hand in Hand Randy Alcorn, 2014-10-14 A careful guide through Scripture hand in Hand shows us why God s sovereignty and meaningful human choice work together in a beautiful way If God is sovereign how can I be free to choose But if God is not sovereign how can he be God Is it possible to reconcile God s sovereignty with human choice This is one of the most perplexing theological questions It s also one of the most personal In hand in Hand Randy Alcorn says that the traditional approach to this debate has often diminished our trust in God and his purposes Instead of making a one sided argument from select verses Alcorn examines the question in light of all Scripture By exploring what the whole Bible says about divine sovereignty and human choice hand in Hand helps us Carefully and honestly examine the different views on this issue Gain a deeper understanding of God Appreciate God s design in providing us the freedom of meaningful choice See the value in better understanding what we cannot fully understand Learn how to communicate about the issue in clear and compassionate ways More fully experience the unity Christ intends for his Church Includes small group discussion questions

Another Jesus, a Different Spirit, a Different Gospel Steven H. Propp, 2011-12-13 Its the Christmas season the most

wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel A Multicultural Christmas will be pleased to see a brief reappearance of two characters from that book
