Sporting Excellence:

AS Level Textbook John Honeybourne, Michael Hill, Helen Moors, 2000 The second edition of this well established text has been updated to match the revised course specifications for OCR AQA and Edexcel syllabuses **In Pursuit of Excellence** Michael Hill, 2007-06-11 This entry level text offers new students a comprehensive introduction to the phenomenon of high performance sport Includes well presented pedagogical content with case studies questions for discussion websites and further reading Written for A level and undergraduate level *Ethics in Sport* William J. J. Morgan, 2024-11-06 Ethics in Sport Fourth Edition offers a total of 33 essays from influential authors These essays provide readers with classic and contemporary views on ethical issues in today's sport culture The fourth edition of Ethics in Sport contains nine new essays that address the latest topics in the world of sport that have provoked widespread controversy These issues concern among other things whether esports electronic sports are bona fide sports whether gamesmanship is acceptable in sports competition and whether transgender athletes who transition from male to female should be allowed to compete in sports reserved for women and under what conditions Each part begins with an introduction that encapsulates relevant ethical concepts and contextualizes the issues in the upcoming essays Throughout the text discussion questions prompt students to reflect on the information presented and to consider how ethical issues affect our society and their own lives An instructor guide offers tools to facilitate these discussions as well as over 50 assignment recommendations With a wealth of new essays Ethics in Sport Fourth Edition offers philosophical insights from the most influential minds in the study of ethics and keeps readers abreast of current issues **Sport And British Politics Since 1960** John F. Coghlan, Ida Webb, 2003-12-16 The author has used his experience on the Sports Council as well as his many years in the field to record the development of sport in Britain and the direct relationship between sport and politics *Stakeholder Analysis and Sport Organisations* Anna-Maria Strittmatter, Josef Fahlén, Barrie Houlihan, 2021-12-26 This book provides a critical examination of the origins and development of stakeholder theory within sport management research and expands the existing literature by providing insights on stakeholding in sport from various perspectives such as governance communication and marketing Examining cases from around the world and from a wide range of different sporting contexts each chapter reflects on key insights derived from stakeholder theory before offering an analysis of the limitations of the theory and the ways in which it might be fruitfully extended or developed It offers suggestions on how the literature on stakeholding in sport can be advanced in order to provide knowledge relevant not only to sport studies but also to organisation theory more broadly and points to future avenues of inquiry in order to extend the reach of stakeholder theory and other inter organisational perspectives in sport management research Stakeholder Analysis and Sport Organisations is fascinating reading for any advanced student researcher policy maker or practitioner with an interest in sport management sport governance sport development or organisational theory *Advanced PE for Edexcel* Frank Galligan, 2000 PE is one of the fastest growing A

level subjects Members of the Edexcel PE examining team have now written a student book which follows this specification unit by unit The Bloomsbury Companion to the Philosophy of Sport Cesar R. Torres, 2014-04-24 This monograph addresses a perceived lack of clarity in the recent turns toward theological interpretation presenting an understanding of theological interpretation that is highly eclectic **The Psychology of Sub-Culture in Sport and Physical Activity** Robert J. Schinke, Kerry R. McGannon, 2014-08-21 International Perspectives on Key Issues in Sport and Exercise Psychology is a series of edited books with a global focus which reflect the state of art in areas of current and emerging interest in the study of sport and exercise psychology Each volume in the series contributes to the better understanding of a key issue facing researchers and practitioners in sport psychology This volume in the series focuses upon the sociocultural issues that challenge and often undermine participation performance and well being in sports Contributors address a number of important issues such as exclusion miscommunication and ineffective practice in sport The book extends the recent interest in culture within sport psychology by using a critical approach to highlight less mainstream sports such as martial arts circus arts extreme sports and dance and it will help sports participants and social scientists to gain an understanding of these marginalized sporting identities By highlighting subcultural contexts with their individual practices and values it is hoped that the volume will promote the goal of achieving a more just inclusive and ethical sport psychology The Psychology of Sub Culture in Sport and Physical Activity will be ideal reading for sport and exercise academics and practitioners advanced students of applied sport psychology and related fields such as sport science critical studies sociology cultural studies and social anthropology Ethics and Sport in Europe Dominique Bodin, Gaelle Sempé, 2011-01-01 Defending ethics in sport is vital in order to combat the problems of corruption violence drugs extremism and other forms of discrimination it is currently facing Sport reflects nothing more and nothing less than the societies in which it takes place However if sport is to continue to bring benefits for individuals and societies it cannot afford to neglect its ethical values or ignore these scourges The major role of the Council of Europe and the Enlarged Partial Agreement on Sport EPAS in addressing the new challenges to sports ethics was confirmed by the 11th Council of Europe Conference of Ministers responsible for Sport held in Athens on 11 and 12 December 2008 A political impetus was given on 16 June 2010 by the Committee of Ministers with the adoption of an updated version of the Code of Sports Ethics Recommendation CM Rec 2010 9 emphasising the requisite co ordination between governments and sports organisations The EPAS prepared the ministerial conference and stepped up its work in an international conference organised with the University of Rennes which was attended by political leaders athletes researchers and officials from the voluntary sector The key experiences described in the conference and the thoughts that it prompted are described in this publication All the writers share the concern that the end result should be practical action particularly in terms of the setting of standards that falls within the remit of the EPAS and promotes the Council of Europe s core values **Sports and City Marketing in European Cities** Leo van den Berg, Erik Braun, Alexander H.J.

Otgaar,2017-03-02 In our increasingly global and commercial world where once sport would only have been seen by a few thousand on the terraces it is now watched by many millions via satellite This mass global audience is invited not only to watch the sporting event but also to visit the city where it takes place Such events may help promote the host city as a tourist destination and business location City governors are becoming increasingly aware of the possibilities of using sport as an instrument of reaching objectives of urban management This engaging book investigates the state of the art of sports and city marketing in five European cities Rotterdam Barcelona Helsinki Manchester and Turin In each of these cities the book examines how sports accommodations clubs and events have been made an instrument of city marketing and how the cities have attempted to maximize their potential through sports and city marketing policies A comparison of the findings highlights the merits or disadvantages of sports clusters and strategic co operation in sports and city marketing **Sport in the City** Chris Gratton,Ian Henry,2002-09-09 This book covers the significance of sport in economic cultural and political terms It discusses the theory and practice of sports related policy for urban development **Values in Sport** Claudio Tamburrini,Torbjörn Tännsjö,2002-01-04 How will sport keep pace with current scientific and biological advances Is the possibility of the bionic athlete that far away and is this notion as bad as it might first appear Is our fascination with sport winners fascistoid Questions such as these and many others are posed and examined by the contributors to this volume Some are sceptical of future developments in sport and demand radical reforms to halt progress others are more optimistic and propose that sport should adapt to new advances just as other realms of the cultural sphere have to Some of the topics examined here such as the genetic engineering of athletes and the significance of the public s fascination with sport winners are being discussed for the first time whilst others such as sex segregation nationalism and doping are being revisited and reintroduced onto the agenda after a period of suggestive silence This book provides the reader with a deep insight into the moral and ethical value we place on sport in today s society Challenging and demanding its contributors urge us to think again about current sports practices and the future of sport as a cultural phenomenon *Elite Youth Sport Policy and Management* Elsa Kristiansen,Milena M. Parent,Barrie Houlihan,2016-10-04 Elite youth sport competitions have increased significantly in number in recent years with the Youth Olympic Games representing the high point of this phenomenon This book examines the global context within which elite youth sport has emerged and continues to grow It explores elite youth sport policy across fifteen countries in Europe the Americas Africa and Asia addressing the questions of how youth talent development is organised and why elite youth sport has become so popular Taking a comparative global perspective the book analyses the growth in more systematic approaches to young athlete development and the increasing emphasis on early talent identification It discusses the attitude of stakeholders such as NGBs governments and sponsors towards elite youth sport while also considering how young elite athletes interests are protected and how the growth in elite youth sport affects a sport s development strategy Written by a team of internationally renowned researchers *Elite Youth Sport Policy and*
