Sound Christian Doctrine:

Sound Doctrine Bobby Jamieson, 2013-04-30 How do you feel about doctrine Whatever answer comes to mind this book will not only convince you that sound doctrine is vital for living a godly life it will also explain the essential role of theology in the life of a healthy church Thinking rightly about God affects everything from guiding us in practical issues to growing a church's unity and witness This short readable book shows how good theology leads to transformation life and joy Part of the 9Marks Building Healthy Churches series [Sound Doctrine For Today's Christians; What the bible says](#) Rev. Preston N. Jr. Tolliver, 2009-08-17 Sound Doctrine for Today's Christians addresses a multitude of today's issues from a scriptural standpoint The author relies upon the scriptures to provide the commentary as chapter after chapter of Biblical clarity is given to provide sound doctrine for the reader The end result is a forthright scriptural presentation in complete thoughts as referenced from the King James Version exclusively of the Bible There are forty chapters presented that cover a gamut of topics from the reasons for reading the Bible to faith issues differentiation of Christianity in terms of denominations and from other religions personal life choices and the choices of a nation Profound statement after statement is presented with the irrefutable clarity of the scriptural basis provided for each statement This book provides a basis for Biblical doctrine examination and well as an awesome evangelistic thrust *Things Which Become Sound Doctrine* J. Dwight Pentecost, 1965 Fourteen key Bible doctrines including grace repentance sanctification security and predestination are explained in everyday terms **Know sound doctrine of Christ in order to grow in faith and in communion with God** Alain Michel FOPOUSSI DJOUAMEDA, 2020-03-25 Being in sound doctrine of Christ is fundamental According to the Word of God being a Christian is perfectly synonymous with being in sound doctrine of Christ To obey the Gospel of Christ is to receive his teaching In these end times when the subtle and refined counterfeit of Christian faith is spreading everywhere and when we are constantly subjected to all kinds of trials and attacks more difficult than the others it is more than ever necessary for any true Christian to know sound doctrine so as not to be swept away by foreign doctrines to fight the good fight of faith and to beware of false prophets and false anointed men these voracious wolves who spy on us and look for favourable opportunities to be able to devour us But knowing sound doctrine of Christ is above all necessary for our spiritual growth in order to have an ever deeper communion with our Lord and to get closer and closer to spiritual maturity **Sound Doctrine** Torben Sondergaard, 2013-10 According to the Bible sound doctrine creates true fear of the Lord If this fear of the Lord is missing in our churches as it seems to be it must be a sign that we do not preach the true Word of God and sound doctrine Teaching sound doctrine should cause us to see a need to surrender everything to God and to live in the light There is no darkness no sin when we are walking in the light 1 John 1:7 True godliness and holiness is required to walk with God In this prophetic word to the Church Torben brings us back to the Bible where sound doctrine is found including how to address sin in the church and in the individual Has the church been teaching sound doctrine Has it become soft on sin Can the church expect

its prayers to be answered if there is sin in the camp Is the church accursed because it has allowed sin to thrive unchallenged Can a person truly be born again and continue in conscious sin Have we been teaching a grace that tramples the blood of Jesus These are serious questions that must be addressed if we expect God to hear our prayers His word to the church
REPENT **Essential Christian Doctrine** John MacArthur,2021-03-03 A Concise Summary of Biblical Truth by John MacArthur Doctrine not only equips you with more knowledge about God it also shapes your affections toward him and directs your actions for him but it can be difficult to know where to begin This concise handbook developed from John MacArthur s larger work Biblical Doctrine is an entry point for studying theological topics such as the Bible the Holy Spirit the church and more As MacArthur walks through the essentials of the Christian faith doctrine by doctrine he ll not only encourage your heart and mind but also empower you to proclaim the faith that was once for all delivered to the saints Jude 3

tool for newcomers and seasoned veterans alike **Biblically Sound** Evan Lenow, 2014-08-09 Studying doctrine for the Christian often feels like watching a construction crew build a foundation There seems to be a great amount of activity but the results don't appear visible Just like the foundation is essential for the stability of a building studying theology is crucial to the long term stability of the believer The goal of this study is to provide you with the basics of biblical doctrine to make sure your foundation is sound At times this will feel like the difficult work of laying an unseen foundation for a building At other times however it will feel like we are soaring to great heights as we explore the breadth and length and height and depth of our faith During the course of this study we will consider the questions Why study theology Who is God Who am I What is the church Where do I go when I die Why do other people believe differently **Sound Doctrine (Burmese)** Bobby Jamieson, 2022-10-04 How do you feel about doctrine Whatever answer comes to mind this book will not only convince you that sound doctrine is vital for living a godly life it will also explain the essential role of theology in the life of a healthy church Thinking rightly about God affects everything from guiding us in practical issues to growing a church's unity and witness This short readable book shows how good theology leads to transformation life and joy *Dogmatics I* Emil Brunner, 2025-04-24 One of the great twentieth century works of theology Emil Brunner's *Dogmatics* series presents a profoundly biblical systematic theology Finding a path between Barth and Bultmann Brunner explores key doctrines such as the doctrine of God creation and redemption and the doctrine of the church and of faith These foundational texts from a leading theologian of the 20th century are crucial for scholars and students illuminating how modern Protestant theology was formed in the last century The first volume serves as an introduction to Brunner's view of dogmatics setting out the nature position and necessity of dogmatics before exploring the many facets of the doctrine of God In detailed vigorous explanation Brunner considers the nature and will of God including his name his holiness his wisdom and his glory Thorough insightful and extensive this first volume is an illuminating beginning to this series The second volume explores the fundamental concepts of the protestant doctrine from creation and the creator to man's position within creation sin and its consequences and the saving work of Jesus Brunner explores all of the possibilities of these fundamentals and his detailed thoughtful arguments are designed as he says to set us free to have a faith which is based on nothing save the Love of God revealed in Jesus Christ The third and final volume focusses on the theology of the Church as a reflection of God's self revelation through the Holy Spirit and an eternal consummation of Divine self communication Drawing together the understanding gleaned in the previous two volumes Brunner addresses the nature of the church and faith to bring his systematic biblical theology into the experiences of his readers *Outline of Christian Doctrine* Wilfried Harle, 2015-04-14 In this book Wilfried Harle so distills Protestant Christian teaching as to bring fresh insight both to new students and to experienced readers of systematic theology *Outline of Christian Doctrine* however is not merely a translation of Harle's classic German text Nicholas Sagovsky has also entirely adapted the original work to the needs and resources of English speaking readers Biblically rooted

contextually sensitive alert to philosophical issues and relevant with respect to debates about the world as we know it today

Herle's Outline of Christian Doctrine An Evangelical Dogmatics is an ideal contemporary theology book for both class use and individual study Genesis Steven L. Rogers, Courtney L. Johnson, 2021-11-19 As a sergeant in the United States Marine Corps my sworn duty was to guide teach and protect those who served in subordinate positions In this role it was critical to provide clear and concise information so that those who trusted my leadership would not be ignorant of the mission or threats The Apostle Paul gives an explicit command to believers to Study to shew thyself approved unto God a workman that needeth not to be ashamed rightly dividing the word of truth The reader should be forewarned this written work takes an unwavering confrontational approach with the sword of doctrine to pierce and cut away the customs traditions political correctness spiritualism and ignorance that has infiltrated and infected the body of Christ that is yielding illiterate believers that are unable to prove and defend the faith Lastly not all doctrine is sound Sound doctrine is truth that has been established in Genesis and echoes throughout eternity without changing with the seasons of moral relativism humanism and ecumenicalism Genesis Let There Be Sound Doctrine is a book written to fulfill Paul's command to educate and encourage the Christian believer in the undeniable truths of God's creation His identity and plan of salvation In this pursuit physical evidence is accompanied by Holy Ghost revelation expressed in a palatable way so the reader can harmonize their beliefs with the sound spoken from heaven **Basic Christian Doctrine** John H.
