Skin Color Recognition Preference And Identification In Interracial Children:

Skin Color Recognition, Preference and Identification in Interracial Children Wayne West Gunthorpe, 1998-02-26
Skin Color Recognition Preference and Identification in Children A Comparative Study is a remarkable study based on thorough primary research Interracial children's racial attitudes have been ignored in research since the 1930s Gunthorpe using the methodology of previous researchers provides objective and comparable data and details some unexpected results Authoritative but easily read Skin Color Recognition is of value to researchers and academics in the areas of minority studies sociology and psychology as well as to parents of interracial children *Skin Color Recognition, Preference and Identification in Interracial Children* Wayne West Gunthorpe, 1977

Educational and Psychological Research Mildred Patten, 2016-09-13 This edition of our popular reader is entirely updated with timely articles that deal with broad issues in education and psychology For a research reader with emphasis on classroom issues see A Cross Section of Educational Research This collection shows students the many inherent weaknesses of empirical methods as well as models of excellence Unlike research readers that contain made up articles this one has both face validity and content validity Your students will appreciate reading real articles with real results The 34 research articles illustrate qualitative research combined qualitative quantitative research content documentary analysis correlational research test validity and reliability research causal comparative research true experimental research quasi experimental research pre experimental research program evaluation meta analysis The lines are numbered sequentially making it easy to refer to specific parts of each article during classroom discussions This single source of research articles is convenient for you and your students Easy to coordinate with any research methods text this reader is an ideal way to make research methods come alive Field tested for student interest and comprehension All major methods of research are illustrated with real research articles drawn from a wide variety of journals See Table of Contents Your students will become familiar with a wide variety of writing and organizational styles that real researchers use Despite their variety all articles in this book are highly comprehensible Factual Questions at the end of each article encourage students to read for mythological points they might otherwise overlook Questions for Discussion encourage students to address broad issues of research design An instructor's answer key will be shipped with your examination copy The interesting research topics will make your students look forward to doing their research reading homework

Raising Biracial Children Kerry Ann Rockquemore, Tracey A. Laszloffy, 2005-11-10 As the multiracial population in the United States continues to rise new models for our understanding of mixed race children and how their conception of racial identity must be developed A wide divide between academics who research biracial identity and the everyday world of parents and practitioners who raise and deal with mixed race children exists This book aims to fill this gap by providing an extensive synthesis of the existing research in the field as well as a model for better understanding the unique process of racial identity development for mixed race children Raising Biracial Children provides parents educators

social workers and anyone interested in multiracial issues with an accessible framework for understanding healthy mixed race identity development and to translate those findings into practical care giving strategies Sex and Race in the Black Atlantic Daniel McNeil, 2010-01-27 Drawing on a wide range of sources and a diverse cast of characters this book is the first to place the self fashioning of mixed race individuals in the context of a Black Atlantic and gives particular attention to the construction of mixed race femininity and masculinity during the twentieth century **Racially Mixed People in America** Maria P. P. Root, 1992-02-03 Recipient of the Gustavus Myers Center for the Study of Human Rights in the United States 1993 Outstanding Book Award America has been the breeding ground of a biracial baby boom for the past 25 years Unfortunately there has been a dearth of information regarding how racially mixed people identify and view themselves and how they relate to one another *Racially Mixed People in America* steadily bridges this gap and offers a comprehensive look at the social and psychological adjustment of mixed race people models for identity development contemporary immigration and marriage patterns and methodological issues involved in conducting research with mixed race people all in the context of America's mixed race past and present Including contributions by ethnohistorians psychologists and sociologists this powerful volume will provide the reader a tool for examining ideologies surrounding race race relations and the role of social science in the deconstruction of race *Racially Mixed People in America* is essential reading for researchers and practitioners in cross cultural studies psychology family studies sociology and social work *Racially Mixed People in America* is not just a feel good affirmation of mixed race people It offers explanations of how possibly the constructed notions of race operate in our society through an examination of mixed race people from the margins of psychological and sociological studies to the center of race relations discourse This perhaps is its greatest contribution *Amerasia Journal* A compendium of articles on the experiences and identities of racially mixed people it takes a scholarly approach to understanding the issues of racial identity It is a book we highly recommend for an overview of the psychological implications of the personal conflicts inherent in multiracial identity *Minority Markets Alert* Maria P P Root and her coauthors have performed a service to society in general and to biracial multiracial people and families in particular By dispelling myths and showing the biracial multiracial experience to be a healthy normal one the book will help demolish barriers of fear and ignorance and will hopefully enable all of us to banish the lingering miasma of obsolete concepts *Joe Cunningham The Interracial Club Newsletter* An especially timely and well documented book Recommended to mental health professionals who wish to heighten their sensitivity in working with racially mixed people *Readings A Journal of Review and Commentary in Mental Health* *Racially Mixed People in America* is an important book effectively presenting a comprehensive multidisciplinary examination by ethnohistorians psychologists and sociologists of America's multiracial past and present *Research in Black Child Development* Hector F. Myers, 1982-04-21 Product information not available *Tripping on the Color Line* Heather M. Dalmage, 2000 Through in depth interviews with individuals from black white multiracial families and insightful sociological analysis Heather M

Dalmage examines the challenges faced by people living in such families and explores how their experiences demonstrate the need for rethinking race in America She examines the lived reality of race in the ways multiracial family members construct and describe their own identities and sense of community and politics Their lack of language to describe their multiracial existence along with their experience of coping with racial ambiguity and with institutional demands to conform to a racially divided racist system is the central theme of *Tripping on the Color Line* **Racial Attitudes and Biculturalism in Interracial Preschoolers** Deborah Jean Johnson,1983 *Black American Families, 1965-1984* Walter R. Allen,1986-10-21 This new bibliography offers access to journal articles books and book chapters doctoral dissertations and masters theses government and university reports and other materials It covers an extended range of topics and encompasses recent work in the social sciences and health sciences as well as the human services profession The bibliographic section presents more than 1 100 numbered citations arranged alphabetically by author with entries keyed to both broad topic categories and specific subjects A classified index with titles lists works by category and subject and a key word index cross references nearly one thousand words that appear in entry titles **Beyond Black** Kerry Ann Rockquemore,David L. Brunsma,2008 The urgent debate over a multiracial category in the 2000 census forced the nation to reflect upon the important questions of what it means to construct and maintain a racial identity Using in depth interviews and survey data *Beyond Black* documents how biracial people develop many different racial identities and how these self understandings are derived from historical and contemporary social cultural interactional and psychological processes *Handbook of Multicultural Counseling* Joseph G. Ponterotto,1995-06-20 Thorough integrative and comprehensive the *Handbook of Multicultural Counseling* covers all major areas in the field ethics professional issues research theory training practice and emerging trends In addition rather than merely reviewing research the book introduces innovative training and practice methods With the editors and contributors drawn from culturally ethnically and geographically diverse populations the book will be an essential source for practitioners and trainees aiming to improve their competence in helping a multicultural clientele **Merrill-Palmer Quarterly** ,1992 *Hispanic Journal of Behavioral Sciences* ,2006-11 *Black, Jewish, and Interracial* Katya Gibel Azoulay,1997-10-13 A study on being Black and Jewish in the United States Author discusses bi racialism and how and why African Americans of Jewish descent identify themselves with other groups who have had a history of legal political and racial discrimination such as *Comprehensive Dissertation Index* ,1984 *Human Behavior in the Social Environment from an African-American Perspective* Letha A See,2013-02-01 *Human Behavior in the Social Environment from an African American Perspective* Second Edition is an updating of the classic text that presents leading black scholars discussing complex human behavior problems faced by African Americans in today s society This new edition provides fresh theories and the latest practical interventions not in the first edition that show for example how to enhance a client s coping strategies and resilience by focusing on their strengths rather than their weaknesses This edition includes a new foreword by former

Surgeon General Dr Joycelyn Elders *Human Behavior in the Social Environment from an African American Perspective* Second Edition acquaints practitioners with the Black experience and provides the latest innovative methods of working with this diverse population This edition also offers new insights on evaluating practice initiatives Experts and scholars explore and interpret individual and group behaviors the strength and resilience of the black family the stresses and problems affecting children the significant problem of the affects of colorism the self esteem and identity issues of biracial children violence in the criminal justice system the HIV AIDS pandemic the stress and behaviors resulting from belonging to the armed services and other behavior stemming from progression through the life cycle Chapters include charts and tables of data extensive references and study questions for deeper study for students Topics in *Human Behavior in the Social Environment from an African American Perspective* Second Edition include the importance of the consideration of the black experience in analyzing black behavior behavior as a response to a hostile social system the black church s role in leading African Americans resiliency perspective as a positive force the use of strength behaviors for socialization and survival strategies to strengthen roles of fathers in African American families military culture as a microcosm of the wider society the psychological effects of skin color on self esteem the No Child Left Behind Act of 2001 and its effects refreshing social work practice to better meet the needs of African American girls examination of a study on the help seeking behaviors of young African American males empirically based creative intervention strategies to alleviate black on black crime analysis of street gang behaviors with a program to address it influences of hip hop culture strategies to lessen substance abuse in children practices that help assist administrators and social workers to lessen school violence *Human Behavior in the Social Environment from an African American Perspective* Second Edition is a supplementary text that is valuable for undergraduate and graduate students human service practitioners mental health and medical counselors policymakers school officials and criminal justice personnel

The Oxford Handbook of Multicultural Identity Verónica Benet-Martínez,Ying-yi Hong,2014 Multiculturalism is a prevalent worldwide societal phenomenon This handbook reviews cutting edge empirical and theoretical work on the psychology of multicultural identities and experiences It addresses some important basic e g measurement socio cognitive and neural mechanisms and applied issues e g multiculturalism in marketing and organizational science

Ethnic Identity Martha E. Bernal,George P. Knight,1993-02-11 This book provides broad coverage of the various research approaches that have been used to study the development of ethnic identity in children and adolescents and the transmission of ethnic identity across generations The authors address topics of acculturation and the development and socialization of ethnic minorities particularly Mexican Americans They stress the roles of social and behavioral scientists in government multicultural policies and the nature of possible ethnic group responses to such policies for cultural maintenance and adaptation

Families in Society ,1991
