Sons Return:

When Sons Return Home John B. Murray, 2024-04-24 As I researched the title of this book I discovered that there are so many families that were torn apart by their sons or daughters They were raised with love and compassion yet they decided to venture out on their own in a far country to live a life free from the authority of their parents When life doesn't go the way they thought losing everything they inherit and ending up in low down situations they finally come to their senses What kind of sons return home to their parents

Sons of Thunder John James Boanerges, 2020-06-10 A few years ago I gave my granddaughter a KJV Bible On the inside cover I wrote In this book are all of the answers to all of life's questions At one time in our history nearly every home had a family Bible In it were kept the records of births deaths marriages and many other events that occurred in the family If a home today has a Bible it is most likely to gather dust To those who attend church it may or may not be opened up on Sunday Bible studies have become more social planning events than they have in studying the Word of God Dark days are upon us Most people have just enough religion to inoculate them against the real thing Too many have embraced their vanities and have fallen prey to the ravenous lion My prayer is that this book will prompt readers to examine more closely both what they believe and why they believe it It is my hope that the reader will become more educated and encouraged to study God's Word If this writing encourages but one soul to seek a deeper relationship with Jesus then all will have been worth every effort No greater reward can be given to the writer than to know that I had some small role to play in the salvation of a wandering soul Solomon made us to know that of the making of books there is no end The technological era that we live in has us plugged into all sorts of devices Perhaps we should unplug from the world long enough to discover what really matters

Southern Sons Lorri Glover, 2007-02-15 Between the generations of Thomas Jefferson and Jefferson Davis the culture of white Southerners experienced significant changes including the establishment of a normative male identity that exuded confidence independence and power Southern

Sons the first work in masculinity studies to concentrate on the early South explores how young men of the southern gentry came of age between the 1790s and the 1820s Lorri Glover examines how standards for manhood came about how young men experienced them in the early South and how those values transformed many American sons into southern nationalists who ultimately would conspire to tear apart the republic they had been raised to lead This was the first generation of boys raised to conceive of themselves as Americans as well as the first cohort of self defined southern men They grew up believing that the fate of the American experiment in self government depended on their ability to put away personal predispositions and perform prescribed roles Because men faced demanding gender norms boys had to pass exacting tests of manhood in education refinement courting careers and slave mastery Only then could they join the ranks of the elite and claim power in society Revealing the complex interplay of nationalism and regionalism in the lives of southern men Glover brings new insight to the question of what led the South toward sectionalism and civil war Reproducing Chinese Culture in Diaspora Shu-min Huang,2010-01-01 Reproducing Chinese Culture in Diaspora describes how a group of anti communist Chinese nationals managed to establish a farming community in Thailand s northern hills after voluntary exile from communist China in 1949 Though successful from an agricultural sustainability standpoint this community of Chinese exiles has rigidly maintained its cultural ideals driving away younger generations and ultimately threatening to derail the community s continued existence **The Legitimation of New Orders** Yuansheng Liang,2007 The contributors to this collection offer seven case studies that treat different aspects of political and ritual legitimation in China and Europe over the past two millennia With a primary focus on crisis and change the contributors analyze how rulers and states work to produce a popular political consensus that accepts their rule *Mathiesons' investment tables for redeemable stocks, checked and extended by A.
