Essays on the Performance of Baroque Music Mary

Cyr, 2024-10-28 In this collection of essays Mary Cyr explores some of the written and unwritten performance conventions that applied to French and English music of the 17th and early 18th centuries Using composers own notations marks added by 18th century performers historical treatises and pictorial evidence she investigates both vocal and instrumental genres including opera cantatas instrumental chamber music and solo music for the viol and violin Some of the performance conventions remain controversial such as the use of gesture by the French opera chorus and others are still little known such as the use of the double bass for rhythmic and harmonic support in early 18th century French opera As many of these essays demonstrate French Baroque music allowed performers a wider latitude of nuance and expression than is often assumed today The essays in this volume will be of particular interest to scholars and performers who are interested in adopting a historically informed approach to performing music by Henry Purcell Elisabeth Claude Jacquet de La Guerre Jean Philippe Rameau and their contemporaries Several studies also deal with attributions sources and the discovery of a cantata by Rameau

Imagine the Sound

Carter Mathes, 2015-03-20 The post Civil Rights era was marked by an explosion of black political thought and aesthetics Reflecting a shifting horizon of expectations around race relations the unconventional sounds of free jazz coupled with experimental literary creation nuanced the push toward racial equality and enriched the possibilities for aesthetic innovation within the Black Arts Movement In *Imagine the Sound* Carter Mathes demonstrates how African American writers used sound to further artistic resistance within a rapidly transforming political and racial landscape While many have noted the oral and musical qualities of African American poetry from the post Civil Rights period Mathes points out how the political implications of dissonance vibration and resonance produced in essays short stories and novels animated the ongoing struggle for equality Situating literary works by Henry Dumas Larry Neal and Toni Cade Bambara in relation to the expansive ideas of sound proposed by free jazz musicians such as Marion Brown and Sun Ra not only does this book illustrate how the presence of sound can be heard and read as political but it recuperates critically neglected yet important writers and musicians Ultimately Mathes details how attempts to capture and render sound through the medium of writing enable writers to envision alternate realities and resistance outside of the linear frameworks offered by the Civil Rights and Black Power movements In precise and elegant prose Mathes shows how in conceptualizing sound African American writers opened up the political imaginations of their readers By exploring this intellectual convergence of literary artistry experimental music and sound theory *Imagine the Sound* reveals how taking up radically new forms of expression allows us to speak to the complexities of race and political resistance
