Squatters and the Roots of Mau Mau, 1905-63 Tabitha Kanogo, 1987 *Squatters and the roots of Mau Mau, 1905-63* T. Kanogo, 1987 **Squatters and the Roots of Mau Mau, 1905-63** Tabitha M. Kanogo, 1987 The author follows the story of the squatters farming the land in the White Highlands at first unused by the Europeans After 1923 the white settlers demanded more labour from the squatters and began to restrict their use of the land for cultivation and animal husbandry until by the early 1940s most of the squatters livestock had gone Kanogo traces the squatters increasing poverty and disillusion and their involvement in Mau Mau particularly that of the women North America Ohio U Press Kenya EAEP

Squatters and the Roots of Mau Mau, 1905-63 Tabitha M. Kanogo, 1987 This is a study of the genesis evolution adaptation and subordination of the Kikuyu squatter labourers who comprised the majority of resident labourers on settler plantations and estates in the Rift Valley Province of the White Highlands The story of the squatter presence in the White Highlands is essentially the story of the conflicts and contradictions that existed between two agrarian systems the settler plantation economy and the squatter peasant option Initially the latter developed into a viable but much resented sub system which operated within and to some extent in competition with settler agriculture This study is largely concerned with the dynamics of the squatter presence in the White Highlands and with the initiative self assertion and resilience with which they faced their subordinate position as labourers In their response to the machinations of the colonial system the squatters were neither passive nor malleable but on the contrary actively resisted coercion and subordination as they struggled to carve out a living for themselves and their families It is a firm conviction of this study that Kikuyu squatters played a crucial role in the initial build up of the events that led to the outbreak of the Mau Mau war from the introduction Girl Power? Sarah Bellows-Blakely, 2025-05-06 An examination of how when and why austerity capitalism and strands of feminism became intertwined and why girl focused programs have been at the heart of international policymaking Girl focused education programs have long been at the heart of international policymaking when girls access to education is ensured the reasoning goes they are more likely to turn into productive adults who can drive economic growth These ideas combine strands of feminism and capitalism that have a specific and understudied origin In this book historian Sarah Bellows Blakely shows how a doctored study of girls education in East and Southern Africa led to the creation of international norms in the United Nations that would go on to guide policymaking on women s rights and economic growth promoting neoliberal feminist policy at the expense of other forms of gender based justice Focusing on the growth of free market feminism and girl focused economic development planning through the relationship between UNICEF and the Nairobi based NGO FEMNET Bellows Blakely reveals how their joint efforts set the blueprints for linked movements of economic development and women s rights that are still ongoing Through a narrative of the UNICEF FEMNET lobbying campaign Bellows Blakely shows how multiple contested girl focused visions of economic programming and gender justice became selectively erased in favor of an

approach to global policy centered on the free market construction and strategic deployment of the African girl child

Empire State-building Joanna Lewis, 2000 This exhaustive history profiles the late colonial state as it occurred in the British occupation of Kenya Lewis history U of Durham UK relying on her extensive research into archival records first places her focus on a cross section of the colonial administration showing how it changed during WWII She then examines the working lives of welfare officers and their relation with the administration before describing the ultimate fragmentation of British rule The neglect of Kenyan women lack of community medicine and failure to address poverty are themes that recur throughout this history c Book News Inc *Decolonization in Africa* John D. Hargreaves, 2014-07-30 John Hargreaves examines how the British French Belgian Spanish and Portuguese colonies in tropical Africa became independent in the postwar years and in doing so transformed the international landscape African demands for independence and colonial plans for reform central to the story are seen here in the wider context of changing international relationships *Historical Companion to Postcolonial Literatures in English* Prem Poddar, 2019-08-07 This is the first reference guide to the political cultural and economic histories that form the subject matter of postcolonial literatures written in English The focus of the Companion is principally on the histories of postcolonial literatures in the Anglophone world Africa the Middle East South Asia South east Asia Australia and New Zealand the Pacific the Caribbean and Canada There are also long entries discussing the literatures and histories of those further areas that have also claimed the title postcolonial notably Britain East Asia Ireland Latin America and the United States The Companion contains 220 entries written by 150 acknowledged scholars of postcolonial history and literature covers major events ideas movements and figures in postcolonial histories long regional survey essays on historiography and women s histories Each entry provides a summary of the historical event or topic and bibliographies of postcolonial literary works and histories Extensive cross references and indexes enable readers to locate particular literary texts in their relevant historical contexts as well as to discover related literary texts and histories in other regions with ease *Decolonization & Independence in Kenya, 1940-93* Bethwell A. Ogot, William Robert Ochieng', 1995 This is a sharply observed assessment of the history of the last half century by a distinguished group of historians of Kenya At the same time the book is a courageous reflection in the dilemmas of African nationhood Professor B A Ogot says The main purpose of the book is to show that decolonization does not only mean the transfer of alien power to sovereign nationhood it must also entail the liberation of the worlds of spirit and culture as well as economics and politics The book also raises a more fundamental question that is How much independence is available to any state national economy or culture in today s world It asks how far are Africa s miseries linked to the colonial past and to the process of decolonization In particular the book raises the basic question of how far Kenya is avoidably neo colonial And what does neo colonial dependence mean The book answers these questions by discussing the dynamic between the politics of decolonization the social history of class formation and the economics of dependence The book ends with a provocative epilogue discussing the transformation of the

post colonial state from a single party to a multi party system **Religion and Poverty** Peter J. Paris,2009-11-25 Examines religion centered resistance strategies of the poor in Africa and its diaspora analyzing the roots and structure of this poverty religion s interaction with globalization and informal markets and how the politics of social and economic amelior *An Uncertain Age* Paul Ocobock,2017-03-27 In twentieth century Kenya age and gender were powerful cultural and political forces that animated household and generational relationships They also shaped East Africans contact with and influence on emergent colonial and global ideas about age and masculinity Kenyan men and boys came of age achieving their manhood through changing rites of passage and access to new outlets such as town life crime anticolonial violence and nationalism And as they did the colonial government appropriated masculinity and maturity as means of statecraft and control In *An Uncertain Age* Paul Ocobock positions age and gender at the heart of everyday life and state building in Kenya He excavates in unprecedented ways how the evolving concept of youth motivated and energized colonial power and the movements against it exploring the masculinities boys and young men debated and performed as they crisscrossed the colony in search of wages or took the Mau Mau oath Yet he also considers how British officials own ideas about masculinity shaped not only young African men s ideas about manhood but the very nature of colonial rule *An Uncertain Age* joins a growing number of histories that have begun to break down monolithic male identities to push the historiographies of Kenya and empire into new territory **Alice Lakwena and the Holy Spirits** Heike Behrend,2000-03-31 In August 1986 Alice Auma a young Acholi woman in northern Uganda proclaiming herself under the orders of a Christian spirit named Lakwena raised an army called the Holy Spirit Mobile Forces With it she waged a war against perceived evil not only an external enemy represented by the National Resistance Army of the government but internal enemies in the form of impure soldiers witches and sorcerers She came very close to her goal of overthrowing the government but was defeated and fled to Kenya This book provides a unique view of Alice s movement based on interviews with its members and including their own writings examining their perceptions of the threat of external and internal evil It concludes with an account of the successor movements into which Alice s forces fragmented and which still are active in the civil wars of the Sudan and Uganda

Witchcraft and Colonial Rule in Kenya, 1900-1955 Katherine Luongo,2011-09-26 Focusing on colonial Kenya this book shows how conflicts between state authorities and Africans over witchcraft related crimes provided an important space in which the meanings of justice law and order in the empire were debated Katherine Luongo discusses the emergence of imperial networks of knowledge about witchcraft She then demonstrates how colonial concerns about witchcraft produced an elaborate body of jurisprudence about capital crimes The book analyzes the legal wrangling that produced the Witchcraft Ordinances in the 1910s the birth of an anthro administrative complex surrounding witchcraft in the 1920s the hotly contested Wakamba Witch Trials of the 1930s the explosive growth of legal opinion on witch murder in the 1940s and the unprecedented state sponsored cleansings of witches and Mau Mau adherents during the 1950s A work of anthropological
