Spooling Through 4xcd An Irreverant Memoir:

Life As I Blow It Sarah Colonna, 2012-02-07 In this wickedly funny and irreverent memoir Chelsea Lately writer and comedian Sarah Colonna opens up about love life and pursuing her dreams and then screwing it all up Sarah believes we all struggle to grow up Sometimes we want to have fun not take things too seriously and have that fourth margarita Other times we would like to get married stay in order Chinese food and have a responsible secure life From her formative years in small town Arkansas to a later career of dates drinks and questionable day jobs Colonna attempts to reconcile her responsible side with her fun loving side Sometimes this pans out and sometimes she finds herself in Mexico handing out her phone number to anyone who calls her pretty She moves to Los Angeles to pursue acting but for years is forced to hone her bartending skills she wants a serious boyfriend but won't give up nights at the bar with her friends She tries to behave like an adult but can't seem to stop acting like a frat boy In the end she discovers that there doesn't have to be just one or the other And if there's one thing Colonna has learned from her many missteps it's that hindsight is always 100 proof Includes a Foreword by Chelsea Handler
