood and Womanhood* comes a passionate plea to work through our disillusionment with the church and rediscover what s true and beautiful about our covenantal union with Christ Having tread her own path of disillusionment Aimee Byrd invites us to see Christ among the chaos so apparent in his church Along the way Aimee guides us through deeply theological and personal reflections on how we can Cultivate healthier forms of trust by recognizing power structures at work Understand the limits of authority and free ourselves from tribes and celebrity culture Take appropriate social risks by speaking up when we re uncomfortable Rediscover how our stories matter to God This book is written to those who have been wounded by the church To those who have suffered abuse at the hands of church leaders and are left with deep scars To those who are disillusioned or deconstructing their faith *The Hope in Our Scars* offers a way forward with a God who walks with us in our affliction and wants to make it into something beautiful *Studia Philonica Annual XXV, 2013* David T. Runia, Gregory E. Sterling, 2013-10-02 The *Studia Philonica Annual* is a scholarly journal devoted to the study of Hellenistic Judaism particularly the writings and thought of the Hellenistic Jewish writer Philo of Alexandria circa 15 B C E to circa 50 C E *The Earthy Nature of the Bible* R. Boer, 2012-11-15 Through a series of close readings Boer explores the earthy nature of the Bible These readings are gathered into three parts the Song of Songs Masculinities Paraphilias Each study is undertaken with rigorous attention to relevant scholarship and significant theoretical engagement especially with psychoanalysis ecocriticism and Marxism ***Altogether Lovely*** Havilah Dharamraj, 2018-06-01 The frank eroticism of the Song of Songs has long seemed out of place in the Hebrew Bible As a result both Jewish and Christian interpreters have struggled to read it as an allegory of the relationship between God as husband and Israel or the church as bride Havilah Dharamraj approaches the Song with a clear vision of the gendering of power relationships in the ancient Near East and through an intertextual method centered not on production but on the reception of texts She sets the Song s lyrical portrayal of passion and intimacy alongside other canonical portrayals of love spurned lust rejection and sexual violence from Hosea Ezekiel and Isaiah The result is a richly nuanced exposition of the possibilities of intimacy and remorse in interhuman and divine human relationship The intertextual juxtaposition of contrasting texts produces a third text an intracanonical conversation in which patriarchal control and violence are answered in a tender and generous mutuality ***Engaging the Doctrine of Marriage*** Matthew Levering, 2020-08-12 This book is the next volume in Levering s *Engaging Doctrine* series The prior volume of the series examined the doctrine of creation The present volume examines the purpose of creation the marriage of God and humans God created the cosmos for the purpose of the marriage of God and his people and through his

people the marriage of God and the entire creation Given that the central meaning or prime analogate of marriage is the marriage of God and humankind the study of human marriage needs to be shaped by this eschatological goal and foregrounded as a dogmatic theme After a first chapter defending and explaining the biblical witness to the marriage of God and his people the book explores various themes marriage as an image of God original sin as the fall of the primordial marriage the cross of Jesus Christ and marital self sacrificial love the procreative and unitive ends of marriage marriage as a sacrament and marriage s importance for social justice and for the upbuilding of the kingdom of God Along the way the book provides an introduction to the key biblical patristic medieval modern and contemporary thinkers and controversies regarding the doctrine of marriage

Body as Landscape, Love as Intoxication Brian P. Gault, 2019-09-13 Explore metaphors in the exquisite and enigmatic poetry of Song of Songs One of the chief difficulties in interpreting the Song s lyrics is the unusual imagery used to depict the lovers bodies Why is the maiden s hair compared to a flock of goats 4 1 the man s cheeks likened to garden beds of spice 5 13 and the eyes of both lovers described as doves 4 1 5 12 While scholars speculate on the significance of these images a systematic inquiry into the Song s body metaphors is curiously absent Based on insights from cognitive linguistics this study incorporates biblical and comparative data to uncover the meaning of these metaphors surveying literature in the eastern Mediterranean and beyond that shares a similar form poetry and theme love Gault presents an interpretation of the Song s body imagery that sheds light on the perception of beauty in Israel and its relationship to surrounding cultures Features Exploration of the Song s use of universal themes and culturally specific variations Discussion of the Song s literary structure and unity
