Light & Dark: The Black Bonded D. M. Fife, 2021-07-15 Danny Firoth returns home from a magical yet deceitful summer at the White Rock Academy of Illumination only to face a new terror high school However the woes of the school's halls are quickly forgotten when Danny is summoned to the high Council of the Elvin Elders in Elsmelda the capital city of the Elves Danny learns that being the Light's prophesized savior the Mageknight comes with a fancy new title and massive new responsibilities Distraught with trying to meet his new station's requirements and coming to terms with the loss of his father's Bonded and the perplexing relationship with his infatuation Sabrina Drake Danny is tested even more as a second year squire Danny and his friends are placed center stage as they are presented with Bondeds of their own and inducted into an army competing in mock warfare for the grandest trophy of all the Chalice of Light If that was not enough Danny is confronted with a question of trust among the Order of Light the growing need to unravel the deeper mystery of the Mageknight and the foreboding plan of his betrayer Syndil Sartak Tribolari in his search for a weapon that could bring about the end of the Light and all living things The Black Bonded Notes on Duels and Duelling Lorenzo Sabine, 1859 *The Pictorial Field-Book of the Revolution, Vol I & II* Benson John Lossing, 2021-08-30 Excerpt As my journey

was among scenes and things hallowed to the feelings of every American I felt a hope that a record of the pilgrimage interwoven with that of the facts of past history would attract the attention and win to the perusal of the chronicles of our Revolution many who could not be otherwise decoyed into the apparently arid and flowerless domains of mere history I accordingly determined to make the record of the tour to the important localities of the Revolution a leading feature in the work Here another difficulty was encountered So widely scattered are those localities and so simultaneous were many of the events that a connected narrative of the journey must necessarily break up the chronological unity of the history and at times produce some confusion To give incidents of the journey and sketches and descriptions of the scenery and relics as they appear at present in fragmentary notes would deny to the work the charm of a book of travel and thus almost wholly remove the prime object in view in giving such narrative The apparently less objectionable course was chosen and the history was broken into fragments arranged in the exhibition in accordance with the order in which each locality was visited the fragments individualized as much as possible yet always maintaining a tie of visible relationship with the whole The apparent difficulties in the way of the student which this plan suggests are removed by the aid of a complete Analytical Index at the close of the work while the narrative of the tour remains unbroken except by the continually recurring appendices of history How far this arrangement shall accomplish the desired result the candid judgment of the reader must determine
