McDougall's wry compelling and layered account of the day to day of rice growing on the farm that her father inherited. In that setting she discovers a rich universe of words in the Great Depression comes of age during World War II and finds her way alongside that whole quirky compelling cast of characters that comprised her kin. In this conflicted ironic southern but universal account of betrayal heartbreak loss and joy the vagaries and the grace of the land join forces with the power of money as family bonds are both forged and dissolved. Deeply felt unsentimental and often humorous Daddy's Money presents McDougall's life and the lives of her relatives in the way that all our lives are eventually framed as stories. When all else is lost the author maintains the stories remain. *Successful Writing*, 1942 *Moore's Rural New Yorker*, 1912 **New York Times Saturday Review of Books and Art**, 1968 **The California Countryman**, 1917 **World Authors, 1995-2000**
