Southern Frontier:

The Southern Frontier Rohan Howitt, 2025-05-14 Antarctica looms large in the Australian psyche as a place of science adventure and peril Our romantic entanglement with this unique environment is deep and enduring The Southern Frontier traces Australia's Antarctic obsession from its origins in the nineteenth century to the creation of the Australian Antarctic Territory and a permanent national Antarctic program in the 1930s and 1940s It reconstructs Australian ideas beliefs and anxieties about the Antarctic and shows how Australians came to imagine their nation as having a natural right perhaps even a destiny to explore exploit and control the world to their south By examining how and why Australia relentlessly pursued the acquisition of its Antarctic Territory Rohan Howitt recovers a forgotten way of thinking about this region as one frontier of an Australian empire stretching from the equator to the South Pole At a time when the Australian Government is ramping up its investment in Antarctica and geopolitical tensions are on the rise The Southern Frontier provides the historical explanation for how Australians came to see the world to their south as a natural extension of the nation's territory Southern Frontier

Southern Frontier Humor Thomas Inge, Ed Piacentino, 2010-05-12 If as some suggest American literature began with Huckleberry Finn then the humorists of the Old South surely helped us to shape that literature Twain himself learned to write by reading the humorists work and later writers were influenced by it This book marks the first new collection of humor from that region published in fifteen years and the first fresh selection of sketches and tales to appear in over forty years Thomas Inge and Ed Piacentino bring their knowledge of and fondness for this genre to a collection that reflects the considerable body of scholarship that has been published on its major figures and the place of the movement in American literary history They breathe new life into the subject gathering a new selection of texts and adding Twain the only major American author to contribute to and emerge from the movement as well as several recently identified humorists All of the major writers are represented from Augustus Baldwin Longstreet to Thomas Bangs Thorpe as well as a great many lesser known figures like Hamilton C Jones Joseph M Field and John S Robb The anthology also includes several writers only recently discovered to be a part of the tradition such as Joseph Gault Christopher Mason Haile James Edward Henry and Marcus Lafayette Byrn and features authors previously overlooked such as William Gilmore Simms Ham Jones Orlando Benedict Mayer and Adam Summer Selections are timely reflecting recent trends in literary history and criticism sensitive to issues of gender race and ethnicity The editors have also taken pains to seek out first printings to avoid the kinds of textual corruptions that often occur in later versions of these sketches *Southern Frontier Humor* offers students and general readers alike a broad perspective and new appreciation of this singular form of writing from the Old South and provides some chuckles along the way
