But she's in shock and can't identify the shadowy driver speeding away from the scene. Almost immediately the small town homicide team springs into action led by Chris a black detective. The murder rekindles a previous case the mysterious death of an abused woman Sarah Crosby. Sarah's parents emerge as suspects the mother willing to do anything to keep a past concealed and a father well trained in the art of shooting. Set against a backdrop of marshes orchards and small rural towns in California's San Joaquin Valley amid drought conditions the struggle for survival exposes unrefined passions and a cast of characters evading an inevitable conflict all acting as decoys to the two murders.
