**Slaughter at Salerno** Leo Kessler,1985-01-01      **Slaughter at Salerno** Leo Kessler,1985      The Cruel Slaughter of Adolf Hitler karsten friedrich,2011-02 World War IIWorld War II or the Second World War was a global military conflict lasting from 1939 to 1945 which involved most of the world s nations including all of the great powers eventually forming two opposing military alliances the Allies and the Axis It was the most widespread war in history with more than 100 million military personnel mobilised In a state of total war the major participants placed their entire economic industrial and scientific capabilities at the service of the war effort erasing the distinction between civilian and military resources Marked by significant events involving the mass death of civilians including the Holocaust and the only use of nuclear weapons in warfare it was the deadliest conflict in human history resulting in 50 million to over 70 million fatalities      **Slaughter in Serene** Richard Myers,2005      **The Murder, Betrayal, and Slaughter of the Glorious Charles, Count of Flanders** Galbert of Bruges,2013-11-26 DIV In 1127 Charles the Good count of Flanders was surrounded by assassins while at prayer and killed by a sword blow to the forehead His murder upset the fragile balance of power between England France and the Holy Roman Empire giving rise to a bloody civil war while impacting the commercial life of medieval Europe The eyewitness account by the Flemish cleric Galbert of Bruges of the assassination and the struggle for power that ensued is the only journal to have survived from twelfth century Europe This new translation by medieval studies expert Jeff Rider greatly improves upon all previous versions substantially advancing scholarship on the Middle Ages while granting new life and immediacy to Galbert s well informed and courageously candid narrative div      *From Here to Hell: The Winter Line* David Alexander,2025-09-16 In September of 1943 the preliminary Allied assault on Nazi dominated Europe commenced with Operation Avalanche the code name for the invasion of Southern Italy via Salerno It was British Prime Minister Winston Churchill who considered this region the soft underbelly of the European continent and the key to an Anglo U S spearhead first into Nazi occupied France and then into the heart of Hitler s Reich itself Supreme Commander of Allied forces General Dwight D Eisenhower was not of the same opinion as Churchill Ike regarded Italy as non essential to Allied victory in Europe The decision to invade Italy was arrived at only as a compromise solution and Eisenhower would at first commit American troops only to a limited assault role What ultimately took place however was a series of battles that were among the bloodiest of all those fought in the European and Pacific theaters While the Allies pushed relentlessly toward Rome finally capturing the Eternal City in June of 1944 the price paid for victory was among the heaviest in the history of warfare Even today the immense toll in lives taken by this campaign is the subject of a debate that will probably never be satisfactorily resolved It is the campaign for southern Italy that is the subject of this book If I have taken certain liberties with the historical record it is because what follows is not war documentary but war fiction      **Department Reports of Pennsylvania** ,1920      *The Novels of World War II* Desmond Taylor,1993      **VCs of the Second World War** John Frayn Turner,2004-09-19 Published

for the first time in a single volume VCs of the Second World War consolidates the accounts of the actions of every recipient The medal of this ultimate honor is inscribed with the simple words For Valour and this cross of courage was awarded to a total of 180 men many posthumously As these stories of bravery are unfolded they reveal varied exploits of incredible individual actions And they frequently form part of larger scale operations whether on land in the air at sea or under the sea In so doing the book becomes a unique chronological cross section of the crucial British and Commonwealth contribution to the war as a whole from Norway the Battle of Britain North Africa the Battle of the Atlantic the Burma campaign the Mediterranean theater the air assault on Germany Normandy to victory in Europe and the Far East **Night Stalker**
