boys are able to find solace in each other and in rock n roll As *Thirty Rooms to Hide In* follows the story of the Sullivan family at times grim at others poignant there is a wonderful dark humor that lifts the narrative Tragic funny and powerfully evocative of the 1950s and 1960s *Thirty Rooms to Hide In* is a tale of public success and private dysfunction personal and familial resilience and the strange power of humor to give refuge when it is needed most even if it can t always provide the answers
