South Tyneside In Focus:

The South Shields Poltergeist Darren W. Ritson, 2020-10-23 In December 2005 a family began to experience poltergeist like phenomena in their home Slowly but steadily the phenomena escalated and in July 2006 the authors were asked to investigate This book is a chilling diary of an ongoing poltergeist case which the authors believe rivals any previously documented *The Pontop & South Shields Railway* Rob Langham, 2024-07-15 Illustrated with rare and previously unpublished images Rob Langham tells the story of this railway **Breathlessness and Biosociality** Fredrik Nyman, 2024-10-07 This book delves into the intricate landscape of respiratory diseases among older people shedding light on their biosocial encounters while grappling with chronic breathlessness While respiratory ailments predominantly afflict older people often stemming from lifestyle choices like smoking contemporary factors such as the COVID 19 pandemic and escalating air pollution further exacerbate respiratory health challenges Rooted in ethnographic research conducted in the UK the narrative captures the quotidian struggles associated with abnormal breathing an aspect typically overlooked despite its indispensability to life Through poignant accounts the book elucidates the profound transformations engendered by medical diagnoses delving into their ripple effects on personal relationships and social engagements while also offering insights into coping mechanisms Chapters traverse the contours of patient identity societal perceptions community healthcare dynamics advocacy endeavours and the intrinsic link between health and human rights Notably the author delves into the pivotal role of support groups such as Breathe Easy the empowering realm of self help and the organic formation of communities to address diverse social needs With its multidisciplinary approach this book appeals to a broad spectrum of scholars spanning anthropology sociology gerontology and public health offering a rich tapestry of insights into the complex interplay between health society and individual experiences Slow Northumberland and Durham Gemma Hall, 2012 Northumbria is home to the loneliest stretches of moorland and coast in the country The region has much to offer the nature lover walking enthusiast history buff gastronome and gardener rare wildlife Georgian architecture the Pennine hills Hadrian's Wall Alnwick Gardens and Alnwick Castle featured in the Harry Potter films Gemma Hall shares her love of Northumberland Durham and Tyneside guiding visitors through historic towns cities and villages across the Cheviot Hills and along Northumberland's Heritage Coast to outdoor swimming spots high altitude flower meadows and the wooded gorges of the Durham coast *South Tyneside in Focus* Clive Hardy, 1991-01-01 **Performing Welfare** Sarah Bartley, 2020-09-03 This book explores what happens to socially committed performance when state systems of social security are dismantled Since 2010 a punishing programme of economic austerity and a seismic overhaul of the Welfare State in the United Kingdom has been accompanied by an ideological assault on dependency a pervasive scapegoating of the poor young and disabled and an intensification of the discursive relationship between morality and work This book considers the artistic material and ideological consequences of such shifts for applied and socially engaged performance *Performing Welfare* reveals how such

arts practices might reconstitute notions of work and labour in socially constructive ways It focuses on the political potential of participation during a period in which classifications of labour and productivity are intensely contested It examines the migration of discourses from state policy to the cultural sector narratives of community and aesthetics of dependency the paradoxes of visibility in creative projects with stigmatised participants the implicit relationship of participatory performance to neoliberal productivity and the parallels between gendered divisions of labour social reproduction and applied performance It will appeal to students scholars and practitioners interested in applied and socially engaged performance participation community representation the welfare state social policy labour and unemployment
