Sopldiers Of Texas

James M. Day

Soldiers Of Texas:

Soldiers of Texas James M. Day, 1973 The tenth in an outstanding series of book on Texas history *Soldiers of Texas* brings the same combination of art and history to the reader as *Heroes Missions Forts and Battles of Texas* *The Texas Military Experience* Joseph G. Dawson, 2010 In this first scholarly collection to focus on Texas military heritage prominent authors reevaluate famous personalities reassess noted battles and units call for new historical points to be considered and bring fresh perspectives to such matters as the interplay of fiction film and historical understanding *Texas Civil War Artifacts* Richard Mather Ahlstrom, 2008 One of the most popular literary subjects worldwide is the American Civil War In addition to an enormous number of history buffs there are tens of thousands of collectors of Civil War artifacts In the last fifty years several books have been written concerning the equipment associated with soldiers of specific Confederate states but no book until now has ever chronicled the military equipment used by Texas soldiers *Texas Civil War Artifacts* is the first comprehensive guide to the physical culture of Texas Civil War soldiers Texas military equipment differs in a number of ways from the equipment produced for the eastern Confederate states Most of the Texas produced equipment was blacksmithed or local artisan made and in many cases featured the Lone Star as a symbol of Texas Contemporary Civil War literature frequently mentions that most soldiers of Texas displayed the Lone Star somewhere on their uniform or equipment In this groundbreaking volume Richard Mather Ahlstrom has photographed and described more than five hundred Texas related artifacts He shows the diverse use of the Lone Star on hat pins waist belt plates buckles horse equipment side knives buttons and canteens In addition the weapons that Texans used in the Civil War are featured in chapters on the Tucker Sherrard and Colt pistols shotguns rifles and muskets and swords Rounding out the volume are chapters on leather accouterments uniforms and headgear and a gallery of Texas soldiers in photographs This book will prove to be a valuable reference guide for Civil War collectors historians museum curators re enactors and federal and state agencies **A Military History of Texas** Loyd Uglow, 2022-03-15 In its essence Texas history is military history Comprehensive in scope *A Military History of Texas* provides the first single volume military history of Texas from pre Columbian clashes between Native American tribes to the establishment of the United States Space Force as the newest branch of the nation s military in the twenty first century Rather than creating new theories of what happened author Loyd Uglow synthesizes competing views of Texas s military past into a narrative that deals evenhandedly with different interpretations and recognizes that there is a measure of truth in each one even while emphasizing those that seem most plausible Uglow ties the various engrossing aspects of Texas military history into one unified experience Chapters cover topics of warfare in Texas before the Europeans Spanish military activities revolutions against Spain and then Mexico Texas and Texans in the Mexican War ante and post bellum warfare on the Texas frontier the Civil War in Texas the Texas Rangers border warfare during the Mexican revolution of 1910 1920 Texas and the world wars and the modern military in Texas Brief explanations of military terminology and practice as well as

parallels between Texas military actions and ones in other times and places connect the narrative to the broader context of world military history Thoroughly documented with an engaging narrative and perceptive analysis *A Military History of Texas* is designed to be accessible and interesting to a broad range of readers It will find a welcome place in the collections of amateur or professional military historians devoted fans of all things Texan and newcomers to military history *The Old Army in the Big Bend of Texas* Thomas Ty Smith,2018-01-30 Even before Pancho Villa s 1916 raid on Columbus New Mexico and the following punitive expedition under General John J Pershing the U S Army was strengthening its presence on the southwestern border in response to the Mexican Revolution of 1910 Manning forty one small outposts along a three hundred mile stretch of the Rio Grande region the army remained for a decade rotating eighteen different regiments primarily cavalry until the return of relative calm The remote rugged and desolate terrain of the Big Bend defied even the technological advances of World War I and it remained very much a cavalry and pack mule operation until the outposts were finally withdrawn in 1921 With *The Old Army in the Big Bend of Texas The Last Cavalry Frontier 1911 1921* Thomas T Ty Smith one of Texas s leading military historians has delved deep into the records of the U S Army to provide an authoritative portrait richly complemented by many photos published here for the first time of the final era of soldiers on horseback in the American West *Soldiers, Sutlers, and Settlers* Robert Wooster,1987 Texas frontiers in the 1840s were buffeted by disputes with Mexico and attacks by Indian tribes who refused to give up their lifestyles to make way for new settlers To ensure some measure of peace in the far reaches of Texas the U S Army established a series of military forts in the state These outposts varied in size and amenities but the typical installation was staffed with officers enlisted men medical personnel and civilian laundresses Many soldiers brought their families to the frontier stations While faced with the hardships of post life wives and children helped create a more congenial environment for everyone Book jacket *Five Years a Cavalryman : Or, Sketches of Regular Army Life on the Texas Frontier, Twenty Odd Years Ago* H. H. McConnell,1888 Personal narrative of army life from approximately 1867 1871 Includes appendices The cowboy s verdict by R G Carter pages 301 306 and Cattle thieving in Texas by WWW pages 307 313 **Why Texans Fought in the Civil War** Charles D. Grear,2010 In *Why Texans Fought in the Civil War* Charles David Grear provides insights into what motivated Texans to fight for the Confederacy Mining important primary sources including thousands of letters and unpublished journals he affords readers the opportunity to hear often in the combatants own words why it was so important to them to engage in tumultuous struggles occurring so far from home As Grear notes in the decade prior to the Civil War the population of Texas had tripled The state was increasingly populated by immigrants from all parts of the South and foreign countries When the war began it was not just Texas that many of these soldiers enlisted to protect but also their native states where they had family ties CHARLES DAVID GREAR who received his PhD in history from Texas Christian University is an assistant professor of history at Prairie View A M University He holds a PhD from Texas Christian University *Hood's Texas Brigade* Susannah J.

Ural,2017-11-13 One of the most effective units to fight on either side of the Civil War the Texas Brigade of the Army of Northern Virginia served under Robert E Lee from the Seven Days Battles in 1862 to the surrender at Appomattox in 1865 In Hood s Texas Brigade Susannah J Ural presents a nontraditional unit history that traces the experiences of these soldiers and their families to gauge the war s effect on them and to understand their role in the white South s struggle for independence According to Ural several factors contributed to the Texas Brigade s extraordinary success the unit s strong self identity as Confederates the mutual respect among the junior officers and their men a constant desire to maintain their reputation not just as Texans but as the top soldiers in Robert E Lee s army and the fact that their families matched the men s determination to fight and win Using the letters diaries memoirs newspaper accounts official reports and military records of nearly 600 brigade members Ural argues that the average Texas Brigade volunteer possessed an unusually strong devotion to southern independence whereas most Texans and Arkansans fought in the West or Trans Mississippi West members of the Texas Brigade volunteered for a unit that moved them over a thousand miles from home believing that they would exert the greatest influence on the war s outcome by fighting near the Confederate capital in Richmond These volunteers also took pride in their place in or connections to the slave holding class that they hoped would secure their financial futures While Confederate ranks declined from desertion and fractured morale in the last years of the war this belief in a better life albeit one built through slave labor kept the Texas Brigade more intact than other units Hood s Texas Brigade challenges key historical arguments about soldier motivation volunteerism and desertion home front morale and veterans postwar adjustment It provides an intimate picture of one of the war s most effective brigades and sheds new light on the rationales that kept Confederate soldiers fighting throughout the most deadly conflict in U S history Echoes of Glory Thomas E. Alexander,Dan K. Utley,2015-09-25 In their previous book Faded Glory A Century of Forgotten Texas Military Sites Then and Now historians Thomas E Alexander and Dan K Utley chose to go beyond the familiar military sites of Texas the Alamo or the San Jacinto battlefield for example to feature lesser known locations The book successfully recovered these forgotten arenas for tourists and preservationists alike Alexander and Utley now return with Echoes of Glory and the result is another impressive catalogue that highlights the hidden gems of Texas history Echoes of Glory explores two dozen rarely discussed but equally significant military sites across Texas From the establishment of a Spanish fortress at San Sab during the mission era to a multimillion dollar Cold War naval base readers will find a range of sites and stories to enlighten and entertain Rare illustrations contrast each site with how it appeared in its glory days to how it appears today Echoes of Glory underscores the need to preserve or fully interpret such places before they are lost forever

The book delves into Sopldiers Of Texas. Sopldiers Of Texas is a crucial topic that must be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Sopldiers Of Texas, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to Sopldiers Of Texas
- Chapter 2: Essential Elements of Sopldiers Of Texas
- Chapter 3: Sopldiers Of Texas in Everyday Life
- Chapter 4: Sopldiers Of Texas in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of Sopldiers Of Texas. The first chapter will explore what Sopldiers Of Texas is, why Sopldiers Of Texas is vital, and how to effectively learn about Sopldiers Of Texas.
3. In chapter 2, the author will delve into the foundational concepts of Sopldiers Of Texas. This chapter will elucidate the essential principles that need to be understood to grasp Sopldiers Of Texas in its entirety.
4. In chapter 3, this book will examine the practical applications of Sopldiers Of Texas in daily life. This chapter will showcase real-world examples of how Sopldiers Of Texas can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of Sopldiers Of Texas in specific contexts. This chapter will explore how Sopldiers Of Texas is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Sopldiers Of Texas. This chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Sopldiers Of Texas.
