Various,2022-06-02 The Circle of Knowledge is an informative book that was designed in 1917 to be both inspiring and entertaining The book represents the modern progressive spirit which fits that time in its forms of expression and its editorship The purpose of this work is to answer the why who what when where how of the wide majority of curious minds both young and adult and encourage them to raise further questions Special measures were taken in creating this work to isolate essentials from non essentials to differentiate human interest subjects of universal significance from those of little concern to deliver living truths instead of dead vocabulary and finally to bring the whole within the knowledge of the

intermediate reader without regard to age in an acceptable and exciting form The use of visual outlines and tables maps drawings and diagrams the illustrated works of great painters sculptors and architects all are used to give the reader the valuable and cultural knowledge of past and present
