Schroeder's Antiques Price Guide Schroeder, 1997-08 The biggest most comprehensive antiques guide available with over 50 000 listings and values of 600 of the hottest collectible categories expands its range in the all new 16th edition to include several collectibles which have become hot over the past several months The one to buy for factual information and quality Schroeder's Antiques Price Guide better than ever Illustrations *Dixie Bohemia* John Shelton Reed, 2012-09-17 In the years following World War I the New Orleans French Quarter attracted artists and writers with its low rents faded charm and colorful street life By the 1920s Jackson Square had become the center of a vibrant if short lived bohemia A young William Faulkner and his roommate William Spratling an artist who taught at Tulane University resided among the artful and crafty ones of the French Quarter In *Dixie Bohemia* John Shelton Reed introduces Faulkner's circle of friends ranging from the distinguished Sherwood Anderson to a gender bending Mardi Gras costume designer and brings to life the people and places of New Orleans in the Jazz Age Reed begins with Faulkner and Spratling's self published homage to their fellow bohemians Sherwood Anderson and Other Famous Creoles The book contained 43 sketches of New Orleans artists by Spratling with captions and a short introduction by Faulkner The title served as a rather obscure joke Sherwood was not a Creole and neither were most of the people featured But with Reed's commentary these profiles serve as an entry into the world of artists and writers that dined on Decatur Street attended masked balls and blatantly ignored the Prohibition Act These men and women also helped to establish New Orleans institutions such as the Double Dealer literary magazine the

Arts and Crafts Club and Le Petit Theatre But unlike most bohemia the one in New Orleans existed as a whites only affair Though some of the bohemians were relatively progressive and many employed African American material in their own work few of them knew or cared about what was going on across town among the city's black intellectuals and artists The positive developments from this French Quarter renaissance however attracted attention and visitors inspiring the historic preservation and commercial revitalization that turned the area into a tourist destination Predictably this gentrification drove out many of the working artists and writers who had helped revive the area As Reed points out one resident who identified herself as an artist on the 1920 federal census gave her occupation in 1930 as saleslady real estate reflecting the decline of an active artistic class A charming and insightful glimpse into an era Dixie Bohemia describes the writers artists poseurs and hangers on in the New Orleans art scene of the 1920s and illuminates how this dazzling world faded as quickly as it began
