Southern Ghost:

Southern Ghost Carolyn Hart, 2009-10-14 Annie Darling owner of the Death on Demand bookstore is shocked to hear talk about her husband Max and a beautiful blonde. By the time she's faced down a hostile police chief and bailed Max out of the Chastain South Carolina jail, the lady has vanished and Max is the prime suspect in an unspecified crime. The baffling bloodstained trail leads straight to the doorstep of Tarrant House, home of the venerable Southern family with a violent history dating back to the Revolution and ghosts of a far more recent vintage. Annie and Max find that the dignified facade of Tarrant House hides a hotbed of deadly passions as the family turns on itself in a mayhem of murderous motives and angry accusations. But in the end, Annie must summon all her sleuthing skills to stop a desperate killer who is ready to strike again to keep the secrets that haunt the Tarrants from the light of day. Praise for *Southern Ghost*: Tantalizing keeps the reader guessing all the way. The Denver Post. Pleasing, chillingly effective, remarkably satisfying. Publishers Weekly. Annie and Max make one of the most attractive pairs of sleuths since Dashiell Hammett's Nick and Nora. Charles Chicago Sun Times.

Southern Ghost Hunter Series: 5th Anniversary Special Edition Angie Fox, 2020-01-16 New York Times bestseller. Angie Fox celebrates 5 years of the *Southern Ghost Hunter* series with a limited edition boxed set of the first three stories in the series along with never before seen additional content including deleted scenes, original art, an inside look at the characters, and a behind the scenes peek at how the series came together. *Southern Spirits*: When out of work graphic designer Verity Long accidentally traps a ghost on her property, she's saddled with more than a supernatural sidekick; she gains the ability to see spirits. It leads to an offer she can't refuse from the town's bad boy, the brother of her ex and the last man she should ever partner with. *A Ghostly Gift*: Verity Long doesn't want to see ghosts, and she'd rather not let anyone know her little secret, either. But when a restless spirit stirs up trouble in her friend's resale shop, Verity and her very new, very dead gangster friend team up to learn what is really happening. *The Skeleton in the Closet*: A haunted library is no place for a girl who can see ghosts, but when Verity Long stumbles on a dead body in the middle of the main reading room, she has to believe someone, even a dead someone, must have witnessed the crime. What reviewers are saying: 5 Stars. I fell in love with this series from the first book. 5 Stars. I could not put it down; ended up reading all night long, midnight till 3am. 5 Stars. I loved the heroine because she is gutsy and quirky, definitely not a wilting flower, and I am super excited about where her story is going. This edition contains never before seen material and will be available for a limited time. *Jeffrey Introduces Thirteen More Southern Ghosts* Kathryn Tucker Windham, 2015-01-20 A commemorative facsimile edition of the beloved and best-selling second book in famed national folklorist Kathryn Tucker Windham's *Southern Ghosts* series. Jeffrey was the resident apparition in the Selma, Alabama, home of nationally known folklorist Kathryn Tucker Windham and the inspiration for Windham's best-selling collection of macabre tales that reveal two hundred years of Alabama's ghostly secrets. *Thirteen Alabama Ghosts* and *Jeffrey*: One of the most popular books ever published in the state, generations of Alabama children and

students have been thrilled and chilled by Windham's spectral legends. Following the overwhelming success of *Thirteen Alabama Ghosts* and Jeffrey Windham and Jeffrey began to journey across the South assembling a second collection of ghastly tales that repeat Windham's winning combination of traditional folklore, Southern history and culture and family friendly story telling. In *Jeffrey Introduces Thirteen More Southern Ghosts* Windham's disembodied friend roams the states of Kentucky, Tennessee, Georgia, Mississippi, Louisiana and Florida to recall thirteen more timeless spine tingling tales of baneful and melancholy spirits that spook the most stoic heart. Opening this volume is *The Girl Nobody Knew*. One midsummer night in the genteel Kentucky mineral spring resort of Harrodsburg a beautiful lady arrived at the town's grand hotel. The belle danced late into the night with the town's smitten gallants only to expire suddenly with the notes of the last quadrille. The spooked residents of Harrodsburg guard a grave you can see to this day. Readers then visit the world famous Bell Witch of Robinson County, Tennessee. Jeffrey also makes his first trip to old New Orleans to reveal a revenant in residence on Royal Street before continuing his ghostly progress across Dixie. This new edition returns *Jeffrey Introduces Thirteen More Southern Ghosts* to its original format in jacketed cloth full of original black and white illustrations in a handsome keepsake edition perfect for gift giving and for families, folklorists of all ages and libraries.

The Companion to Southern Literature
Joseph M. Flora, Lucinda Hardwick MacKethan, 2001-11-01
Selected as an Outstanding Academic Title by Choice
Selected as an Outstanding Reference Source by the Reference and User Services Association of the American Library Association
There are many anthologies of southern literature but this is the first companion. Neither a survey of masterpieces nor a biographical sourcebook, *The Companion to Southern Literature* treats every conceivable topic found in southern writing from the pre-Columbian era to the present, referencing specific works of all periods and genres. Top scholars in their fields offer original definitions and examples of the concepts they know best, identifying the themes, burning issues, historical personalities, beloved icons and common or uncommon stereotypes that have shaped the most significant regional literature in memory. Read the copious offerings straight through in alphabetical order: Ancestor Worship, Blue Collar Literature, Caves or skip randomly at whim: Guilt, The Grotesque, William Jefferson Clinton. Whatever approach you take, *The Companion's* authority, scope and variety in tone and interpretation will prove a boon and a delight. Explored here are literary embodiments of the Old South, New South, Solid South, Savage South, Lazy South and Sahara of the Bozart. As up to date as grit lit, K Mart fiction and postmodernism and as old fashioned as Puritanism, mules and the tall tale, these five hundred entries span a reach from Lady to Lesbian Literature. The volume includes an overview of every southern state's belletristic heritage while making it clear that the southern mind extends beyond geographical boundaries to form an essential component of the American psyche. The South's lavishly rich literature provides the best means of understanding the region's deepest nature and *The Companion to Southern Literature* will be an invaluable tool for those who take on that exciting challenge.
