

Reading John Holman's *Squabble* makes me wonder if he can see in the dark — the stories are wonderfully daffy, tough and true, and exceptionally real — they're so surprising you think that stuff like this must happen when you're not looking, or when you're asleep. The stories in *Squabble* are as good as fiction gets, so don't waste time reading the outside of the book, open it and try out 'The Story of Art History,' in which people dance on lingerie, or 'Sooff,' or 'Hard Lights, Water, and Wink.' These are stories check-full of nuts, in the absolutely best sense."

Squabble And Other Stories:

Squabble, and Other Stories John Holman, 1990 In his remarkable debut collection John Holman probes the slightly surreal lives of blacks in the New South *Diary of a Madman and Other Stories* Lu Xun, 2021-05-25 Here at last is an accurate and enjoyable rendering of Lu Xun's fiction in an American English idiom that masterfully captures the sardonic wit melancholy pathos and ironic vision of China's first truly modern writer Michael S Duke University of British Columbia The inventor of the modern Chinese short story Lu Xun is universally regarded as twentieth century China's greatest writer This long awaited volume presents new translations of all Lu Xun's stories including his first Remembrances of the Past written in classical Chinese These new renderings faithfully convey both the brilliant style and the pungent expression for which Lu Xun is famous Also included are a substantial introduction by the translator and sufficient annotation to make the stories fully accessible enabling readers approaching Lu Xun for the first time to appreciate why these stories occupy a permanent place not only in Chinese literature but in world literature as well

Vaquita and Other Stories Edith Pearlman, 1996-11-15 Winner of the 1996 Drue Heinz Literature Prize When asked to describe her short stories Edith Pearlman replied that they are stories about people in peculiar circumstances aching to Do The Right Thing She elaborated with the same wit and intimacy that make her stories a delight to read Before I was a writer I was a reader and reading remains a necessary activity occupying several joyous hours of every day I like novels essays and biographies but most of all I like the short story narrative at its most confiding My own work and particularly the stories in *Vaquita* aims at a similar intimacy between writer and reader My imagined reader wants to know who loves whom who drinks what and mostly who answers to what summons Thank Heavens for Spike Lee Before his movies writers and critics had to natter about moral stances now I can say with a more tripping tongue that my characters are people in peculiar circumstances aching to Do The Right Thing if only they can figure out what The Right Thing is If not they'll at least Do Their Own Right Thing Right And I'm drawn to heat sweltering Central American cities a steamy soup kitchen Jerusalem in midsummer the rekindled passion of an old historian the steady fire of terminal pain I like solitaires oddities charlatans and children My characters are secretive in almost every story somebody harbors a hidden love dread regret or the memory of an insult awaiting revenge When I stop writing stories I plan to write letters short and then shorter My mother could put three sentences onto a postcard and make the recipient think he'd read a novel I'm working towards a similar compression

The Metamorphosis and Other Stories Franz Kafka, 2015-12-01 A man awakens to find himself transformed into a giant vermin a performer starves himself to death as a circus attraction a fiendish engine of capital punishment engraves the letter of the law into the body of the condemned Such are the nightmare scenarios that emerge in the short stories of Franz Kafka one of the twentieth century's most formative mystifying literary figures Though immediate in their impact Kafka's stories invite endless angles of interpretation from Freudian psychology and existentialist philosophy to animal studies This volume presents *The Metamorphosis* together with

several other of Kafka's best and best known stories in a nuanced clear and powerful translation by Ian Johnston. The appendices provide philosophical literary and cultural context as well as valuable selections from Kafka's own letters and drawings.

Anaro and Other Stories M. Bhagat, 2001. This collection of Manjul Bhagat's stories translated from Hindi by the author herself deals with the experiences of women, children, and men wrestling with life not from positions of strength but nevertheless wrenching bits and pieces of their dreams. Anaro, winner of the Yashpal Award, is the story of a bold woman authoritatively sketched in brave strokes who keeps fighting to keep her dreams alive in the face of mounting debts.

Ancestral House Charles Rowell, 2021-11-18. An anthology of 70 short stories by writers of African descent. The authors are from Europe and the Americas; about half of them from the United States, and they include Alice Walker, Hal Bennett, and John Edgar Wideman.

The Lever of Riches Joel Mokyr, 1992-04-09. In a world of supercomputers, genetic engineering, and fiber optics, technological creativity is ever more the key to economic success. But why are some nations more creative than others, and why do some highly innovative societies such as ancient China or Britain in the industrial revolution pass into stagnation? Beginning with a fascinating concise history of technological progress, Mokyr sets the background for his analysis by tracing the major inventions and innovations that have transformed society since ancient Greece and Rome. What emerges from this survey is often surprising: the classical world, for instance, was largely barren of new technology; the relatively backward society of medieval Europe bristled with inventions; and the period between the Reformation and the Industrial Revolution was one of slow and unspectacular progress in technology despite the tumultuous developments associated with the Voyages of Discovery and the Scientific Revolution. What were the causes of technological creativity? Mokyr distinguishes between the relationship of inventors and their physical environment, which determined their willingness to challenge nature, and the social environment, which determined the openness to new ideas. He discusses a long list of such factors, showing how they interact to help or hinder a nation's creativity, and then illustrates them by a number of detailed comparative studies examining the differences between Europe and China between classical antiquity and medieval Europe, and between Britain and the rest of Europe during the industrial revolution. He examines such aspects as the role of the state, the Chinese gave up a millennium-wide lead in shipping to the Europeans, for example, when an emperor banned large ocean-going vessels; the impact of science as well as religion, politics, and even nutrition. He questions the importance of such commonly cited factors as the spill-over benefits of war, the abundance of natural resources, life expectancy, and labor costs. Today, an ever greater number of industrial economies are competing in the global market, locked in a struggle that revolves around technological ingenuity. *The Lever of Riches*, with its keen analysis derived from a sweeping survey of creativity throughout history, offers telling insights into the question of how Western economies can maintain and developing nations can unlock their creative potential.

Holocaust enters into a romantic relationship with Rachel Klein a therapist with children and a Holocaust survivor Gradually Greenfield confronts the unhealed wounds of the survivor and more disturbing the limits of his own compassion In another story Michael Arnold returning to Jewish observance after an aimless life fills his days with acts of loving kindness and then makes a decision that costs him the wife he loves Indifference to human suffering guilt and repentance the loss of a son in war and its impact on family the failed attempt to repair broken intimacy these are some of the themes that receive moving expression in this collection of stories Teichman s characters feel the pull of Jewish values They have good intentions and want to lead good lives but like many of us often lack the inner strength to become their best selves Milton Teichman speaks to us as a modern day Bernard Malamud In these stories Teichman raises issues of shame fear love failure and courage and the deep personal challenges that lead to understanding and growth A Teacher of the Holocaust is a thinking person s page turner Kathleen Spivack author of With Robert Lowell and His Circle and Unspeakable Things *Love and Other Stories* Anton Chekhov,2021-12-07 *Love and Other Stories* 1922 is a collection of twenty three stories by Russian writer Anton Chekhov Recognized today as foundational for the development of the modern short story Anton Chekhov has transcended Russian literature to become one of the most popular and acclaimed authors in history in any language This collection showcases the author s unique talent for illuminating the intricacies of love and critiquing the values of social and political circles In *Love* an aging bachelor meets a beautiful young woman named Sasha sending passionate letters and soon proposing to her Despite signs of irreconcilable differences namely Sasha s youthful innocence and childish disposition he marries her and soon longs for the freedom of single life A Country Cottage follows a young couple on a moonlit stroll in the vicinity of their humble home Passing the local train station they playfully discuss their plans for dinner while remarking on the beauty of the landscape When a train passes through bearing a group of unexpected visitors however they find themselves torn between a longing for solitude and their tedious social obligations In *The Death of a Government Clerk* a low level official accidentally sneezes on the person sitting in front of him during a theater performance only to realize the man is a prominent General Horrified the clerk spends the next day attempting to atone for his mistake only to enrage the man further With a beautifully designed cover and professionally typeset manuscript this edition of Anton Chekhov s *Love and Other Stories* is a classic of Russian literature reimagined for modern readers **Modeste Mignon and Other Stories** Honoré de Balzac,1898 **Modeste Mignon and other stories** Honoré de Balzac,1898 **Arthur Glyn : and other stories** Ruth Lamb,2025-03-02 In *Arthur Glyn and Other Stories* Ruth Lamb presents a poignant collection of narratives that traverse the emotional and psychological landscapes of her characters With a distinctive literary style marked by rich imagery and nuanced character development these stories delve into themes of longing identity and the human condition Lamb s deft use of language creates an immersive experience drawing readers into a world where the complexities of life are explored with both sensitivity and depth echoing the traditions of modernist literature while incorporating contemporary

sensibilities Ruth Lamb an author known for her keen observations and profound empathy draws from her extensive background in psychology and sociology to inform her storytelling Her experiences in varied cultural contexts provide a unique lens through which she examines her characters inner lives and relationships This rich tapestry of influences has undoubtedly inspired the intricate narratives in this collection reflecting a deep understanding of the forces that shape human experience Readers seeking thought provoking fiction that challenges perceptions of self and society will find *Arthur Glyn and Other Stories* an invaluable addition to their library Lamb s ability to weave together the mundane and the extraordinary invites contemplation making this collection a must read for anyone interested in contemporary literature that resonates on multiple levels

The Jew and Other Stories Ivan Sergeyevich Turgenev,2005-09-20 Purchase one of 1st World Library s Classic Books and help support our free internet library of downloadable eBooks Visit us online at www.1stWorldLibrary.ORG In studying the Russian novel it is amusing to note the childish attitude of certain English men of letters to the novel in general their depreciation of its influence and of the public s inordinate love of fiction Many men of letters to day look on the novel as a mere story book as a series of light coloured amusing pictures for their idle hours and on memoirs biographies histories criticism and poetry as the age s serious contribution to literature Whereas the reverse is the case The most serious and significant of all literary forms the modern world has evolved is the novel and brought to its highest development the novel shares with poetry to day the honour of being the supreme instrument of the great artist s literary skill To survey the field of the novel as a mere pleasure garden marked out for the crowd s diversion a field of recreation adorned here and there by the masterpieces of a few great men argues in the modern critic either an academical attitude to literature and life or a one eyed obtuseness or merely the usual insensitive taste The drama in all but two countries has been willy nilly abandoned by artists as a coarse playground for the great public s romps and frolics but the novel can be preserved exactly so long as the critics understand that to exercise a delicate art is the one serious duty of the artistic life It is no more an argument against the vital significance of the novel that tens of thousands of people that everybody in fact should to day essay that form of art than it is an argument against poetry that for all the centuries droves and flocks of versifiers and scribblers and rhymesters have succeeded in making the name of poet a little foolish in worldly eyes

The Cook's Wedding and Other Stories Anton Chekhov,2006-07 GRISHA a fat solemn little person of seven was standing by the kitchen door listening and peeping through the keyhole In the kitchen something extraordinary and in his opinion never seen before was taking place A big thick set red haired peasant with a beard and a drop of perspiration on his nose wearing a cabman s full coat was sitting at the kitchen table on which they chopped the meat and sliced the onions He was balancing a saucer on the five fingers of his right hand and drinking tea out of it and crunching sugar so loudly that it sent a shiver down Grisha s back Aksinya Stepanovna the old nurse was sitting on the dirty stool facing him and she too was drinking tea Her face was grave though at the same time it beamed with a kind of triumph Pelageya the cook was busy at the

stove and was apparently trying to hide her face
