The poetry of the First World War has determined our perception of the war itself. This volume features poetry drawn from old newspapers and journals, trench and hospital magazines, individual volumes of verse, gift books, postcards, and a manuscript magazine put together by conscientious objectors.

Archie Bowman Hamish Ross, 2018-06-30

In 1915 Archie Bowman, a philosophy professor at Princeton, was granted leave of absence to join the British army. He served in the HLI and was captured at the Battle of the Lys. Prison camp, though turned out not to be the living death he expected, he was fluent in German and became the main go-between with camp authorities and British prisoners. He gave talks to hundreds of prisoners and wrote up in verse form his account of the battle and his capture and two-day march into captivity. When he was transferred to another camp, his writings were confiscated, but in his new camp his responsibilities increased and he became key negotiator and formed a bond with the Commandant, a fellow academic who secured the release of his confiscated work, which when completed was published as *Prison Camp Verses*. After the Armistice, he was posted to the British Army of the Rhine in Cologne, where he found his most interesting work in the service interviewing German civilians wishing to travel into

another Occupied Zone Although Bowman didnt become a pacifist he was convinced more could be done to prevent wars and he dedicated himself to the cause of peace and championed the ideal of the League of Nations at the cost of his health Based on the archived Bowman Papers it is a fascinating story of a man of high principle and great depth of feeling who had the love and support of his wife Mabel The Chapbook Harold Monro,1919 Nos 6 and 18 consist of songs with piano accompaniment *The United States Catalog* ,1921 **The Best Books** William Swan Sonnenschein,1923 **F, History and historical biography.
