Sport Identity And Ethnicity:

Ethnicity, Sport, Identity Andrew Ritchie, 2004-03 This text deals with discrimination directed at those excluded from full participation in sport and the consequent struggle through sport for inclusion recognition and respect It deals also with sport as a source of cohesion between individuals and groups from persecuted ethnic minorities Sport, Identity and Ethnicity Jeremy MacClancy, 1996-03 Sport is now a major industry and one of increasing importance throughout both the developed and developing world but until now it has received little serious attention from anthropologists In this first general book on the anthropology of sport the contributors look at how different sports are used by a wide variety of peoples to express manipulate and negotiate their identities and to challenge the way they are defined by others Chapters address the role played by football teams in colonial Zimbabwe to express locals autonomy from their British rulers the evolution of one of Venice's central festive occasions its regatta from a ritual of state to a sport of the people modern and postmodern transformations of polo in Pakistan its original home the resolution of problematic aspects of social life in Turkey through wrestling the manner by which Catalan nationalists successfully exploited the Barcelona Olympics for their own political ends and the controversy between anglers and anti anglers in Britain This pioneering volume will be of interest to anthropologists sociologists sport historians and all those interested in this popular subject **Ethnicity, Sport, Identity** J. A. Mangan, Andrew Ritchie, 2004 This text deals with discrimination directed at those excluded from full participation in sport and the consequent struggle through sport for inclusion recognition and respect It deals also with sport as a source of cohesion between individuals and groups from persecuted ethnic minorities *Sporting Nationalisms* Mike Cronin, David Mayall, 1998 This collection examines the ways in which sport shapes the experiences of various immigrant and minority groups and in particular looks at the relationship between sport ethnic identity and ethnic relations **Sport, Representation and Evolving Identities in Europe** Philip Dine, Seán Crosson, 2010 Sport annually mobilizes millions of people across Europe as practitioners in a wide variety of competitive educational or recreational contexts and as spectators who are physically present or following events through the mass media This book presents original research into modern sport funded by the Irish Research Council for the Humanities and Social Sciences Its aim is to examine the distinctive contribution made by this complex phenomenon to the construction of European identities Attention is focused on sport's social significance as a set of mass mediated practices and spectacles giving rise to a network of images symbols and discourses The book seeks to explore and ultimately to explain the processes of representation and mediation involved in the sporting construction and subsequent renegotiation of local national and increasingly global identities It offers a survey of key developments in sporting Europe from the mid nineteenth century to the present and from the Atlantic to the Urals presenting findings by acknowledged international experts and emerging scholars at the level of individuals communities regions nation states and Europe as a whole in both its geographical and political incarnations Its focus on representation

offers a broadly conceived and consciously inclusive approach to issues of Europeanness in modern and contemporary sport

Sport, Tourism and National Identities John Harris, 2016-03-23 The role of both sport and tourism in the re creation and re presentation of national identities is well established yet relatively little work has critically explored the inter relationship between sport tourism and the creation and maintenance of national identities Despite the advances of globalization the nation continues to be an important part of both sport and tourism discourse and offers fertile ground for the exploration of identities in postmodern society The chapters in this collection consider the significance of important sports events and how this is understood in relation to the collective identities of some countries Authors outline some of the ways in which the nation matters and consider how and why national identities are important in contemporary sport tourism This book was originally published as a special issue of the Journal of Sport Tourism **Sport: Sport and power relations** Eric Dunning, Dominic Malcolm, 2003 A collection of texts providing a useful resource for students in the field of sports studies Subject headings include approaches to the study of sport the development and structure of modern sport sport and power relations and major issues in contemporary sport **Routledge Handbook of Sport, Race and Ethnicity** John Nauright, David K Wiggins, 2016-09-13 Few issues have engaged sports scholars more than those of race and ethnicity Today globalization and migration mean all major sports leagues include players from around the globe bringing into play a complex mix of racial ethnic cultural political and geographical factors These complexities have been examined from many angles by historians sociologists anthropologists and scientists This is the first book to offer a comprehensive survey of the full sweep of approaches to the study of sport race and ethnicity The Routledge Handbook of Sport Race and Ethnicity makes a substantial contribution to scholarship presenting a collection of international case studies that map the most important developments in the field Multi disciplinary in its approach it engages with a wide range of disciplines including history politics sociology philosophy science and gender studies It draws upon the latest cutting edge research to address key issues such as racism integration globalisation development and management Written by a world class team of sports scholars this book is essential reading for all students researchers and policy makers with an interest in sports studies Chapter 18 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license **Sport: Race, Ethnicity and Identity** Daryl Adair, 2015-04-27 This book discusses issues of diversity capacity and equity in the colourful world of global sport and addresses international dimensions of sport commonality and difference as well as the special circumstances of sport and social relations in particular places This book was published as a special issue of Sport in Society *Examining Identity in Sports Media* Heather L. Hundley, Andrew C. Billings, 2009-05-12 Including the work of top sports communication researchers Examining Identity in Sports Media explores identity issues including gender ethnicity nationality sexual orientation and disability as well as the intersections within these various identity issues This co edited twelve chapter book

investigates how various identity groups are framed treated affected and shaped by a ubiquitous sports media including television magazines film the Internet and newspapers While other books may devote a chapter or section to issues of identity in sports media this book offers a complete examination of identity from cover to cover allowing identity variables to be both isolated and intermingled to capture how identity is negotiated within sports media platforms Far more than a series of case studies this book surveys the current state of the field while providing insight on future directions for identity scholarship in sports communication Examining Identity in Sports Media is ideal for undergraduate or graduate level courses in Sports Communication Sports Media Media Criticism Sports Sociology Gender Communication and Identity Politics

The Native American Identity in Sports Frank A. Salamone,2012-11-08 On October 15 1964 Billy Mills became the only American to win an Olympic Gold Medal for the 10 000 meters It was but one notable triumph in sports by a Native American Yet unlike Mills s achievement most significant contributions from Native Americans have gone unheralded From individual athletes teams and events it is clear that the Vanishing Americans are not vanishing but they are sadly overlooked The Native American Identity in Sports Creating and Preserving a Culture not only includes but goes beyond the great achievements of Billy Mills to note numerous other instances of Native American accomplishment and impact on sports This collection of essays examines how sport has contributed to shaping and expressing Native American identity from the attempt of the old Indian Schools to Americanize Native Americans through sport to the Indian mascot controversy and what it says about the broader public view of Native Americans Additional essays explore the contemporary use of the traditional sport Toka to combat obesity in some Native American communities the Seminoles commercialization of alligator wrestling a Native sport that was in fact only developed as a sport due to interest from tourists and much more The contributions to this volume not only tell the story of Native Americans participation in the world of sports but also how Native Americans have changed and enriched the sports world in the process For anyone interested in the deep effect sport has on culture The Native American Identity in Sports is an indispensable read

International Sport Richard William Cox,2004 There has been an explosion in the quantity of sports

history literature published in recent years making it increasingly difficult to keep abreast of developments The annual number of publications has increased from around 250 to 1 000 a year over the last decade This is due in part to the fact that during the late 1980s and 90s many clubs leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements It is also the result of the growing popularity and realisation of the importance of sport history research within academe This international bibliography of books articles conference proceedings and essays in the English language is a one stop for the sports historian to know what is new

Sport and Memory in North America Stephen G. Wieting, 2019-07-23 Cultures and nations remember themselves with select bodily images evocative rituals and texts This volume illustrates how sport is used in the creation maintenance and now global dissemination of a nation's cherished values Carefully drawn cases of sport in North America American baseball and football figure skating and gymnastics Canadian hockey and track and field for example show the potency of sport's cultural work The book captures uplifting images which are stressed in the public performance and national and international broadcasting of sport but also notes the omissions and distortions of social reality that persist in sport performance and mass marketing in North America

Rugby's Great Split Tony Collins, 2012-10-12 Since its first publication Rugby's Great Split has established itself as a classic in the field of sport history Drawing on an unprecedented range of sources this deeply researched and highly readable book traces the social cultural and economic divisions that led in 1895 to schism in the game of rugby and the creation of rugby league the sport of England's northern working class Tony Collins analysis challenges many of the conventional assumptions about this key event in rugby history about class conflict amateurism in sport the North South divide violence on the pitch the development of mass spectator sport and the rise of football This new edition is expanded to cover parallel events in Australia and New Zealand and to address the key question of rugby league's failure to establish itself in Wales Rugby's Great Split is a benchmark text in the history of rugby and an absorbing case study of wider issues issues of class gender regional and national identity and the impact of the commercialization and recent professionalization of rugby league This insightful text is for anyone interested in Britain's social history or in the emergence of modern sport it is vital reading

Sporting Nationalisms Mike Cronin, David Mayall, 2005-07-08 This volume examines the ways in which sport shapes the experiences of various immigrant and minority groups and in particular looks at the relationship between sport ethnic identity and ethnic relations The articles in this volume are concerned primarily with British American and Australian sporting traditions and the themes covered include the consolidation of ethnic identity in host societies through participation immigrant sports and exclusive sporting organizations assimilation into host societies through participation in indigenous national sports and the construction by outsiders of separate ethnic identities according to sporting criteria
