## **Sons Of Heaven A Novel:**

**Sons Of Heaven** Terrence Cheng, 2007-05-21 Sons of Heaven is an epic novel set against the backdrop of one of modern history's most haunting events the Tiananmen Square Massacre. In June 1989 the world watched in horror as China's military was mobilized to suppress a student movement that stood for peaceful democracy. Hundreds were killed others say thousands. No one knows for sure. But the image that remains most powerful is that of a lone young man looking confused yet terribly brave as he held his ground before a rolling line of tanks. Who was he and why did he do what he did? No one has ever been able to determine his identity or fate. Within the pages of Sons of Heaven in a stunning blend of history and fiction Terrence Cheng has vividly created a life for this young hero and given him a voice. Cheng imagines the young man's life as he goes away to America to complete his education. He falls in love with a beautiful young American girl who opens up to him a free life filled with opportunity. When he returns to China he is embittered and disillusioned only the potential for political change seems to revive him. Also unraveled is the story of the young man's older brother an ardent member of the Red Army who is ordered to capture his little brother. In the end their political differences turn deadly. On one level this is a novel of history as played out in modern China but first and foremost it is about the universal ties of family and the difficult process of boys learning to become men. Also under scrutiny is the life and history of Deng Xiaoping China's leader who is suspected of giving the final orders to turn the People's Army against its own people. What historical and political factors affected his decisions that fateful summer? Was Deng the monster that the world made him out to be? A revolving narrative of family faith and courage. Sons of Heaven braids the lives of peasants and soldiers politicians and gods. It is a powerful novel of one of the most memorable and moving moments of our time. Praise for SONS OF HEAVEN. This remarkably structured and textured debut epic seeks to attach a face to the mysterious man who by stepping in front of the rolling army tanks became the most recognizable symbol of the massacres. Cheng succeeds in his endeavor a multifaceted and sophisticated portrait of the Chinese people is rendered. This is a rare find. This is not the first novel to center around Tiananmen but it may be the best. Publishers Weekly starred review A superb first novel Sons of Heaven succeeds because its focus is relentlessly personal and moral. San Francisco Chronicle Filled with carefully measured doses of history romance and adventure. Stylistically and thematically daring. Miami Herald Terrence Cheng enters history in such a profound and provocative way his retelling of the events in and around Tiananmen Square is subversive lyrical and full of control. Cheng is a painter and a cinematographer and a wordsmith all at once. Colum McCann author of Dancer T his brave insightful and gifted writer seeks to compassionately understand these fictional and actual but fictionalized characters backgrounds motivations and uncertainties to help readers grasp the moment from divergent perspectives. Eugene Weekly Compelling powerful a first class thriller set on the stage of world history that is hard to put down. Pittsburgh Post Gazette Cinematic powerful. Atlanta Journal Constitution Who cannot think of those days in June 1989 without recalling the image of an unknown protester facing

off against a tank thanks to Terrence Cheng's *Sons of Heaven* we shall have an enduring reminder Denver Post An irresistible peek into the human face of modern China USA Today The writing here is terse and often beautiful this clash between pole

Three Kingdoms, A Historical Novel Guanzhong Luo,2004-06-14 The Three Kingdoms gives us The Iliad of China First of the five great works of traditional prose fiction this master narrative transforms history into epic and has thereby educated and entertained readers of five centuries with unforgettable exemplars of martial and civic virtue of personal fidelity and political treachery Moss Roberts's translation the first complete rendering in English is one of surpassing excellence and impeccable scholarship It should delight and captivate Western readers for many more years to come Anthony C Yu University of Chicago

**Encyclopedia of Asian-American Literature** Seiwoong Oh,2015-04-22 Presents a reference on Asian American literature providing profiles of Asian American writers and their works

*Contemporary Asian Popular Culture Vol. 1* Yeojin Kim,Dharshani Lakmali Jayasinghe,Hiba Aleem,Karen A. Ritzenhoff,2025-01-08 This first of two volumes explores how contemporary Asian popular culture reflects and critiques social issues The authors from different scholarly backgrounds examine how shows like Squid Game present a scathing critique of oppressive socio economic structures conceptualize national heterotopias utopias and dystopias and facilitate understanding of identity formation and discourses of resistance The volume encompasses chapters discussing themes that intersect gender race politics and social dynamics It showcases ongoing developments in Asian popular culture in the wake of the global popularity of Squid Game and in anticipation of its second season release in December 2024

*The Forsaken Son* Joshua Pederson,2016-04-20 The Forsaken Son engages the provocative coincidence of the vocabularies of infanticide and Christianity specifically atonement theology in six modern American novels Flannery O'Connor's *The Violent Bear It Away* the first two installments of John Updike's Rabbit tetralogy Toni Morrison's *Beloved* Joyce Carol Oates's *My Sister My Love* and Cormac McCarthy's *Outer Dark* Christian atonement theology explains why God lets His son be crucified Yet in recent years as an increasing number of scholars have come to reject that explanation the cross reverts from saving grace to trauma or even crime More bluntly without atonement the cross may be a filicide in which God forces his son to die for no apparent reason Pederson argues that the novels about child murder mentioned above likewise give voice to modern skepticism about traditional atonement theology

*Life Stories* Maureen O'Connor,2011-08-23 Memoirs autobiographies and diaries represent the most personal and most intimate of genres as well as one of the most abundant and popular Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2 800 read alike and other related titles The popularity of this body of literature has grown in recent years and it has also diversified in terms of the types of stories being told and persons telling them In the past readers advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy This guide offers an alternative organizing the literature according to popular genres subgenres and themes that reflect common reading interests Describing titles that

range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads *Life Stories A Guide to Reading Interests in Memoirs Autobiographies and Diaries* presents a unique overview of the genre that specifically addresses the needs of readers advisors and others who work with readers in finding books *The Best Novels of the Nineties* Linda Parent Leshner,2015-11-17 This reader s guide provides uniquely organized and up to date information on the most important and enjoyable contemporary English language novels Offering critically substantiated reading recommendations careful cross referencing and extensive indexing this book is appropriate for both the weekend reader looking for the best new mystery and the full time graduate student hoping to survey the latest in magical realism More than 1 000 titles are included each entry citing major reviews and giving a brief description for each book ***A History of Pain*** Michael Berry,2011 This work probes the restaging representation and reimagining of historical violence and atrocity in contemporary Chinese fiction film and popular culture It examines five historical moments including the Musha Incident 1930 and the February 28 Incident 1947 *Marie Antoinette and her son An historical Novel* L.Muhlbach,1868 *This son of Vulcan. A Novel* Walter Besant,2024-06-18 Reprint of the original first published in 1876
