Soulcraft How God Shapes Us Through Relationships:

Soulcraft Douglas D. Webster, 1999 This special book by Douglas D Webster reveals how God molds us into the people he wants us to be as we work and play and cry and laugh with each other in the daily grind of life **A Little Guide to Christian Spirituality** Glen G. Scorgie, 2009-05-26 Navigating the contemporary spiritual maze is a challenge This book will help readers Think clearly about Christian spirituality Understand its basic dynamics and Utilize classic and contemporary resources with discernment Join Glen on his sabbatical pilgrimages to Iona Abbey in Scotland spiritually significant sites in Italy and Turkey and renewal centers in North America Listen as he provides brief profiles of memorable people and places from the rich history of Christian spirituality Consider his rediscovery that Christian spirituality is about living all of life before God in the transforming and empowering presence of his Spirit This biblically informed book traces the contours of such an encompassing spirituality It offers a simple yet comprehensive model with three dimensions A relational dimension Christ with us A transformational dimension Christ in us and A vocational dimension Christ through us It is not meant to replace any of the devotional classics or a single one of the many helpful contemporary treatments of Christian spirituality It is a companion volume to the rest a modest sized but reliable guide to the whole field *Evaluating the Church Growth Movement* Zondervan, 2010-06-01 What exactly is the Church Growth movement This timely volume in the Counterpoints series addresses the history of the movement that has become such an enormous shaping force on the Western church today and it explores in a roundtable forum of leading voices five main perspectives on the classic Church Growth movement Effective Evangelism View presented by Elmer Towns Gospel in Our Culture View presented by Craig Van Gelder Centrist View presented by Charles Van Engen Reformist View presented by Gailyn Van Rheen Renovation View presented by Howard Snyder Each view is first presented by its proponent then critiqued by the co contributors The interactive and fair minded format allows the reader to consider the strengths and weaknesses of each view and draw informed personal conclusions Evaluating the Church Growth Movement concludes with reflections by three seasoned pastors who have grappled with the practical implications of Church Growth The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Spiritual Blindness Mark Allison, 2015-03-24 The New Testament teaches three specific things how individual Christians in the church are to conduct themselves o Love one another as Christ loved us o How men and women treat each other outside of marriage o How husbands and wives treat each other inside of marriage These three basic human relationships serve as a witness to those outside the church as an evangelistic tool How we deal with each other has ramifications for how we conduct ourselves spiritually before a lost world We have failed in these three basic relationships We need someone to step unafraid from the background and face down criticism and perhaps ridicule even persecution from

the self righteous who continue to lead the church away and resist the necessary course corrections in these final days Who will be willing to confront the issues head on in order for the world to know Christ Are you as part of His church ready for the second coming of our Lord Would you be willing to face discomfort and ridicule if you knew that God had called you to such a fate What discomfort are you willing to endure for the cause of Christ **The Biblical Gospel** Reid Hensarling,2012-06-20 This book explores the only sure solution to the ongoing problems of our world the biblical gospel of Jesus Christ A variety of viewpoints are presented from our religious political and economic spectrums but only the absolute truth of the gospel of Christ has the message that ultimately answers the most pressing questions and serious concerns of the human soul The book is concerned with encouraging and helping church leaders bring spiritual renewal to their people through the biblical gospel Chapter one explains what the gospel is and the importance of the Bible and shows how a limited number of biblical figures were used by the Lord to bring spiritual renewal to their people Chapter two describes the profound transformation that the proclamation of the gospel had upon sixteenth century England The pernicious dangers of our current postmodern culture are examined in chapter three along with the only effective solution the proclamation and reception of the biblical gospel Chapter four proposes a model for growth and transformation in Christ through the renewal of the clergy and laity The book concludes that mankind s only hope for eternal security and truth is found in the gospel of Jesus Christ as presented through the pages of the Bible The book illustrates that regardless of time place or nationality the gospel declaration alone has the power to change human beings from lives of sin and rebellion against God and one another to lives filled with love and devotion to Jesus Christ and others This book is designed to draw significant attention and interest to the churches obligation and critical calling by God to present the Holy Scriptures in a loving and truthful way to congregations that will bring lasting change to the body of Christ Only the gospel has the ability to renew and transform people from a life of sin and rebellion against God to a life of love devotion and service to Christ Lives start to change and people begin to think live and act more like Christ The promises and truths of the gospel bring to the believer eternal security lasting peace and unspeakable joy What an extraordinary additive to everyday living The faithful pastor is entrusted with God s Word to preach and teach absolute truth which upon reception by the people brings repentance forgiveness salvation and freedom Ministers who are obedient to the gospel bring tremendous blessing and hope to their flocks God s people are transformed and renewed and the kingdom of God is extended into a world desperately needing love and truth Spiritual Caregiving as Secular Sacrament Ray Anderson,2003-01-31 The author explores spirituality in the context of the individual and of society and discusses how those practicing pastoral or health care can deal with the issues raised outside of any religious ideas or practice Anderson shows how professionals can help people move towards a more positive state in the face of pain distress and illness *The Spirit of Adoption* Melanie Springer Mock,Martha Kalnin Diede,Jeremiah Webster,2014-10-14 The Spirit of Adoption explores many of the complexities inherent in adoption and its relationship to spirituality challenging us to move

beyond the common mythologies about adoption to consider the more difficult questions adoption raises about the nature of God family culture loss and joy Rather than hearing from experts in adoption this collection uses the narratives of birth parents adoptive parents and adoptees themselves bearing witness to the ways adoption shapes its participants spiritual lives By allowing others to narrate their spiritual journeys through adoption we hope to proclaim that adoption can be a wonderful powerful hopeful experience and one that is difficult painful despairing and that these paradoxes of adoption might be held together in God s hand

Understanding Religious Abuse and Recovery Patrick J. Knapp, 2021-04-21 Currently there are at least four major identifiable perspectives on how people best understand and recover from religious abuse Both secular and faith based Christian adherents can be variously identified in each of these approaches This book examines these viewpoints and evaluates their various strengths and limitations It concludes that each perspective is helpful to the extent possible given the limitations of its respective philosophic or theological assumptions This book summarizes each viewpoint and suggests a larger contextual perspective helpful to better understand involvement in and recovery from religiously abusive environments The conclusion is an integration of the various conceptual frameworks and a different model SECURE is described that includes essential principles and practical strategies necessary for recovery from religious abuse Suggestions are made for future research and study both for academics with interest in the cultic studies and counseling fields and for various people negatively affected by religious abuse and in need of recovery
